The Kaho‘olawe Rehabilitation Trust Fund was established to receive federal funds, legislative appropriations, and moneys from grants, donations or proceeds for the rehabilitation and environmental restoration of the Kaho‘olawe Island Reserve (Island Reserve). The Island Reserve includes the Island of Kaho‘olawe and two-miles of surrounding submerged lands and waters.

Federal funds are used to fund the operation of the Kaho‘olawe Island Reserve Commission (Commission) and management of the Island Reserve. Commission activities focus on culture, education, and the preservation, protection, rehabilitation, and revegetation of the Island Reserve.
