Environmental Quality Council. Exemption Class #1 covers operations, repairs, or maintenance of existing structures, facilities, equipment, or topographical features involving negligible or no expansion or change of use beyond that previously existing.

The DOTA consulted with the U.S. Federal Aviation Administration as to the appropriateness of the citation of the Environmental Exemption Class from the Comprehensive list for the Department of Transportation dated November 15, 2000. The FAA concurred on the appropriateness.

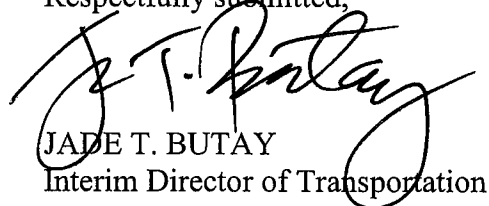

REMARKS:

The Department of Transportation proposes to issue a permit to Kone Inc. for space to store escalator materials, at no charge, as specifically stated in the Pre-Bid Meeting Minutes, dated May 10, 2016, for Contract No. 65127, State Project No. CO1624-43, Escalator Improvements, Honolulu International Airport, General Discussion No. 12, "Pending the availability of space on airport property, the State will issue a permit to the Contractor for the use of the space, at no charge, to be used specifically for a field office and/or storage of materials and equipment...."

RECOMMENDATION:

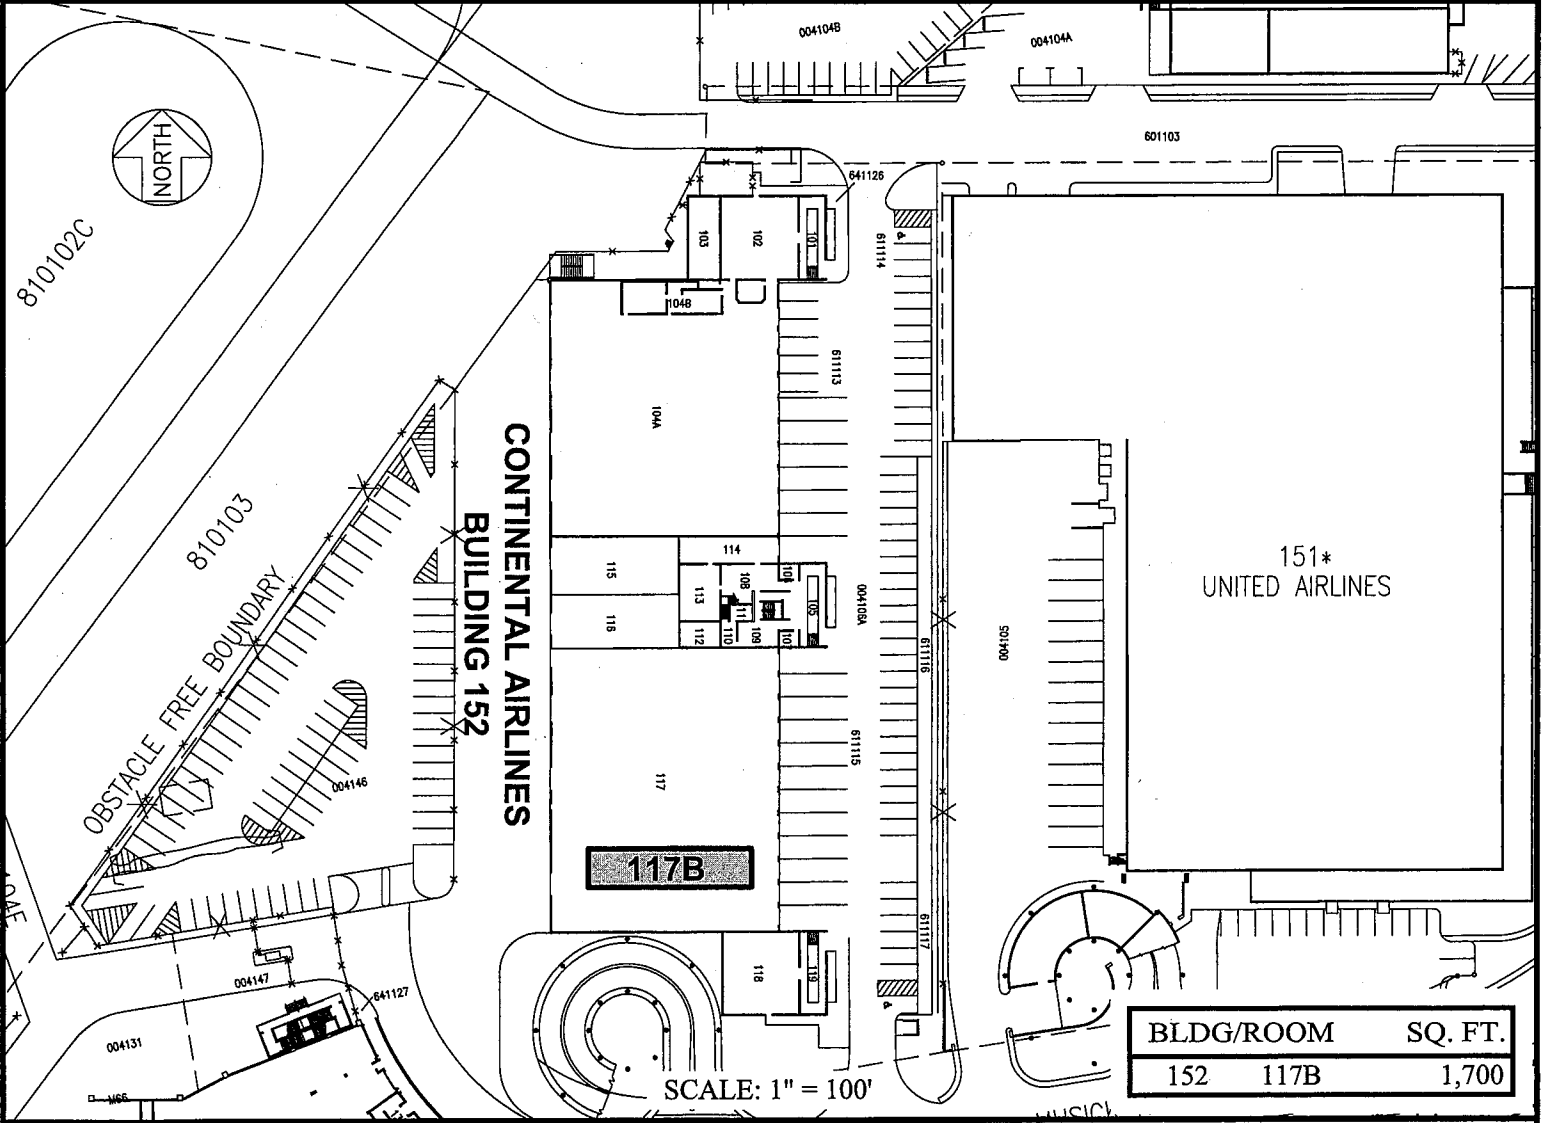

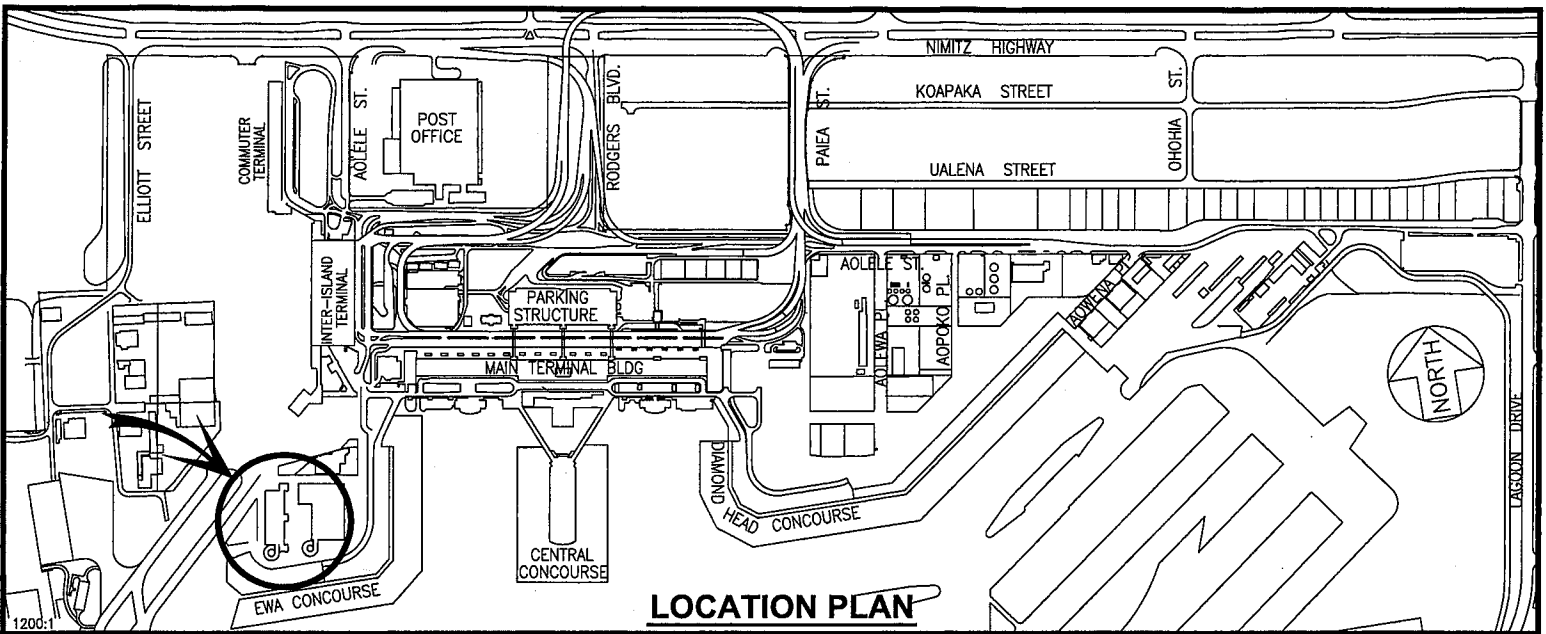

That the Board authorize the Department of Transportation to issue a month-to-month revocable permit to Kone Inc., subject to: (1) terms and conditions herein outlined, which are by reference incorporated herein; and (2) such additional terms and conditions as may be prescribed by the Director of Transportation to best serve the interests of the State.

Respectfully submitted,

JADE T. BUTAY
Interim Director of Transportation
