REMARKS:

The Oahu Hawaiian Canoe Racing Association Hawaii (OHCRAH) is requesting to conduct beach activities on State owned lands to finalize a canoe race event.

The Duke Kahanamoku Long Distance Canoe Race Event consists of approximately twenty-eight (28) nautical miles. The race is scheduled for Sunday, August 20, 2017, starting at Kailua Beach at approximately 9 a.m. and will finish offshore from the Duke

Kahanamoku Beach (Waikiki) between three to five hours later. Once the canoe race is concluded, specific areas of the beach will then be utilized by the Applicant for closing purposes of the race day's event.

Set-up for the event on Duke Kahanamoku Beach is scheduled to begin at 6 a.m. and teardown is scheduled for 6 p.m. later that day. The Applicant requests that the Board approve a right-of-entry permit for its use of two (2) specific areas of the subject beach. The right-of-entry permit request includes Beach Areas: 1 and 3, only. See **Exhibit 3**.

Beach Area 1 will be a tented area located nearby to the Ala Wai Boat Harbor. This area will be utilized for the awards presentation, hospitality purposes, and to house materials for the event.

Beach Area 3 is the canoe exit area fronting the parking lot of the Ala Wai Boat Harbor. This area is also located adjacent to the shoreline where the canoes will land onto the beach. The canoes will be "de-rigged" within this area in preparation for their removal and exit onto trailers located in the nearby parking lot.

According to the Applicant, a request has been made for access to the Hilton Hawaiian Village Pier (currently encumbered under Revocable Permit No. 7566), located adjacent to where the finish line of the canoe race event will be designated. Revocable Permit No. 7566 requires a \$1.50 toll fee per paying customer. However, it is the staffs understanding that the Hilton Hawaiian Village (HHV) will not be charging a fee to any of the canoe race officials nor to its participants for the use of the subject pier. Therefore, staff is of the opinion that HHV will not be required to pay the State for the toll fee.

The Office of Conservation and Coastal Lands and Division of Boating and Ocean Recreation have no comment on the subject request.

Applicant has not had a lease, permit, easement or other disposition of State lands terminated within the past five years due to non-compliance with such terms and conditions.

There are no other pertinent issues and concerns regarding the subject request.

RECOMMENDATION: That the Board

1. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200, HAR, this activity will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.
2. Authorize the issuance of a right-of-entry permit to Oahu Hawaiian Canoe Racing Association Hawaii covering the subject area for the Duke Kahanamoku Long Distance Canoe Race Event under the terms and conditions cited above, which are by this reference incorporated herein and further subject to the following:

- a. The standard terms and conditions of the most current right-of-entry form, as may be amended from time to time; and
- b. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.
