CHAPTER 343 - ENVIRONMENTAL ASSESSMENT:

In accordance with Hawaii Administrative Rule Section 11-200-8 and the Exemption List for the Department of Land and Natural Resources reviewed and concurred by the Environmental Council on June 5, 2015, the subject request is exempt from the preparation of an environmental assessment pursuant to Exemption Class No. 1, "Operations, repairs, or maintenance of existing structures, facilities, equipment, or topographical features, involving negligible or no expansion or change of use beyond that previously existing," item 46 that states, "creation or termination of easement, covenants, or other rights in structures or land." See **Exhibit B**.

DCCA VERIFICATION:

Not applicable. Government agency.

APPLICANT REQUIREMENTS:

Applicant shall be required to:

1. Provide survey maps and descriptions according to State DAGS standards and at Applicant's own cost; and

2. Process and obtain designation of easement approval from the Department of Planning and Permitting at Applicant's own cost

REMARKS:

Board of Water Supply is planning to install the new 20-inch water pipeline to replace its existing pipelines in the area. The requested area is between the banks of the Mailiili Channel, with a portion of the new pipeline being suspended from the bridge¹.

Applicant has not had a lease, permit, easement or other disposition of State lands terminated within the last five years due to non-compliance with such terms and conditions.

State Historic Preservation Division, Department of Facility Maintenance, Department of Planning and Permitting, and Department of Health have no objections/comments to the request. Department of Transportation, Highways Division, Department of Hawaiian Home Lands, Commission on Water Resource Management, and Office of Hawaiian Affairs have not responded to the solicitation for comment before the deadline.

There are no other pertinent issues or concerns, and staff has no objection to the request described above.

RECOMMENDATION: That the Board:

1. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200, HAR, this project will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.
2. Authorize the issuance of a perpetual, non-exclusive easement to the City and County of Honolulu covering the subject area for waterlines purposes under the terms and conditions cited above, which are by this reference incorporated herein and further subject to the following:
 - A. The standard terms and conditions of the most current perpetual easement document form, as may be amended from time to time;
 - B. Review and approval by the Department of the Attorney General; and
 - C. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.
3. Issuance of a right-of-entry permit to the City and County of Honolulu, Board of Water Supply covering the subject area for waterlines purposes under the terms

¹ The Board has jurisdiction over the channel, and not the bridge. The bridge is under City's jurisdiction.

and conditions cited above, which are by this reference incorporated herein and further subject to the following:

- A. The standard terms and conditions of the most current management right-of-entry permit document form, as may be amended from time to time;
- B. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.

Respectfully Submitted,

Barry Cheung
District Land Agent

EXEMPTION NOTIFICATION

Regarding the preparation of an environmental assessment pursuant to Chapter 343, HRS and Chapter 11-200, HAR

Project Title: Perpetual Non-Exclusive Easement for Waterlines Purposes

Project / Reference No.: 16OD-177

Project Location: Lualualei, Waianae, Oahu, Tax Map Key: (1) 8-6-002:por. of 003.

Project Description: The project is to replace existing pipelines in the area, and the pipeline will be suspended from the Mailiili Road Bridge.

Chap. 343 Trigger(s): Use of State Land

Exemption Class No.: In accordance with Hawaii Administrative Rule Section 11-200-8 and the Exemption List for the Department of Land and Natural Resources reviewed and concurred by the Environmental Council on June 5, 2015, the subject request is exempt from the preparation of an environmental assessment pursuant to Exemption Class No. 1, "Operations, repairs, or maintenance of existing structures, facilities, equipment, or topographical features, involving negligible or no expansion or change of use beyond that previously existing," item 46 that states, "creation or termination of easement, covenants, or other rights in structures or land."

Staff believes that the proposed project would involve negligible or no expansion or change in use beyond that previously existing.

Consulted Parties Agencies as noted in the submittal

Recommendation: That the Board find this project will probably have minimal or no significant effect on the environment and is presumed to be exempt from the preparation of an environmental assessment.
