within Exemption Class #1, Comprehensive Exemption List for the State of Hawai‘i, Department of Transportation Amended November 15, 2000, as approved by the Environmental Quality Council. Exemption Class #1 covers operations, repairs, or maintenance of existing structures, facilities, equipment, or topographical features involving negligible or no expansion or change of use beyond that previously existing. The DOTA consulted with the U.S. Federal Aviation Administration as to the appropriateness of the citation of the Environmental Exemption Class from the Comprehensive list for the Department of Transportation dated November 15, 2000. The FAA concurred on the appropriateness.

REMARKS:

The applicant identified and requested additional spaces and the Department of Transportation Airports Division reviewed and determined that the additional spaces for storage and grease interceptor are necessary for the proper and efficient operation of the Concession.

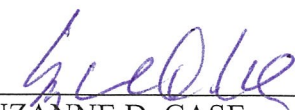

RECOMMENDATION:

That the Board approve and authorize: (1) the Department of Transportation to amend Article III. (Premises) of the subject Lease as herein outlined, which are by reference incorporated herein; (2) such other terms and conditions as may be prescribed by the Director of Transportation to best serve the interests of the State; and (3) review and approval by the Department of the Attorney General.

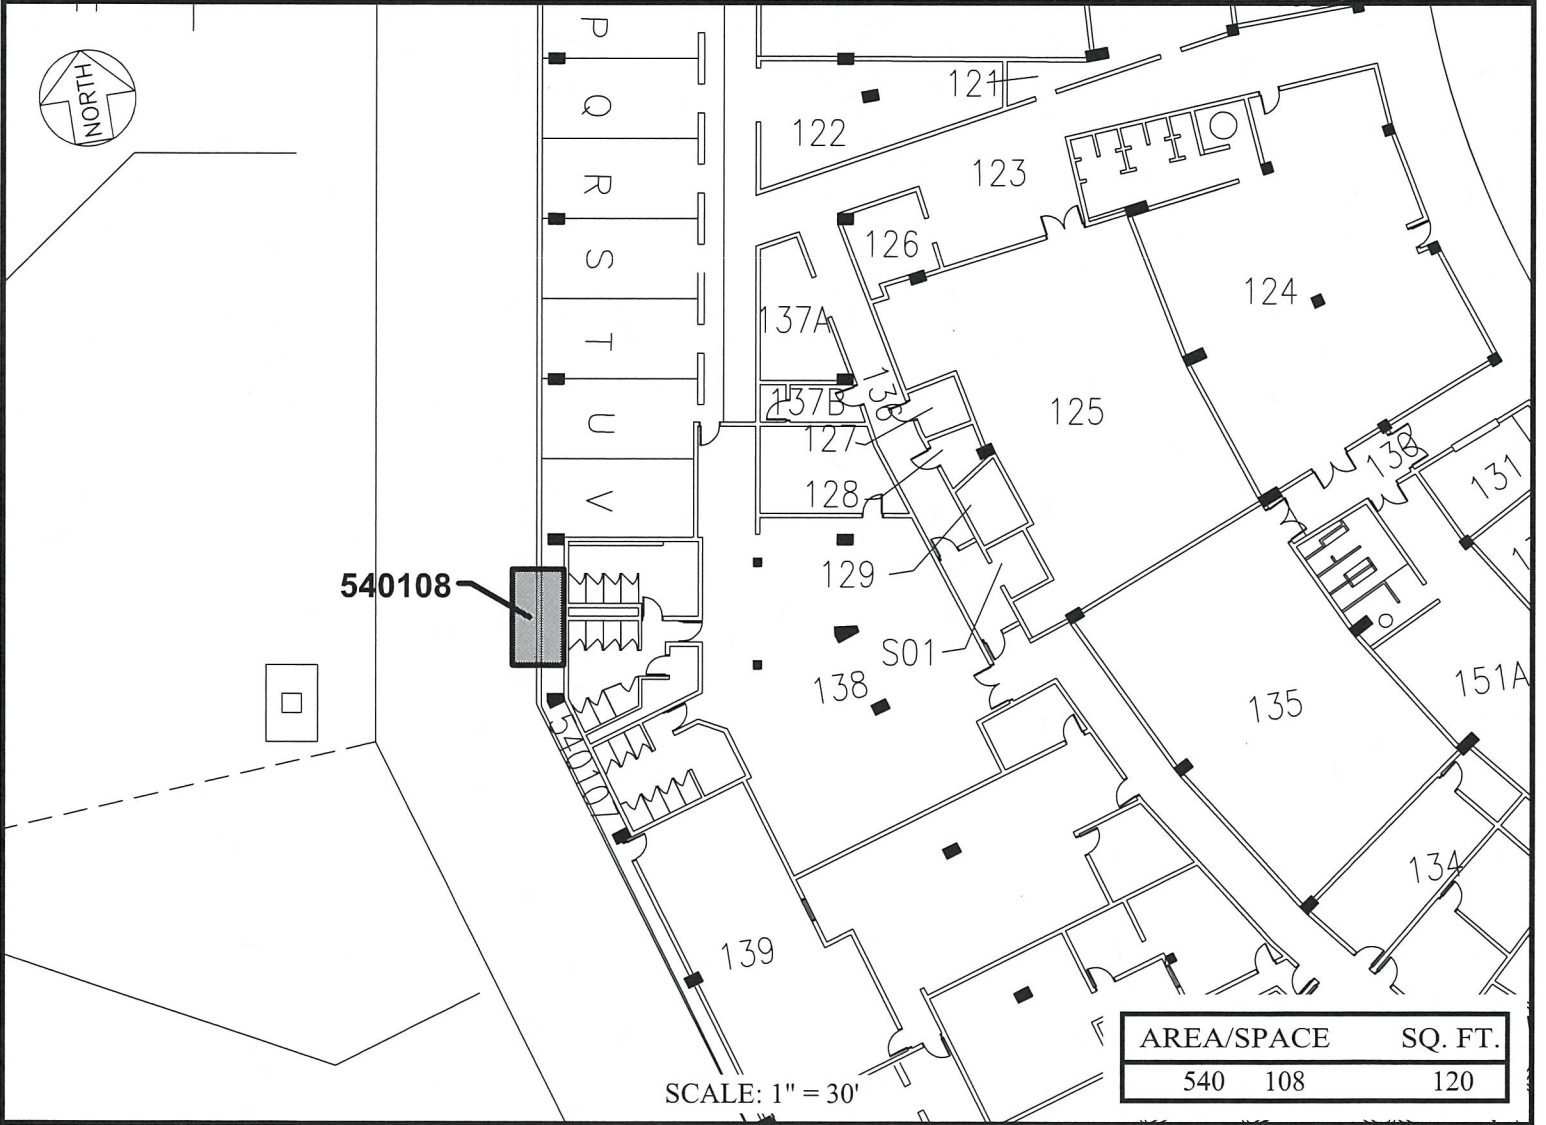

Respectfully submitted,

JADE T. BUTAY
Director of Transportation
