Board of Land and Natural Resources
State of Hawaii
Honolulu, Hawaii

PSF No. 18MD-088
Maui

Second Amendment to Prior Board action of September 28, 2018, Agenda Item D-3, Cancellation of Governor's Executive Order No. 3586 and Reset Aside to Hawaii Housing Finance and Development Corporation ("HHFDC"); Issuance of Management Right-of-Entry to HHFDC for the Development of a Mixed-Use Project Consisting of Multi-Family Affordable Rental Housing, Office Space/Civic Center, Parking, New Maui Bus Hub and Other Incidental Uses Purposes; Kahului, Maui, Tax Map Key: (2) 3-7-004:003.

The purpose of the second amendment is to consent to HHFDC's issuance of the following right-of-entry ("ROE") permits after Executive Order No. 3586 is cancelled and the land is reset aside to HHFDC: (i) ROE permit to the Department of Education for existing operations of adult education and lawnmower operations, and (ii) ROE permit to Group 70 International, Inc. for site investigation, surveying, master planning, environmental review, and special management area assessment purposes for the Kahului Civic Center Mixed-Use project.

BACKGROUND:

At its meeting of September 28, 2018, under agenda item D-3, the Board of Land and Natural Resources ("Board") approved the cancellation of Governor's Executive Order No. 3586 and reset aside to the Hawaii Housing Finance and Development Corporation ("HHFDC") and the issuance of a management right-of-entry ("ROE") permit to HHFDC for the development of a mixed-use project at Kahului, Maui, TMK: (2) 3-7-004:003 ("Property"). A copy of the September 28, 2018 Board action is included as Exhibit 1 of **Exhibit AA** attached.

The Property is currently set aside to the Department of Accounting and General Services ("DAGS") for Kahului Civic Center purposes and is also utilized by the Department of Education ("DOE") for its adult education program and lawnmower operations center.

Pursuant to Senate Concurrent Resolution No. 145, S.D.1, from the 2017 legislative session, DAGS and HHFDC executed a Memorandum of Understanding to optimize

development of the Property with a mixed-use project, including multi-family affordable rental housing, parking, office space and consideration of DAGS' civic center needs in Kahului. Also, the County of Maui ("County") expressed interest in relocating its bus transit hub to a portion of the Property because it must vacate its current location by January 31, 2020.

At its meeting of January 11, 2019, agenda Item D-2, the Board approved an amendment of its prior action of September 28, 2018 to: (i) consent after the fact to DAGS' issuance of a right-of-entry permit to the County for site investigation and planning purposes, and (ii) consent to HHFDC's issuance of a ROE permit to the County for site investigation and planning purposes, after EO 3586 is cancelled and the land is reset aside to HHFDC. See Exhibit AA.

CHAPTER 343 – ENVIRONMENTAL ASSESSMENT:

In accordance with Section 11-200-8, Hawaii Administrative Rules ("HAR"), and the Exemption List for the Department of Land and Natural Resources reviewed and concurred by the Environmental Council on June 5, 2015, the subject request is exempt from the preparation of an environmental assessment pursuant to Exemption Class No. 1, Item No. 51 and Exemption Class No. 5, Items 22 and 23. See **Exhibit BB**.

REMARKS:

HHFDC is now requesting Board consent to two additional ROEs after EO 3586 is canceled and the land is and reset-aside to HHFDC. HHFDC will issue one ROE to the DOE for existing operations of adult education and lawnmower operations, and will issue the second ROE to Group 70 International, Inc. (Group 70) for site investigation, surveying, master planning, environmental review, and special management area assessment purposes for the Kahului Civic Center Mixed-Use project.

The prior Board action of September 28, 2018, agenda Item D-3, as amended by the Board action of January 11, 2019, agenda Item D-2, did not contemplate the issuance of ROEs to DOE and Group 70. Hawaii Revised Statutes, Section 171-11, requires Board consent to any license or permit longer than 14 days on land set aside to an agency by executive order. Accordingly, as a housekeeping measure, staff is requesting consent for HHFDC to issue the ROEs to DOE and Group 70 once the land is set aside to HHFDC.

Staff solicited comments on the proposed exemption from agencies listed below with the results indicated:

Staff has no issues with this amendment and supports its approval.

RECOMMENDATION:

1. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200, HAR, this project will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.
2. Amend its prior Board action of September 28, 2018, under agenda item D-3, as amended by its prior action of January 11, 2019, under agenda item D-2, by consenting to HHFDC's issuance of the following right-of-entry permits after Executive Order No. 3586 is cancelled and the land is reset aside to HHFDC: (i) right-of-entry permit to the Department of Education for existing operations of adult education and lawnmower operations, and (ii) right-of-entry permit to Group 70 International, Inc. for site investigation, surveying, master planning, environmental review, and special management area assessment purposes for the Kahului Civic Center Mixed-Use project.
3. Affirm that, except as amended hereby, all terms and conditions listed in the Board's September 28, 2018 approval as amended by its prior action of January 11, 2019 to remain the same.

Amend Prior Board action of September 28, 2018, Agenda Item D-3, Cancellation of Governor's Executive Order No. 3586 and Reset Aside to Hawaii Housing Finance and Development Corporation ("HHFDC"); Issuance of Management Right-of-Entry to HHFDC for the Development of a Mixed-Use Project Consisting of Multi-Family Affordable Rental Housing, Office Space/Civic Center, Parking, New Maui Bus Hub and Other Incidental Uses Purposes; Kahului, Maui, Tax Map Key: (2) 3-7-004:003.

The purposes of the amendment are to: (i) consent after the fact to the Department of Accounting and General Services' ("DAGS") issuance of a Right-of-Entry ("ROE") permit to the County of Maui ("County") for site investigation and planning purposes as the land is currently set aside to DAGS under Executive Order ("EO") No. 3586, and (ii) consent to HHFDC's issuance of a ROE permit to the County for site investigation and planning purposes, after EO No. 3586 is cancelled and the land is reset aside to HHFDC.

BACKGROUND:

At its meeting of September 28, 2018, under agenda item D-3 (**Exhibit 1**), the Board of Land and Natural Resources ("Board") approved the cancellation of Governor's Executive Order No. 3586 and reset aside to the Hawaii Housing Finance and Development Corporation ("HHFDC") and the issuance of a management Right-of-Entry ("ROE") permit to HHFDC for the development of a mixed-use project at Kahului, Maui, TMK: (2) 3-7-004:003 ("Property").

The Property is currently set aside to the Department of Accounting and General Services ("DAGS") for Kahului Civic Center purposes, and is currently utilized for the Department of Education's adult education program and lawnmower operations center.

Pursuant to Senate Concurrent Resolution No. 145, S.D.1, from the 2017 legislative session, DAGS and HHFDC executed a Memorandum of Understanding to optimize development of the Property with a mixed-use project, including multi-family affordable rental housing, parking, office space and consideration of DAGS' civic center needs in Kahului. transit hub to a portion of the Property because it must vacate its current location by January 31, 2020.

CHAPTER 343 – ENVIRONMENTAL ASSESSMENT:

In accordance with Section 11-200-8, Hawaii Administrative Rules (“HAR”), and the Exemption List for the Department of Land and Natural Resources reviewed and concurred by the Environmental Council on June 5, 2015, the subject request is exempt from the preparation of an environmental assessment pursuant to Exemption Class No. 1, Item No. 51. See **Exhibit 2**.

REMARKS:

Because of the deadline of January 31, 2020 to relocate the County’s bus hub, DAGS issued a ROE permit for site investigation and planning purposes to the County on October 4, 2018. (See **Exhibit 3**). The prior Board action of September 28, 2018, Agenda Item D-3 did not contemplate the issuance of an ROE by DAGS to the County for the project. Hawaii Revised Statutes, Section 171-11, requires Board consent to any license or permit longer than 14 days on land set aside to an agency by executive order. Accordingly, as a housekeeping measure, staff is requesting after-the-fact consent for DAGS’ issuance of the ROE permit to the County. The County would like to utilize approximately 0.66 acre or 28,600 sq. ft. of the Property, along Vevau Street for its new bus hub, as shown on the attached map labeled **Exhibit 4**.

After EO No. 3586 is cancelled and reset aside to HHFDC, it is requesting consent to issue an ROE permit to the County for site investigation and planning purposes for the County’s new bus hub.

Staff solicited comments on the proposed exemption from agencies listed below with the results indicated:

DHHL 30% entitlement lands pursuant to the Hawaii State Constitution: NO

CURRENT USE STATUS:

Governor's Executive Order No. 3586 setting aside 5.572 acres, more or less, to DAGS for Kahului Civic Center purposes.

PURPOSE OF SET ASIDE:

Development of a mixed-use project consisting of multi-family affordable rental housing, office space/civic center, parking, new Maui bus hub and other incidental uses purposes.

CHAPTER 343 - ENVIRONMENTAL ASSESSMENT:

In accordance with Section 11-200-8, Hawaii Administrative Rules ("HAR") and the Exemption List for the Department of Land and Natural Resources reviewed and concurred by the Environmental Council on June 5, 2015, the subject request is exempt from the preparation of an environmental assessment pursuant to Exemption Class No. 1, Item No. 43. See **Exhibit B**.

Inasmuch as the Chapter 343 environmental requirements apply to Applicant's use of the lands, the Applicant shall be responsible for compliance with Chapter 343, HRS, as amended.

APPLICANT REQUIREMENTS:

Applicant shall be required to process and obtain subdivision or condominium property regime approval, if required, at Applicant's own cost.

REMARKS:

On May 20, 1993, Governor's Executive Order No. 3586 was executed setting aside the land designated as Tax Map Key: (2) 3-7-004:003 ("Parcel 3") to DAGS for Kahului Civic Center purposes. Parcel 3 is currently being utilized for the Department of Education's adult education program and lawnmower operations center.

Pursuant to Senate Concurrent Resolution No. 145, S.D. 1, from the 2017 legislative session (copy attached as **Exhibit C**), DAGS and HHFDC executed a Memorandum of Understanding ("MOU") on February 1, 2018, to optimize development of Parcel 3 with a mixed-use project, including multi-family affordable rental housing, parking,

consideration of DAGS' civic center needs in Kahului, and the County's requirement to vacate its bus hub at the adjacent Queen Kaahumanu Center by January 31, 2020 ("the Project"). The County has expressed interest in relocating its bus hub to Parcel 3.

Although the MOU defined DAGS' and HHFDC's respective roles and responsibilities in pursuing the Project, the County is not party to this MOU. Staff has been informed that DAGS, HHFDC and the County ("the Parties") are currently drafting another MOU to delineate the Parties' respective roles and responsibilities in development of the Project, which was approved by the HHFDC Board on June 14, 2018.

The County's parcel located at 70 South High Street, Wailuku, Maui, designated as Tax Map Key: (2) 3-4-013:014 ("Parcel 14"), located adjacent to DAGS's Wailuku Civic Center, also known as the State Office Building ("SOB"), is an essential component of the Project. The County indicated that Parcel 14 may be available for long-term lease to DAGS for a complementary use with the SOB, subject to County Council approval. The Parties are considering including Parcel 14 as part of the office space/civic center and parking portion of the Project.

HHFDC requests a management right-of-entry for the planning and development of the new Maui bus hub, pending the issuance of the new executive order. The HHFDC Board approved the set aside and management right-of-entry of Parcel 3 on June 14, 2018.

Staff solicited comments on the proposed exemption from agencies listed below with the results indicated:

County of Maui – Housing & Human Concerns	No objections / No comments.
Office of Hawaiian Affairs	No response by suspense date.

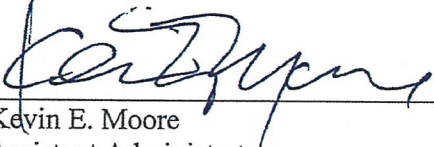

There are no other pertinent issues or concerns, and staff does not have any objections to this request.

RECOMMENDATION: That the Board:

1. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200, HAR, this project will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.
2. Approve of and recommend to the Governor issuance of an executive order canceling Governor's Executive Order No. 3586 and subject to the following:
 - A. The standard terms and conditions of the most current executive order form, as may be amended from time to time;
 - B. Disapproval by the Legislature by two-thirds vote of either the House of Representatives or the Senate or by a majority vote by both in any regular or special session next following the date of the setting aside;
 - C. Review and approval by the Department of the Attorney General; and
 - D. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.
3. Approve of and recommend to the Governor the issuance of an executive order setting aside the subject lands to Hawaii Housing Finance and Development Corporation, under the terms and conditions cited above, which are by this reference incorporated herein and subject further to the following:
 - A. The standard terms and conditions of the most current executive order form, as may be amended from time to time;
 - B. Disapproval by the Legislature by two-thirds vote of either the House of Representatives or the Senate or by a majority vote by both in any regular or special session next following the date of the setting aside;

No, there will be no significant impact to any particularly sensitive environment.

Analysis:

The proposed transfer of management authority from one government agency to another agency through a Governor's executive order will result in no significant impact to the natural, environmental and/or cultural resources in the area, and the action should be found to be exempt from the preparation of an environmental assessment. Inasmuch as the Chapter 343 environmental requirements apply to HHFDC's use of the lands, HHFDC shall be responsible for compliance with Chapter 343, HRS, as amended.

Mr. Don Medeiros, Director
Department of Transportation
County of Maui
2145 Kaohu Street, Suite #102
Wailuku, Hawaii 96793

Dear Mr. Medeiros:

Subject: Right of Entry for State Property
Kahului Civic Center
Tax Map Key (2) 3-7-004:003

Pursuant to the authority granted to me by the Governor under Executive Order No. 3586, I am granting the County of Maui (COM) Department of Transportation and their respective agents, contractors, consultants and/or persons acting for or on their behalf, a right-of-entry (ROE) to the State land identified as TMK: (2) 3-7-004:003, subject to the following terms and conditions:

1. This ROE shall be effective from October 1, 2018, through completion of the tasks outlined in item 2.
2. This ROE shall be for the purposes of conducting site investigations, surveys, soil inspections, geotechnical drilling, and other planning and design related work as may be necessary. Usage other than as prescribed shall not be allowed and may be cause for immediate termination of this ROE, at the discretion of the State of Hawaii, Department of Accounting and General Services (DAGS).
3. This ROE shall be limited to areas identified on the attached site plan labeled as Exhibit A, and those areas necessary for traffic control purposes. All work shall be coordinated with:
Mr. Wade Shimabukuro, DAGS Maui District, at (808) 873-3026
Ms. Christine Kinimaka, DAGS Planning Branch, at (808) 586-0500
4. COM shall require that its contractors, consultants, and/or persons acting for or on its behalf, to indemnify, defend, and hold harmless the State, DAGS, and their officers, employees, and agents from and against all liability, loss, damage, cost, and expense, including all attorneys' fees and all claims, suits, and demands therefore, arising out of or resulting from the acts or omissions of the COM's contractors, consultants, and agents, or

Exhibit 3

subcontractors under this ROE. The duty to defend shall not apply to the City's contractors, consultants, and others who are licensed under Hawaii Revised Statutes Chapter 464. The provisions of this paragraph shall remain in force and effect notwithstanding the expiration or early termination of this ROE.

5. COM shall ensure that its contractors, consultants, if any, and/or persons acting for or on its behalf, shall procure, at their own expense, and maintain during the entire period of this ROE, from an insurance company or companies licensed to do business in the State of Hawaii, a policy or policies of comprehensive public liability insurance, in the amount acceptable to DAGS (\$1,000,000 per incident/\$2,000,000 aggregate) insuring the State of Hawaii against all claims for personal injury, death, and property damage; said policy shall cover the entire ROE area in the control of or use by COM and/or its contractors, consultants and/or persons acting for or on its behalf in the exercise of this ROE.
6. COM, its contractors, consultants and/or persons acting for or on its behalf in the exercise of this ROE, shall comply with all applicable statutes, ordinances, rules and regulations of the Federal, State, and County governments relative to the rights granted herein.
7. COM, its contractors, consultants and/or persons acting for or on its behalf in the exercise of this ROE, shall not cause or permit to escape, disposal or release of any hazardous materials except as permitted by law. COM, its contractors, consultants and/or persons acting for or on its behalf in the exercise of this ROE, shall not allow the storage or use of such materials in any manner not sanctioned by law or by the highest standards prevailing in the industry for the storage and use of such materials, nor allow to be brought onto the ROE area or premises any such materials except to use in the ordinary course of business for COM, its contractors, consultants and/or persons acting for or on its behalf, and then only after written notice is given to DAGS of the identity of such materials and upon DAGS' consent, which consent may be withheld at DAGS' sole and absolute discretion. If any lender or governmental agency shall ever require testing to ascertain whether or not there has been any release of hazardous materials by COM, its contractors, consultants and/or persons acting for or on its behalf, then COM, its contractors, consultants and/or persons acting for or on its behalf shall be responsible for the cost thereof. In addition, COM, its contractors, consultants and/or persons acting for or on its behalf shall execute affidavits, representations and the like from time to time at DAGS' request concerning COM, its contractors, consultants and/or persons acting for or on its behalf best knowledge and belief regarding the presence of hazardous materials on the ROE area or premises placed or released by COM, its contractors, consultants and/or persons acting for or on its behalf.
8. COM, its contractors, consultants and/or persons acting for or on its behalf agree to indemnify, defend, and hold harmless the State, DAGS, and their officers, employees,

and agents, from any damages and claims resulting from the release of hazardous materials on the ROE area or premises occurring while COM, its contractors, consultants and/or persons acting for or on its behalf is/are in possession, or elsewhere if caused by COM, its contractors, consultants and/or persons acting for or on its behalf, as determined by a court of competent jurisdiction, subject to approval by the Maui County Council. These covenants shall survive the expiration or earlier termination of this ROE.

For purposes of this ROE, "hazardous material" shall mean any pollutant, toxic substance, hazardous waste, hazardous material, hazardous substance, or oil as defined in or pursuant to the Resource Conservation and Recovery Act, as amended, the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, the Federal Clean Water Act, or any other Federal, State, or local environmental law, regulation, ordinance, rule, or by-law, whether existing as of the date hereof, previously enforced, or subsequently enacted.

9. COM, its contractors, consultants and/or persons acting for or on its behalf shall maintain and employ debris, pollution and contamination control measures, safeguards and techniques to prevent debris, pollution or contamination to the ocean waters, streams or waterways resulting from COM, its contractors, consultants and/or persons acting for or on its behalf use, maintenance, repair and operation of the ROE area or premises, and shall take immediate corrective action in the event of such pollution or contamination, and shall immediately clean the ROE area or premises and its surrounding waters of such pollutant or contaminant and restore to DAGS' satisfaction the areas affected by such pollution or contamination, all at COM, its contractors, consultants and/or persons acting for or on its behalf own cost and expense.
10. COM, its contractors, consultants and/or persons acting for or on its behalf in the exercise of this ROE, shall use appropriate precautions and measures to minimize inconveniences to surrounding residents, landowners, lessees and the public in general.
11. COM, its contractors, consultants, and/or persons acting for or on its behalf in the exercise of this ROE, shall be responsible for cleaning and restoring the area or premises to its original condition or a condition satisfactory to DAGS prior to termination of this ROE permit.
12. In the event any unanticipated sites or remains such as shell, bone or charcoal deposits, human burials, rock or coral alignments, paving or walls are encountered by COM, its contractors, consultants and/or persons acting for or on its behalf in the exercise of this ROE, COM, its contractors, consultants and/or persons acting for or on its behalf shall stop work and contact the State Historic Preservation Division in Honolulu at 692-8015 immediately.

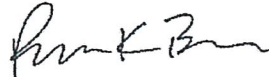

Mr. Don Medeiros, Director
(P)1560.8

13. DAGS reserves the right to impose additional, but responsible terms and conditions at any time it deems necessary while this ROE permit is in force.

If you concur with the above terms and conditions, please acknowledge and return a signed copy of this letter to me.

If you have any questions, your staff may call Mr. David DePonte of the Public Works Division, Planning Branch, at 586-0492.

Sincerely,

RODERICK K. BECKER
Comptroller

Dear Ms. Morikawa

SUBJECT: Chapter 6E-8 Historic Preservation Review –
Amend Prior Board Action of September 28, 2018, Item D-3 Cancellation of Governor's
Executive Order No 3586 and Reset Aside to Hawaii Housing Finance and Development
Corporation (HHFDC); Issuance of Right-of-Entry to HHFDC for the Development of a
Mixed-Use Project Consisting of Multi-Family Affordable Housing, Rental Housing, Office
Space/Civic Center, Parking, New Maui Bus Hub and Other Incidental Uses
Ref No.: PSF 18MD-088, LD-lm
Wailuku Ahupua'a, Pu'ali Komohana District, Island of Maui
TMK: (2) 3-7-004:003

This letter provides the State Historic Preservation Division's (SHPD's) review comments regarding the subject proposal. SHPD received this submittal on November 8, 2018. The submittal indicates that the purpose for these amendments is to: (1) consent after-the-fact to the Department of Accounting and General Services' (DAGS') issuance of a Right-of-Entry (ROE) to the County of Maui (County) for site investigation and planning purposes as the land is currently set aside to DAGS under Executive Order (EO) No. 3586; and (2) consent to HHFDC's issuance of a ROE permit to the County for site investigation and planning purposes, after EO No. 3586 is cancelled and the land is reset aside to HHFDC. The present project area is the 5.527-acre property owned by the State of Hawaii, identified as TMK: (2) 3-7-004:003.

This submittal indicates that on September 30, 2018, under agenda item D-3, the Board of Land and Natural Resources (BLNR) approved the cancellation of EO No. 3586 and reset aside to the HHFDC and approved issuance of a management ROE permit to HHFDC for the development of a mixed-use project. Currently, the property is set aside to DAGS for Kahului Civic center purposes and is currently utilized for the State Department of Education's (DOE's) adult education program and lawnmower operations center. During the 2017 State Legislative Session, DAGS and HHFDC executed a Memorandum of Understanding (MOU) to optimize development of this State-owned property with a mixed-use project, including multi-family affordable rental housing, parking, office space and consideration of DAGS's civic center needs. Additionally, the County expressed interest in relocating its bus transit hub to a portion of the property. The County must vacate its current location by January 31, 2020.

In a letter dated August 30, 2018, SHPD made a determination of no historic properties affected for the proposed demolition of two dilapidated wooden structures on the Maui Community School Adult Building campus (Log No. 2018.01945, Doc. No.1808KN12). Additionally, SHPD records indicates this parcel has not been surveyed for historic properties, and that no historic properties have been identified. The USDA identifies the soils within the present project area as puuone sand (PZUE) (Foote et al. 1972).

Based on the information provided, SHPD has no objections to the above actions.

EXEMPTION NOTIFICATION:

Regarding the preparation of an environmental assessment pursuant to Chapter 343, HRS and Chapter 11-200, HAR

Project Title: Second Amendment to Prior Board action of September 28, 2018, Agenda Item D-3, *Cancellation of Governor's Executive Order No. 3586 and Reset Aside to Hawaii Housing Finance and Development Corporation ("HHFDC"); Issuance of Management Right-of-Entry to HHFDC for the Development of a Mixed-Use Project Consisting of Multi-Family Affordable Rental Housing, Office Space/Civic Center, Parking, New Maui Bus Hub and Other Incidental Uses Purposes; Kahului, Maui, Tax Map Key: (2) 3-7-004:003.*

The purpose of the second amendment is to consent to HHFDC's issuance of the following right-of-entry ("ROE") permits after Executive Order No. 3586 is cancelled and the land is reset aside to HHFDC: (i) ROE permit to the Department of Education ("DOE") for existing operations of adult education and lawnmower operations, and (ii) ROE permit to Group 70 International, Inc. for site investigation, surveying, master planning, environmental review, and special management area assessment purposes for the Kahului Civic Center Mixed-Use project.

Project / Reference No.: PSF No. 18MD-088

Project Location; Kahului, Wailuku, Maui, TMK: (2) 3-7-004:003

Project Description: Consent to HHFDC's issuance of ROE permits to DOE for existing operations of adult education and lawnmower operations, and to Group 70 International, Inc. for site investigation, surveying, master planning, environmental review, and special management area assessment purposes for the Kahului Civic Center Mixed-Use project.

Chap. 343 Trigger(s): Use of State Land and Funds

Exemption Class No.: In accordance with Hawaii Administrative Rules Section 11-200-8 and the Exemption List for the Department of Land and Natural Resources approved by the Environmental Council and dated June 5, 2015, the subject request is exempt from the preparation of an environmental assessment pursuant to Exemption Class No. 1 that states "Operations, repairs or maintenance of existing structures, facilities, equipment, or topographical features, involving negligible or no expansion or change of use beyond that previously existing" and Item No. 51, that states "Permits, licenses, registrations, and rights-of-

entry issued by the Department that are routine in nature, involving negligible impacts beyond that previously existing;" and Class No. 5 that states "Basic data collection, research, experimental management, and resource evaluation activities which do not result in a serious or major disturbance to an environmental resource," and Item Nos. 22 and 23 that state "Conduct planning and feasibility studies," and "Permission to enter state lands for the purpose of conducting those activities listed above," respectively.

Cumulative Impact of
Planned Successive
Actions in Same Place
Significant?

No. The proposed request for the right-of-entry permit in the area will have no cumulative impacts to the environment.

Actions may have
Significant Impact on
Particularly Sensitive
Environment?

No. The action proposed will have no significant impact to particularly sensitive environment.

Analysis:

There are no known significant impacts to the natural and environmental resources in the area. As such, staff believes that the request would involve negligible or no expansion or change in use of the subject area beyond that previously existing.

Consulted Parties:

Agencies listed in attached submittal.

Declaration:

That the Board find this project will probably have minimal or no significant effect on the environment and is presumed to be exempt from the preparation of an environmental assessment.
