JUSTIFICATION FOR REVOCABLE PERMIT:

The Premises was formerly under lease to Honey Bee USA, Inc., (“Honey Bee”), for the purpose of operating a retail store, fuel dock, and wedding services. Honey Bee experienced financial difficulties and filed for bankruptcy. On March 11, 2016, Honey Bee filed a motion to approve assumption of boating lease or in the alternative to extend time to assume the lease. On June 9, 2016, the Bankruptcy court entered an order denying the motion. On June 23, 2016, Honey Bee filed a motion to reconsider the order. On August 1, 2016, the Bankruptcy court ordered the motion to be denied, and Honey Bee shall immediately surrender the property.

The Division of Boating and Ocean Recreation (“Division”) is working on issuing a new Request for Proposals (“RFP”) for a long-term lease by way of Public Auction. Until such time that an RFP can be issued, the Division is requesting approval for the continuation of the RP to HBM, LLC, for equipment storage and vessel moorage, in order to ensure there is a continuous uninterrupted presence on the site that will help to deter any unwanted activity that usually occurs on vacant lands.

REMARKS:

While the proposed area was under lease to Honey Bee, thirteen vessels were allowed to moor at the facility and vessel owners were allowed to install storage lockers within the existing building as well as around the exterior of the building.

On September 23, 2016, item J-2, the Board authorized a Revocable Permit to HBM, LLC, for equipment storage and vessel moorage. Subsequently, the Division has not received any other serious written applicants for the site. HBM, LLC has not had a lease, easement, or other disposition of state lands terminated within the last five years due to non-compliance with such terms and conditions.

The Division is working on transitioning the RP into a long-term lease by Public Auction. DTL Hawaii has been hired to gather community feedback to be used to develop several alternative conceptual plans for ASBH. The conceptual plans are intended to provide the Division with information that will be used to prepare Request for Proposal by the end of 2017.

RECOMMENDATION:

That the Board of Land and Natural Resources:

1) Authorize the continuation of a revocable permit to HBM, LLC, covering the subject area for all purposes under the terms and conditions cited above, which are by this reference incorporated herein and further subject to the following:

   a. The standard terms and conditions of the most current Revocable Permit form, as may be amended from time to time; and

   b. Review and approval by the Department of the Attorney General.
c. Such other terms and conditions as may be prescribed by the Chairperson to best
serve the interests of the State.

Respectfully Submitted,

EDWARD R. UNDERWOOD, Administrator
Division of Boating & Ocean Recreation
