ITEM D-6 Recommendation to the Governor to Accept the Final Environmental Impact Statement for the Proposed Department of Land and Natural Resources Industrial and Business Park at Pulehunui, Maui, Tax Map Key: (2) 3-8-008:001 (por.).

Ian Hirokawa, Land Division. The request is to have the Governor accept the EIS. Provided a picture board of the area for the Board to view and the uses of the abutting land. This project is to help the small businesses. Consultants and Lawyers are present to answer any questions. Russell Tsuji- noted an access point.

Board Discussion
Gomes asked where are you getting water from? Hirokawa noted it comes from the County, surface water, filling a well on the property.

Gomes, Mahi Pono has 11 wells and DOA is looking at those as well.

Downing, what are the terms of the lease going to be, Hirokawa said there are options they are looking at, Master Commercial Lease, Standard Land Lease. Tsuji, if this gets approve, the process may take 5-years before construction can start in 2025, 2038-2039 full occupancy.

Hirokawa answered Oi’s question relating to the Land Use Commission for a zoning change to urban which would allow light industrial use and be in-line with the County.

Public Testimony-none

MOTION
Approved as submitted (Gomes, Gon) unanimous.

190308_0115/00:18:15

Davis Yogi, DOT-Harbors. Provided a brief summary. Working towards converting from the RP to Lease.
Board Discussion
Downing asked if they have the fueling rights before? Yogi, yes through Chevron, the strategy gave Akana an acceptance of liability transfer over to Big Island Energy. That key is the reason for direct negotiation.

Determine by appraisal? What are you going to use? Vacant Land, 55-lease, reduction of rent due $700,000 improvements. Yogi says it meets Statue requirement.

There was further discussion regarding appraisals, competition, indemnification and liability as well as negotiating as lease versus auction.

Case asked to see the Indemnity agreement.

Wes Lee, Big Island Energy, Maui Oil is part of Big Island Energy. He provided information regarding the business plan.

Yogi, noted that he is looking for guidance and once we get an appraisal he will share it with the Board and anything else the Board asks for. We are doing business differently and transparency is key.
