Board of Land and Natural Resources
1151 Punchbowl Street
Honolulu, Hawaii 96813

Dear Chairperson Case and Members:

SUBJECT: Surveillance Cameras to be Installed at the Ala Wai Boat Harbor

I am Jarod Y. Hiramoto, Captain, District 6 (Waikiki), Honolulu Police Department (HPD).

The HPD is requesting that two surveillance cameras be installed on a permanent basis at the Ala Wai Boat Harbor.

I am submitting testimonies from area residents and businesses in strong support of installing two security cameras on a permanent basis at the Ala Wai Boat Harbor. Currently, the plan is to have the two security cameras installed on a temporary basis for a duration of six months in anticipation of the 87th Annual Meeting of the United States Conference of Mayors scheduled for June 28 to July 1, 2019. The current plans are for the two security cameras to be removed after the conference.

A recommendation was made to survey area residents and businesses to ascertain if support of the two security cameras on a permanent basis was favorable. After completing the survey, it was determined that there is an overwhelming response in favor of strongly supporting the cameras to remain on a permanent basis. The main reasons for support by the area residents and businesses were primarily to deter and dissolve crime, while other reasons were to identify and remedy vagrant issues, as well as the ability for the HPD to take immediate proactive measures in monitoring the area.

Ms. Suzanne D. Case, Chairperson
and Members
February 8, 2019
Page 2

The HPD's District 6 (Waikiki) currently has access to ten street cameras in the Waikiki area, which are being monitored at the Waikiki Police Substation. The HPD has an excellent track record with these ten cameras being utilized, with no known past legal issues. These two permanent cameras will enhance the HPD's tools to combat crime, and they will encompass additional areas where there are no cameras available.

The Honolulu Police Department strongly supports having the two security cameras remain on a permanent basis. Copies of the testimonies and letters are included in this packet.

Thank you for the opportunity to testify.

Sincerely,

Jarod Y. Hiramoto, Captain
District 6

SUBJECT: TESTIMONY IN SUPPORT OF TWO SURVEILLANCE CAMERAS
INSTALLED ON A PERMANENT BASIS AT THE ALA WAI BOAT
HARBOR

I am Captain Jarod Y. Hiramoto from the Honolulu Police Department. We are submitting testimony from area residents and businesses in strong support of installing two security cameras on a permanent basis at the Ala Wai Boat Harbor. Currently, the plan is to have the two security cameras installed on a temporary basis for a duration of six-months in anticipation for the upcoming 87th Annual Meeting of the United States Conference of Mayors. After the conference, the current plans are for the two security cameras to be removed.

A recommendation was made to survey area residents and businesses to ascertain if support of the two security cameras on a permanent basis was favorable. After completing the survey, it was determined that there is an overwhelming response in favor of strongly supporting the cameras to remain on a permanent basis. The main reasons for support by area residents and businesses were primarily to deter and solve crime, while other reasons were to identify and remedy vagrant issues, as well as the ability for the Honolulu Police Department (HPD) to take immediate proactive measures in monitoring the area.

The HPD District 6 (Waikiki) already has access to ten street cameras in the Waikiki area, which are being monitored at the Waikiki Police Sub-station. The HPD has an excellent track record with the use of these ten cameras being utilized, with no known past legal issues. These two permanent cameras will only enhance the HPD's tools to combat crime and they will encompass additional areas where there are no cameras available. The HPD District 6 is strongly supporting to have the two security cameras remain on a permanent basis.

Printouts of testimonies and letters are included in this packet.

This request is being submitted for your perusal and disposition.

JAROD Y. HIRAMOTO, Captain
District 6

Subject: Cameras Ala Wai Small Boat Harbor

Good morning Captain Hiramoto,

I am sending this email in support to leave the 2 cameras permanently there at the Ala Wai Small Boat Harbor.

I don't understand why they ONLY should be there to protect the people who are attending the upcoming Mayor's Conference. Are these individuals more special than us who live here all year-around and also appreciate protection.

Again, I **STRONGLY** recommend to keep the cameras up permanently!!!!

Thank you, and good luck!

Aloha~

I think this is an excellent idea and should be kept in place permanently. However, the only problem I see is vandalism on the cameras. I'm sure you have all taken this into consideration and hopefully have some kind of solution. Other than that, again, I think this is a great idea and hopefully will deter some of the illegal activities that occur in that parking lot including illegal parking of "non-ocean/beach users" ex: hotel guest/construction workers....

I wish to comment on item#4 under your Land Division agenda for this meeting. The surveillance equipment to be placed at the Ala Wai Boat Harbor can only enhance law enforcement efforts to minimize criminal activities in the area and also a quicker notification/response to an emergency/safety issue that might be happening. Spending twenty-six years in law enforcement and an additional twenty-five years in security (total time on Oahu) I can personally attest that a good camera system strategically placed and monitored will be well worth the cost in carrying out the law enforcement mission in keeping this community safe. The documented event at the harbor location can be extremely help in both criminal and civil matters.

Aloha DLNR:

I have recently become aware of surveillance cameras being installed in the Ala Wai Small Boat Harbor in preparation for the upcoming Mayor's Conference in June-July 2019. I also heard those cameras referred to as temporary. This is an ideal spot for permanent cameras. I understand I am not privy to the details behind this project, but as a representative of the Security community in Waikiki I can confirm security cameras make a difference both with preventing crime and solving crimes. It would be a tragic waste to install these cameras only to have them taken down a short time later. If my opinion matters at all, please leave these cameras permanently installed.

To whom this may concern,

Regarding the matter of "Issuance of Right-of-Entry Permit to the City and County of Honolulu for Placement of Surveillance Equipment on State Lands at the Ala Wai Boat Harbor, Waikīkī, Honolulu, O'ahu, Tax Map Key: (1) 2-3-037: Portions of 012" I would like to submit the following testimony in support of this issuance via email.

As the Senior Director of Safety and Security for Aqua-Aston Hospitality with 19 properties in Waikiki, and 21 other properties in Hawaii I am very supportive of measures that improve the security in surrounding areas. As we can all agree, tourism is a multi-billion dollar industry that impacts almost every household in some form or manner. The installation of these cameras do not have a 'direct' impact on any of our properties but it has a huge impact for the industry in its entirety.

The better that we as a state can provide an enjoyable experience for our 10 million plus visitors the better it is for our economy to sustain it's current level of productivity. In Waikiki our

tourists become innocent victims in many crimes because the probability of them returning to prosecute their perpetrator is very minimal. These cameras will help enhance the surveillance in that area and is proactive in deterring the criminal element in Waikiki.

I am in full support of the issuance of this permit and am available for any questions that you might have. Mahalo for your time and your consideration.

Aloha, Shawn.

This sounds like a great idea and can directly impact the residents and guests at the Ilikai Hotel & Suites. We have vagrancy problems with people who frequent this area (whether homeless or living on a boat at the Ala Wai harbor). Cameras in that area could be helpful in identifying vagrants & thieves, etc. whom cause trouble at the Ilikai and flee to that area.

Respectfully,

Sean Steele

These cameras would be a tremendous help to our communities and visitors if we could have them permanently up and running even after the Mayor's Conference.

Please forward this email to your GM's, Board of Directors, Security Directors, and Managers. The more responses the better.

This email was BCC to everyone so that there isn't a billion emails in everyone's inboxes due to the responses or questions. Learned from the last email LOL!

I left my email and the Captain's email in the CC block. You can send responses to both of us.

Forwarded email

Aloha everyone,

Plans are in place to set up new surveillance cameras in the Ala Wai Small Boat Harbor. The State of Hawaii Land Board only tentatively approved the City (& HPD) for a temporary set up for a duration of six-months for the upcoming Mayor's Conference in June-July 2019. However, the HPD as well as the City wanted to keep it on a permanent basis.

We needed to ask a favor from your respective units. The State will allow us to keep the cameras on a permanent basis only if we can drum-up community support for these two cameras. Would you be able to check with your community contacts/groups to see if they would support this measure (permanent basis) and see if we can get written support to keep it there? (For example, for the HHV and the Ilikai, they would benefit from UEMV prevention for their guests parked in the parking lots, as well as for the HHV, beach theft prevention and now the lei gang going around. Also, in the parking

Aloha Shawn,

I believe it would be a great benefit to keep these cameras up permanently. Many of our guest and team members utilize this area. We are often plagued with issues such as UEMVs, undesirables, drug use, etc. These cameras would help provide a safer environment for everyone who utilizes it, not to mention it is an added tool for our law enforcement to utilize.

Thank you,
Chris

Aloha Sir, regarding the request for input I would like to extend my support for these two cameras. Although I am in Ko Olina our network has proven time and time again that these crimes and the people who commit them do not confine themselves to just Waikiki. Although our circumstances are different our resolve is the same, we not only want to help protect our jobs and visitors we also want to protect our Ohana. If these cameras help us with that even a little bit, (which I believe they do) that is enough for me to lend all of my support.

Subject: Cameras at Ala Wai Boat Harbor

Attn: The Department of Land and Natural Resources, Land Division

Dear Captain Hiramoto,

I am owner of a unit in Ilikai Marina, overlooking Ala Wai Boat Harbor.

This is to strongly support the permanent installation of cameras at the Boat Harbor. Not only will this be a deterrent to future criminal activity, cameras will be important in providing documentary support for improper behavior of all types.

Please let me know if I can support this is other ways.

Mahalo and aloha,

Faruq Ahmad

Aloha, Shawn.

This sounds like a great idea and can directly impact the residents and guests at the Ilikai Hotel & Suites. We have vagrancy problems with people who frequent this area (whether homeless or living on a boat at the Ala Wai harbor). Cameras in that area could be helpful in identifying vagrants & thieves, etc. whom cause trouble at the Ilikai and flee to that area.

Respectfully,

Sean Steele

Account Manager

Owners of Ilikai Apartment Building, Inc.

BOARD OF LAND AND NATURAL RESOURCES

Land Board Conference Room 132

1151 Punchbowl Street

Honolulu, Hawaii 96813

Reference: *Issuance of Right-of-Entry Permit to the City and County of Honolulu for Placement of Surveillance Equipment on State Lands at the Ala Wai Boat Harbor, Waikiki, Honolulu, Oahu, Tax Map Key: (1) 2-3-037: portions of 012.*

Chair Suzanne D. Case and Members,

I am Dave Kajihiro, the Complex Director of Safety & Security for Kyo-ya Hotels & Resorts (Sheraton Waikiki, Moana Surfrider, Princess Kaiulani, and The Royal Hawaiian Resort). I strongly support the installation and long-term use of surveillance equipment at the Ala Wai Boat Harbor.

Initially, I recommend allowing the City & County of Honolulu to install surveillance equipment at the Ala Wai Boat Harbor. It will be a valuable tool in providing security during the 87th Annual Meeting of the United States Conference of Mayors at the Hilton Hawaiian Village being held from June 28 to July 1, 2019. It is important the Honolulu Police Department has the ability to monitor the area for criminal activity due to its close proximity to the conference's venue.

Additionally, I recommend the surveillance equipment be kept open-endedly to monitor criminal activity in the Ala Wai Boat Harbor area on a daily basis. Over the years, there have been thefts from vehicles, robberies, physical assaults, and sexual assaults in the area. Maintaining surveillance equipment in this area will prevent and resolve many future criminal incidents.

In summary, Kyo-ya strongly supports the installation and long-term use of surveillance equipment at the Ala Wai Boat Harbor. Thank you for this opportunity to provide testimony.

Subject: Permanent Cameras at Ala Wai Boat Harbor

Aloha Chair Suzanne Case and DLNR Board Members,

Please keep the cameras at the Ala Wai Boat Harbor on a permanent basis as they are needed due to the crime in the area. We hear of crime at the boat harbor and it is been happening for decades.

Chair Bill Aila had to close the parking lot between "Bowls" and the Hilton Lagoon at night due to illegal activities in the area. There have been deaths and recently a man was found dead underneath his boat.

If we had eyes in the area we would be ahead of the problems and it would be worth the cost. Just knowing that the cameras are installed would deter illegal cars activity.

Thank you for reading my testimony and I hope you keep the cameras installed on a permanent basis. I feel it is a preventive maintenance for our health and safety issue.

Sincerely,
Linda Wong

Placement of Surveillance Equipment on State Lands at the Ala Wai Boat Harbor,
Waikiki, Honolulu, Oahu, Tax Map Key: (1) 2-3-037: portions of 012.

I have become aware the State will allow the City to keep the cameras on a permanent basis if there is community support for two temporary cameras being implemented in the area.

I believe the cameras will help keep the area safer not only for the Boat Harbor residents and recreational users, but also for the surrounding hotels, condos and businesses.

I have personally witnessed happenings in the area which is acknowledged as a "hot spot" for criminal activity.

I aim to stay clear of the area, especially during dark hours.

I have seen people sleeping in cars overnight (perhaps no longer since attention was called to it last year) as well as corner meetings which were quickly and quietly dispersed upon recognition by passers-by.

I am an advocate of overseeing potential unsavory activity in an effort to dissuade rather than confront.

Thank you for allowing me to voice my opinion on this matter.

Re: Time Sensitive and Response Needed ASAP

Detective Shawn Fujimoto, Captain Jarod Hiramoto:

Aloha and thank you for including us in your correspondence pertaining to the installation of high definition cameras in the Ala Wai Boat Harbor and Hilton Hawaiian Village Lagoon areas. The installation of cameras in these locations can only enhance safety and crime prevention. Both of these areas are high use areas for both local Kama'aina and Tourists alike. Ideally we want our visitors to have a positive experience when vacationing here in Hawaii, as opposed to having to fill out a police report for items stolen while they were enjoying our Hawaiian sun and surf. These areas are also frequented by our local community and residents deserve to concentrate on enjoying their beach and surf time without worrying about their parked vehicles or items contained within.

History supports, using China Town as an example, the installation and use of cameras and their influence in crime prevention. Discovery Bay Condominium is in favor and support of the permanent installation of cameras in the designated locations, as well as providing this type of permanent coverage in the surrounding neighborhood areas.

Thank you for initializing the need and support of permanent cameras in the Ala Wai Boat Harbor and Hilton Hawaiian Village Areas.

So please keep up the team mentality and the winning thinking. These cameras would be a tremendous help to our communities and visitors if we could have them permanently up and running even after the Mayor's Conference.

Please forward this email to your GM's, Board of Directors, Security Directors, and Managers. The more responses the better.

This email was BCC to everyone so that there isn't a billion emails in everyone's inboxes due to the responses or questions. Learned from the last email LOL!

I left my email and the Captain's email in the CC block. You can send responses to both of us.

Forwarded email

Aloha everyone,

Plans are in place to set up new surveillance cameras in the Ala Wai Small Boat Harbor. The State of Hawaii Land Board only tentatively approved the City (& HPD) for a temporary set up for a duration of six-months for the upcoming Mayor's Conference in June-July 2019. However, the HPD as well as the City wanted to keep it on a permanent basis.

We needed to ask a favor from your respective units. The State will allow us to keep the cameras on a permanent basis only if we can drum-up community support for these two cameras. Would you be

Aloha Department of Land and Natural Resources, Land Division,

Prince Waikiki formally known as Hawaii Prince Hotel Waikiki has been working closely with Corey Fujioka and his staff at the Ala Wai Boat Harbor. Our main objective is to ensure that we keep our community safe for our guest, staff, employees and all tenants in the area and having the installation of the DLNR cameras on a permanent basis will assist us in achieving this objective by:

- **Detering illegal activity**
- **Assist the Honolulu Police Department with investigations**
- **Keep the tenants and our valued guests & employees safe**

If I may suggest in that another camera be installed in the future near the comfort station located just Ewa of Prince Waikiki which we are responsible to maintain. The activity at this comfort station is heavy and we are constantly repairing broken mirrors, doors and unclogging drains and the list goes on. At times our staff will come across used needles putting their safety in jeopardy.

Prince Waikiki and our staff will continue to support the Ala Wai Boat Harbor community the best we can and your support to assist us and all law enforcement agencies is greatly appreciated.

Mahalo Nui Loa,
Jason Higashi

RE: 2/8/19 Meeting Agenda- Item D, number 4

Aloha Chairperson Case and BLNR Members,

As the area representative, I am writing to support the installation of two new surveillance cameras in the parking lot of the Ala Wai Small Boat Harbor. I understand that this is a security measure for the Mayors' Conference (6/28-7/1) but could become permanent.

Over the years, my office has received numerous complaints about unauthorized people loitering, selling/ abusing drugs, living in their vehicles or in makeshift dwellings in common areas, vandalizing property, and operating a "chop shop," among other public safety concerns. As most of this activity occurs outside normal business hours, DOCARE enforcement officers have not been available to address them.

Security cameras would increase the safety and wellbeing of harbor liveaboards, recreational users, as well as the surrounding businesses and residences. I understand that the Honolulu Police Department would be monitoring the video feed.

Should you have any questions, please feel free to contact me.

Mahalo for your consideration.

To whom it may concern,

Our ohana at The Equus Hotel would appreciate added hi-def cameras in the Waikiki area. We would like to see the ala wai and lagoon area as test sites for a potentially more expansive coverage. It is important to us that our team members feel safe on and around property and that our guests are protected even off property. This would be a great benefit to our Waikiki community.

Mahalo,

Mariah Dailey

Issuance of Right-of-Entry Permit to the City and County of Honolulu for
Placement of Surveillance Equipment on State Lands at the Ala Wai Boat Harbor,
Waikiki, Honolulu, Oahu, Tax Map Key: (1) 2-3-037: portions of 012.

APPLICANT:

City and County of Honolulu

LEGAL REFERENCE:

Section 171-55, Hawaii Revised Statutes ("HRS"), as amended.

LOCATION/AREA:

Portion of Government lands situated at Waikiki, Honolulu, Oahu, identified by Tax Map
Key: (1) 2-3-037: portion of 012, as shown on the map attached as **Exhibit A**.

ZONING:

State Land Use District: Urban
City and County of Honolulu LUO: Public Precinct

TRUST LAND STATUS:

Section 5(a) lands of the Hawaii Admission Act
DHHL 30% entitlement lands pursuant to the Hawaii State Constitution: No

CURRENT USE STATUS:

Encumbered by Governor's Executive Order No. 1795 for Ala Wai Boat Harbor.

CHARACTER OF USE:

Placement, use, maintenance, and removal of surveillance equipment.

TERM:

Six (6) months effective from acceptance of the Right-of-Entry.

RENTAL:

Gratis. Government Agency.

COLLATERAL SECURITY DEPOSIT:

None

CHAPTER 343 - ENVIRONMENTAL ASSESSMENT:

In accordance with Hawaii Administrative Rule ("HAR") Section 11-200-8 and the Exemption List for the Department of Land and Natural Resources reviewed and concurred with by the Environmental Council and dated June 5, 2015, the subject request is exempt from the preparation of an environmental assessment pursuant to Exemption Class No. 3, which states, "Construction and location of single new, small facilities or structures and the alteration and modification of same and installation of new, small, equipment and facilities and the alteration and modification of same", Item 9, which states. "Construction of security features, including fencing, gates, cameras, lighting, and other similar items." See **Exhibit B**.

DCCA VERIFICATION:

Not applicable. Government Agency.

REMARKS:

The City and County of Honolulu ("City") will be hosting the 87th Annual Meeting of the United States Conference of Mayors at the Hilton Hawaiian Village. The conference will be held from June 28, 2019 to July 1, 2019. To increase security measures for the conference, the City has finalized plans to install surveillance cameras at two locations in the Ala Wai Boat Harbor parking area. Exhibit A shows the locations for camera placement.¹

The City has asked for the placement of the cameras as soon as possible in order to test the efficacy of position and operation of the equipment. City proposes to mount the cameras on two light poles in the parking area. The cameras will draw electricity from the light poles, but because the power for the light is on a timer, the City will need to mount batteries

¹ Surveillance camera specifications are available in the file.

on the light poles to supply power during the interim when electricity is not supplied. The batteries will be placed in a steel box to prevent tampering.

The City's Department of Facility Maintenance will take care of installation, maintenance, and removal of the cameras. The Honolulu Police Department will be monitoring the camera video feed. The Division of Boating and Ocean Recreation ("DOBOR") is working with the City on the placement, power source, and access to the video feeds from the cameras. Also, DOBOR will use the right-of-entry period to assess the feasibility of permanent camera placement, evaluating how the process works, coordination framework with the City, and level of community support. Any disposition pertaining to permanent camera placement will be brought to the Board at a later date.

RECOMMENDATION: That the Board:

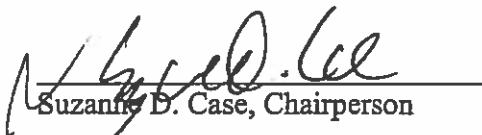

1. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200, HAR, this project will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.
2. Authorize the issuance of a right-of-entry permit to City and County of Honolulu covering the subject area under the terms and conditions cited above, which are by this reference incorporated herein and further subject to the following:
 - A. The standard terms and conditions of the most current right-of-entry permit form, as may be amended from time to time; and
 - B. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.

Respectfully Submitted,

Darlene Bryant-Takamatsu
Land Agent

APPROVED FOR SUBMITTAL:

Suzanne D. Case, Chairperson

Project Location:	Ala Wai Small Boat Harbor, Honolulu, Oahu, Tax Map Key: (1) 2-3-037: portions of 012.
Project Description:	Installation of security cameras in Ala Wai Small Boat Harbor parking area during the U.S. Conference of Mayors 2019.
Chap. 343 Trigger(s):	Use of State Land
Exemption Class No.:	In accordance with Hawaii Administrative Rule Section 11-200-8 and the Exemption List for the Department of Land and Natural Resources reviewed and concurred with by the Environmental Council and dated June 5, 2015, the subject request is exempt from the preparation of an environmental assessment pursuant to Exemption Class No. 3, which states, "Construction and location of single new, small facilities or structures and the alteration and modification of same and installation of new, small, equipment and facilities and the alteration and modification of same", Item 9, which states. "Construction of security features, including fencing, gates, cameras, lighting, and other similar items."
Cumulative Impact of Planned Successive Actions in Same Place Significant:	No. The footprint of the equipment is small and they will be mounted on two existing poles. Therefore, staff does not expect there is any cumulative impact of planned successive actions.
Actions May Have Significant Impact on Particular Sensitive Environment:	No. There will be no disturbances to the ground and vegetation condition at the subject locations. Staff does not expect the project has any significant impact on particular sensitive environment.
Consulted Parties	Division of Boating and Ocean Recreation and Honolulu Police Department
Analysis:	Based on the above mentioned, staff believes there would be no significant impact to sensitive environmental or cultural resources in the area.
Recommendation:	It is recommended that the Board find that this project will probably have minimal or no significant effect on the environment and is presumed to be exempt from the preparation of an environmental assessment.

Exhibit B

**AGENDA
FOR THE MEETING OF THE
BOARD OF LAND AND NATURAL RESOURCES**

DATE: FRIDAY, FEBRUARY 8, 2019
TIME: 9:15 A.M.
PLACE: KALANIMOKU BUILDING
LAND BOARD CONFERENCE ROOM 132
1151 PUNCHBOWL STREET
HONOLULU, HAWAII 96813

In some of the matters before the Board, a person may wish to request a contested case hearing. If such a request is made before the Board's decision, then the Board will consider the request first – before considering the merits of the item before it. A person who wants a contested case may also wait until the Board decides the issue, then request the contested case after the decision. It is up to you. Any request must be made orally by the end of the meeting and followed up in writing within ten days. If no request for contested case is made, the Board will make a decision. The Department will treat the decision as final and proceed accordingly.

C. DIVISION OF FORESTRY AND WILDLIFE

1. Approve Amendment of 2017-2018 Legacy Land Conservation Program Grant Award to Wai'anae Community Re-development Corporation for the Acquisition of 21.1 Acres at Wai'anae, O'ahu, Tax Map Key: (1) 8-7-010:006, to Incorporate the Construction and Operation of a Solar Power Generating Facility by Existing Licensee.

D. LAND DIVISION

1. Issuance of Right-of-Entry Permit to Eleanor Soucy on behalf of Robertson Heating Supply for Beach Olympics Event, Over Unencumbered State Lands at Kalapakī Beach, Kalapakī, Līhu'e, Kaua'i, Tax Map Key: (4) 3-5-002: seaward of 002.
2. Issuance of Right-of-Entry Permit to Maui Interscholastic League, for Event Operations Purposes Related to the 2019 Maui Interscholastic League Surf Meet, at Hāmoa, Hāna, Maui, Tax Map Key: (2) 1-4-007: Portion of 009.

3. Set Aside and Issuance of Management Right of Entry to Department of Education for Agriculture Education Program and Allied Purposes, Kula Elementary School, Kēōkea, Kula, Maui, Tax Map Key: (2) 2-2-003:003.
4. Issuance of Right-of-Entry Permit to the City and County of Honolulu for Placement of Surveillance Equipment on State Lands at the Ala Wai Boat Harbor, Waikīkī, Honolulu, O'ahu, Tax Map Key: (1) 2-3-037: Portions of 012.
5. Issuance of Right-of-Entry Permit to Hawaii Explosives & Pyrotechnics, Inc. for Special Event Aerial Fireworks Display at Duke Kahanamoku Lagoon on February 24 and March 28, 2019, Waikīkī, Honolulu, O'ahu, Tax Map Key: (1) 2-3-037:021 (Portion).
6. Grant of Term, Non-Exclusive Easement to the Marion S. Zoechbauer, Trustee of the Marion S. Zoechbauer Living Trust dated November 12, 2014, for Existing Stairs and Deck Purposes; Issuance of Management Right-of-Entry Permit; Makiki Heights, Honolulu, O'ahu, Tax Map Key: (1) 2-5-020: Portion of 002.
7. Amendment of Grant of Non-Exclusive Easement S-5712 to Thomas Mitsuo Tanaka and Angel Montaine, Co-Trustees of the Thomas Mitsuo Tanaka and Gladys Chisato Tanaka Unrecorded Joint Revocable Living Trust dated June 16, 2000, as amended, for Seawall, Fill Land, Portion of Beach House and Boat Ramp Purposes; Kāneohe, Ko'olaupoko, O'ahu, Tax Map Key: (1) 4-4-018: seaward of 076.

The purpose of amending the document is to (1) insert a provision allowing the easement to "Run with the Land," thereby becoming assignable without the written consent of the Board of Land and Natural Resources. The easement will be appurtenant to and inure to the benefit of the private real property identified as Tax Map Key: (1) 4-4-018:076; (2) updating the insurance provision to meet the current requirements.

8. Grant of Term, Non-Exclusive Easement to Lynette Mau, Trustee of the Lynette Mau Revocable Living Trust dated May 18, 1977, as amended and restated, for Seawall, Steps, and Filled Land Purposes; and, Issuance of Management Right-of-Entry Permit; Kaha'u'u, Ko'olaupoko, O'ahu, Tax Map Key: (1) 4-7-001: seaward of 006 .

J. DIVISION OF BOATING AND OCEAN RECREATION

1. Issuance of a Revocable Permit to Hui Pakolea, for storage of Canoes on Lanikai Beach, Kailua, Island of O'ahu, Hawai'i, seaward of Tax Map Key: (1) 4-3-007:044;

and

Declare Project Exempt from Requirements of Chapter 343, HRS and Title 11, Chapter 200, Hawaii Administrative Rules.

2. Continuation of a Revocable Permit to Atlantis Submarines Hawaii, LLC to operate Submarine Tours and Other Maritime Related Activities at the Honokohau Small Boat Harbor, Island of Hawai'i, Hawai'i, Tax Map Key: (3) 7-4-008:003 (Portion);

and

Declare Project Exempt from Requirements of Chapter 343, HRS and Title 11, Chapter 200, Hawaii Administrative Rules.

3. Continuation of a Revocable Permit ("RP") to A&K Ventures, LLC, for Purposes of Landscaping, Maintenance, Storage of Small Boats and Trailers and Other Activities at Mala Wharf and surrounding areas, Alamihi, Lahaina, Maui, Hawai'i, identified by Tax Map Key: (2) 4-5-005:019;

and

Declare Project Exempt from Requirements of Chapter 343, HRS and Title 11, Chapter 200, Hawaii Administrative Rules.

M. OTHERS

1. Issuance of a Revocable Permit for Temporary Storage of Ground Service Equipment, Air Service Hawaii, Inc., Daniel K. Inouye International Airport, Tax Map Key: (1) 1-1-76: 21 (Portion).
2. Issuance of a Revocable Permit for U.S. Postal Mail Sortation and Ground Service Equipment Storage, Bradley Pacific Aviation, Inc. dba Signature Flight Support, Daniel K. Inouye International Airport, Tax Map Key: (1) 1-1-72: 11 (Portion).

3. Issuance of a Revocable Permit for Storage of Construction Materials and Equipment, Hako Plumbing, Inc. dba Hako Construction, Daniel K. Inouye International Airport, Tax Map Key: (1) 1-1-003: 001 (Portion).
4. Issuance of a Revocable Permit for Construction Field Offices, Kiewit Infrastructure West Co., Daniel K. Inouye International Airport, Tax Map Key: (1) 1-1-003: 065 (Portion).
5. Issuance of a Revocable Permit for Construction Staging Area, Ralph S. Inouye Co., Ltd., Daniel K. Inouye International Airport, Tax Map Key: (1) 1-1-03: 001 (Portion).
6. Issuance of a Revocable Permit for Passenger Check-In, United Airlines, Inc., Daniel K. Inouye International Airport, Tax Map Key: (1) 1-1-003: 042 (Portion).
7. Issuance of a Revocable Permit for Aircraft Parking, Barbers Point Flight School, LLC, Kalaeloa Airport, Tax Map Key: (1) 9-1-13: Portion of 32.
8. Issuance of a Revocable Permit for Aircraft Parking, Jeffrey S. Lefebvre, Kalaeloa Airport, Tax Map Key: (1) 9-1-13: Portion of 32.
9. Issuance of a Direct Lease to Develop, Construct, Operate, and Maintain an Airline Storage Facility for Aircraft Provisioning Supplies in the Main Terminal, Southwest Airlines Co., Kahului Airport, Tax Map Key: (2) 3-8-01: Portion of 19.
10. Issuance of a Revocable Permit for Main Terminal Floor Space for Airline Operations, Southwest Airlines Co., Ellison Onizuka Kona International Airport at Keahole, Tax Map Key: (3) 7-3-43: Portion of 40.
11. Issuance of a Revocable Permit for Office Spaces to Support Post-Secondary Education Workshops in Aircraft Design, Construction and Operation, Old Air Traffic Control Tower Building, EAA Chapter 1182 of Hilo Inc., Hilo International Airport, Tax Map Key: (3) 2-1-12: Portion of 90.
12. Issuance of a Revocable Permit for Space and Vehicle Parking at the Commuter Terminal and for an Aircraft Tie-down, Aloha Helicopter Tours LLC, Līhu'e Airport, Tax Map Key: (4) 3-5-01: Portion of 8.

13. Request to authorize the Department of Transportation (DOT) to dispose of Likelike Highway Federal Aid secondary Project No. S 0630 (1) at Kalihi Valley, Honolulu, Oahu, Hawaii, Remnant R-4, Tax Map Key: (1) 1-3-025:017.
14. Consent to Issue Revocable Permits for Lands under Governor's Executive Order No. 4533, to Fisher Hawaii Inc., One Love Ministries, and Hawaiian Dredging Construction Company, Inc., in Kaka'ako, Honolulu, Oahu, Tax Map Key (1) 2-1-051:041 (pors.)

The Board may go into Executive Session pursuant to Section 92-5(a) (4), Hawaii Revised Statutes, in order to consult with its attorney on questions and issues pertaining to the Board's powers, duties, privileges, immunities, and liabilities.

TO BE PLACED ON THE MOVE UP AGENDA, PLEASE SIGN IN BY 9:00 A.M. THE DAY OF THE MEETING.

Public Testimony: e-mail: blnr.testimony@hawaii.gov

The Sunshine Law gives the public the opportunity to submit testimony, but it is your responsibility to submit written testimony in a timely manner, to give Board members sufficient time to consider written testimony, please submit the testimony no later than 24 hours prior to the Board Meeting.

Any late written testimony will be retained as a part of the record, but we cannot assure that Board members will receive it with sufficient time for review prior to decision-making.

Meeting materials are available for public review in advance of the meeting on our Website: <http://www.dlnr.Hawaii.gov/meetings> or in person at 1151 Punchbowl Street, Rm 131, Honolulu, Hawaii 96813.

INDIVIDUALS REQUIRING SPECIAL ASSISTANCE OR AUXILIARY AIDS OR SERVICES (e.g., sign language interpreter, wheel chair accessibility, or parking designated for the disabled) AT THE BLNR MEETING, PLEASE CONTACT STAFF AT LEAST 72-HOURS PRIOR TO THE MEETING AT (808) 587-0404 SO THAT ARRANGEMENTS CAN BE MADE.

To: Department of Land and Natural Resources

Aloha Mr. Barry Cheung,

This letter is to state our Hotel's support of permanent surveillance cameras being installed at the Ala Wai Small Boat Harbor location. Although our Hotel is located on the other end of Waikiki, any effort to protect our valued visitors to Waikiki, as well as our Kama'aina, should be supported wholeheartedly by the community, as it affects us all. With vehicle break-ins and vehicle theft/robberies rising, providing surveillance cameras will greatly assist HPD in their ongoing efforts to keep all of us safe. We wholeheartedly and unanimously agree this should be approved permanently.

HŌKULI'A

1250 Oceanside, LLC

February 19, 2019

Board of Land and Natural Resources
State of Hawaii
1151 Punchbowl St.
Honolulu, HI 96813

SUBJECT: Request to amend Item D-4 "Amend Grant of Perpetual Non-Exclusive Easements under Land Office Deed (LOD) Nos. S-29,068, S-29,086 and S-29,088, State of Hawaii, Board of Land and Natural Resources, Grantor, to 1250 Oceanside, LLC, Grantee, for Roadway and Utility Purposes, North Kona, Island of Hawai'i, Hawai'i, Tax Map Keys (TMK): (3) 7-9-012:011 (portion); 8-1-004:065 and 079 (portions) for hearing before BLNR on February 22, 2019

Aloha,

My name is Mike Vitousek I am the cultural resource manager for 1250 Oceanside LLC, I work for the developer of the Hokuli'a Community. I am writing to request a small change in the subject application in order to address concerns raised by neighboring lot owners. The current application proposes to relocate Easement R-9 within the Old Government Road (OGR) which is listed on the State Inventory of Historic Properties (SIHP) as site number 50-10-37-10290. The proposed relocated area of Easement R-9 is within the OGR but straddling the boundary of property owned by Ackerman Ranch (TMK 3-7-9-012:011) and 1250 Oceanside LLC (TMK 8-1-004:079). Figure 1. Shows the location of R-9 that is proposed in the subject application.

Consultation with Kuleana Owners:

The intended purpose of easement R-9 is for 1250 Oceanside LLC and its assigns and future lot owners to access across the OGR for Hokuli'a development purposes. One of the groups that may be granted use of the crossing are authorized kuleana owners located within the kailua beach vicinity. 1250

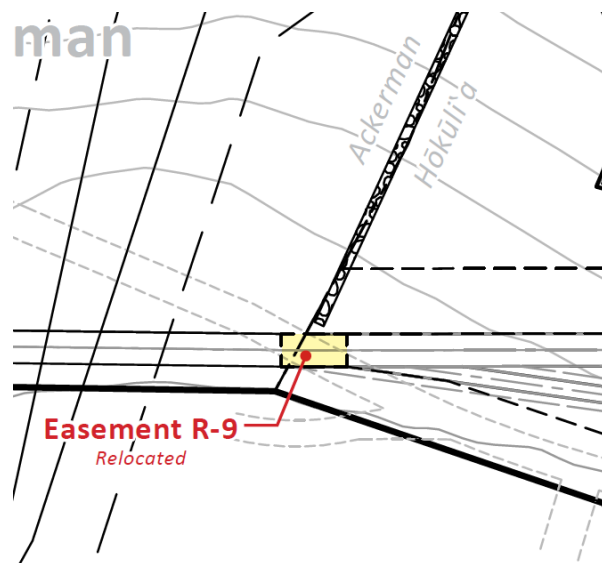

Figure 1. Location of R-9 in the Original application

Oceanside LLC has engaged in consultation with the kuleana owner families over the past few months, and hosted a meeting with the Greenwell, Thompson and Ackerman families on February 11, 2019. At this meeting the Thompson and Greenwell families expressed concern about the proposed location of R-9 as it straddles the Ackerman and Hokuli'a boundary. The kuleana families indicated that the easement should be located entirely within the Hokuli'a property because they believe that the obligation to provide access to their properties is with Hokuli'a and not with Ackerman. They also stated that they believe that moving easement R-9 south so it is entirely within the Hokuli'a property will improve the physical access to their access to their properties. It is the intention of 1250 Oceanside LLC to provide the best access possible for these families while maintaining the value of our

property. We are in full support of their request to locate Easement R-9 within the OGR entirely within Hokuli'a property (TMK 8-1-004:079).

Proposed Amended Location of Easement R-9:

In order to adequately address the concerns raised by the kuleana owners at the February 11, 2019 consultation meeting, 1250 Oceanside LLC proposes to amend the relocated location of easement R-9 by bringing that easement (within the OGR) entirely within the Hokuli'a property. Hereafter referred to as the amended R-9 location. The change from the proposed relocation to the amended location is very small, approximately 5 feet but not more than 10 feet. The exact distance that the easement will have

Figure 2. Approximate location of amended R-9 crossing easement

to move to be completely located within Hokuli'a will be identified through a meets and bounds survey after the conceptual approval of its relocation. There are no physical remnants of the OGR or Ala Loa trail (SIHP 50-1037-21664) in the proposed amended location of easement R-9. This area has been previously breached by a ranch road, and is completely disturbed. There will be no direct effect on intact features of the trail. The easement will not change size, it will just change location in order to better serve its intended purpose. Figure 2 shows the approximate proposed amended location of

easement R-9. The approximate corners of the easement are marked on the ground with survey stakes and the stakes are identified in figure 2 with orange arrows.

The location of the original (un-relocated) R-9 crossing easement was established in a preservation plan Prepared by 1250 Oceanside Partners in 2000. Once the proposed amended relocation is approved by the Board of Land and Natural Resources, the location of R-9 within Hokuli'a would be memorialized in a new preservation plan for the Old Government Road. 1250 Oceanside LLC has hired archaeological consultants from ASM Affiliates to prepare an updated archaeological preservation plan for the Old Government Road (SIHP 10290). The purpose of the updated plan was to remove requirements established in the 2000 preservation plan that would have required resurfacing the trail with modern materials that could have caused adverse effects to the historic integrity of the site. Currently, there is a draft of this preservation plan (prepared by Barna 2017 that is under SHPD review. SHPD has completed the review of this preservation plan. However, acceptance of the preservation plan is on hold pending the outcome of the BLNR decision to relocate the identified easements. Once the relocation is approved by BLNR, the preservation plan can be amended to incorporate any changes that were needed as a result of the consultation, and accepted by SHPD. After the acceptance of the relocated and amended

easement locations by the BLNR and after acceptance of the Preservation plan, 1250 Oceanside LLC will have a meets and bounds description of the amended location of R-9 prepared and recorded.

Consultation with State and Federal Agencies:

1250 Oceanside has discussed the proposed amended location of easement R-9 with multiple state and federal agencies including Department of Land and Natural Resources (DLNR) Land Division, State Historic Preservation Division, Na Ala Hele Program, and the National Park Service Ala Kaha Kai National Historic Trail.

An email received on February 13, 2019 from Kevin Moore of DLNR Land Division stated that "From Land Division's perspective, we would be okay with recommending the slight realignment to the Board as long as SHPD has no issue with it. On February 14, 2019 SHPD Archaeology Branch Chief Susan Lebo was consulted with via telephone. Dr. Lebo stated that SHPD was not opposed to the relocation, but requested that the applicant consult with DLNR Na Ala Hele and National Park Service Ala Kahakai National Historic Trail. On February 14 1250 Oceanside received email confirmation from both the Na Ala Hele Program and Ala Kahakai National Historic Trail that the minor realignment of easement R-9 was acceptable to these agencies. SHPD also provided an email on stating that SHPD can notify Land Division of the approval by consulting parties and that the relocation can be reflected in SHPD's approval of the preservation plan.

Land Division then requested that 1250 Oceanside submit this requested amendment to the BLNR so that the amended location of easement R-9 can be considered at the February 22nd, 2019 meeting.

Thank you very much for your time and consideration.

Mahalo,

Subject: Re: [EXTERNAL] Relocation of Easements on Old Government Road

Aloha Mike,

Thanks for reaching out and consulting with the Ala Kahakai National Historic Trail regarding the proposed minor relocation of Easement R-9.

Ala Kahakai National Historic Trail has no issues with the proposed relocation of Easement R-9 across the Old Government Road to approximately 5 feet south per the description and map provided, and for this relocation to be included in the Barna (2017) preservation plan.

Thanks again for consulting with the Ala Kahakai NHT.

Mahalo nui,

Rick

Subject: FW: Relocation of Easements on Old Government Road

Importance: High

Hello Mike,

Thanks for the very informative discussion. I look forward to receiving written approval from consulting parties to the proposed relocation of Easement R-9 across the Old Government Road to approximately 5 feet south and for this relocation to be included in the Barna (2017) preservation prior to the plan being approved by SHPD.

SHPD can then notify Kevin Moore, DLNR Land Division, of approval by the consulting parties and the proposed revision of the Barna (2017) preservation plan to reflect this relocation prior to SHPD's approval of the preservation plan.

Sincerely,

Susan

Testimony for
Board of Land and Natural Resources
Friday, February 8, 2019, 9:15 a.m. Room 132

Suzanne D. Case, Chair

D-4 Issuance of Right-of-Entry Permit to the City and County of Honolulu for placement of Surveillance Equipment on State Lands at the Ala Wai Boat Harbor

Chair Case and Members of the Board,

This testimony is in STRONG SUPPORT to allowing surveillance equipment in Ala Wai Harbor.

1. Surveillance Equipment in the Ala Wai Harbor area would allow Ilikai security and HPD to work together to track vagrants causing issues on neighboring properties and escaping to hide in the Harbor.
