REMARKS:

Queen Liliuokalani Trust (QLT) is in the process of developing its property adjacent to the two subject State parcels, during which a survey revealed that the written description on record is in conflict with the actual identified markers located in the field. After consultation with Reid Siarot of the Department of Accounting and General Services (DAGS), Land Survey, it was agreed that the record should be corrected to reflect the actual field survey.

QLT has provided survey maps indicating the adjustments to be made to the boundaries of both State parcels (refer to Exhibit B). If the boundary adjustments are approved by the Board, QLT must provide new survey maps and descriptions for both parcels in compliance with current DAGS standards, including CAD files.

The proposed boundary adjustments to the Old Kona Airport property will affect the land encumbered by Governor’s Executive Order No. 2876. The Division of State Parks was consulted and it responded that it will be vacating the property in the near future and a set-aside to the County of Hawaii for park purposes is pending survey and finalization.

RECOMMENDATION: That the Board:

1. Subject to the Applicant fulfilling all of the Applicant requirements listed above, authorize the boundary adjustment to State land set-aside to the Division of State Parks under Governor’s Executive Order No. 2876 and unencumbered State lands as identified in the attached Exhibit B and further subject to the following:
   
   A. Review and approval by the Department of the Attorney General; and
   
   B. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.

2. Approve Amendment of Governors Executive Order No. 2876 to reflect the change of boundary by replacing Exhibit “A” (description) and Exhibit “B” (map) with the new revised description and map subject to the following:

   A. Review and approval by the Department of the Attorney General; and
   
   B. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.
