Pursuant to Section 11-200-8(a), Environmental Impact Statement Rules of the Department of Health, State of Hawai‘i, this disposition is exempt from requirements regarding preparation of an environmental assessment, negative declaration, or environmental impact statement as required by Chapter 343, Hawai‘i Revised Statutes, as amended, relating to Environmental Impact Statements, because the proposed action falls within Exemption Class #1, Comprehensive Exemption List for the State of Hawai‘i, Department of Transportation, dated November 15, 2000, as approved by the Environmental Quality Council. Exemption Class #1 covers operations, repairs, or

maintenance of existing structures, facilities, equipment, or topographical features involving negligible or no expansion or change of use beyond that previously existing.

The DOTA consulted with the U.S. Federal Aviation Administration as to the appropriateness of the citation of the Environmental Exemption Class from the Comprehensive list for the Department of Transportation dated November 15, 2000. The FAA concurred on the appropriateness.
