Regarding the preparation of an environmental assessment pursuant to Chapter 343, HRS and Chapter 11-200, HAR

Project Title: Fireworks Display at Duke Kahanamoku Beach on November 7, 25, 29 and 30, and December 7 and 11, 2017

Project / Reference No.: PSF 17OD-121

Project Location: Waikiki, Honolulu, Oahu, TMK:(1) 2-3-037: portion of: 021.

Project Description: Aerial Fireworks Display at Duke Kahanamoku Beach

Chap. 343 Trigger(s): Use of State Land

Exemption Class No.: In accordance with Hawaii Administrative Rule Section 11-200-8 and the Exemption List for the Department of Land and Natural Resources concurred with by the Environmental Council and dated June 5, 2015, the subject request is exempt from the preparation of an environmental assessment pursuant to Exemption Class No. 1, Item 51, which states the "Permits, licenses, registrations, and rights-of-entry issued by the Department that are routine in nature, involving negligible impacts beyond that previously existing".

In the past, permits were periodically issued for conducting aerial fireworks displays on the beach in this area, which have resulted in no known significant impacts to the natural and environmental resources in the area. As such staff believes that the proposed event would involve negligible or no expansion or change in use of the subject area beyond that previously existing.

Consulted Parties: Consulted with the Office of Conservation and Coastal Lands, who had no comments.

Recommendation: It is recommended that the Board find that this project will probably have minimal or no significant effect on the environment and is presumed to be exempt from the preparation of an environmental assessment.
