DEPARTMENT OF LAND AND NATURAL RESOURCES
Division of Boating and Ocean Recreation
Honolulu, Hawaii 96819

June 28, 2019

Chairperson and Members
Board of Land and Natural Resources
State of Hawaii
Honolulu, Hawaii

Land Board Members:

SUBJECT: RENEWAL OF 28 REVOCABLE PERMITS ON THE ISLANDS OF OAHU, MAUI, HAWAII AND KAUAI, SEE **EXHIBIT E** FOR LIST OF REVOCABLE PERMITS.

AND

DECLARE PROJECT EXEMPT FROM REQUIREMENTS OF CHAPTER 343, HRS AND TITLE 11, CHAPTER 200, HAWAII ADMINISTRATIVE RULES.

HRS CHAPTER 343 – ENVIRONMENTAL ASSESSMENT:

In accordance with the Exemption List for the Department of Land and Natural Resources, approved by the Environmental Council on June 5, 2015, the subject action is exempt from the preparation of an environmental assessment pursuant to Exemption Class 1, “Operations, repairs, or maintenance of existing structures, facilities, equipment, or topographical features, involving negligible or no expansion or change of use beyond that previously existing.”

BACKGROUND:

Since the last renewal of the revocable permits on May 25, 2018, the following permit has been cancelled:

RP#	Permittee	Area	TMK	Monthly Rent	Date Cancelled	Use	Remarks
5	GKM, Inc.	9 ac.	(3) 7-4-008:003 (por)	\$7,311.45	10/31/2018	Boat/trailer storage facility and employee parking.	RP terminated following the sale of lease at public auction.

Staff is continuing its work to convert revocable permits to long term dispositions, where practicable. To this end, it has procured an appraisal for RP No. 47, issued to A&K Ventures, which the Board renewed earlier this year, and anticipates selling the lease at public auction by the end of the year.

Staff has also identified numerous revocable permits which should be converted to long term dispositions.

The following is staff's timetable to convert these permits:

Near Term (1-3 years)

RP#	Permittee	Remarks
1	Cates Marine Services, LLC Exhibit A-2	Staff believes that a long-term lease is the appropriate disposition for this property and will shortly begin work to sell a lease at public auction
3	Dolphin Excursions Exhibit A-3	Staff believes that a long-term lease is the appropriate disposition for this property and will shortly begin work to sell a lease at public auction
4	Dolphin Excursions Exhibit A-3	Staff believes that a long-term lease is the appropriate disposition for this property and will shortly begin work to sell a lease at public auction
17	Maalaea Boat & Fishing Club Exhibit B-3	Staff believes that a long-term lease is the appropriate disposition for this property and will begin work shortly to sell a lease at public auction
19	Maui Oil Company, Inc. Exhibit B-3	Staff will begin work on a Diesel Fuel Concession for Maalaea SBH
20	Maui Petroleum, Inc. Exhibit B-3	Staff will begin work on a Fuel Concession for Maalaea SBH
26	Pacific Biodiesel Logistics, LLC Exhibit B-3	Staff will begin work on a Bio-Diesel Fuel Concession for Maalaea SBH
28	Surf N' Sea, Inc. Exhibit A-4	Staff believes that a long-term lease is the appropriate disposition for this property and will shortly begin work to sell a lease at public auction
30	Trilogy Corporation Exhibit B-5	Staff is working with the permittee to convert the permit to a non-exclusive easement
34	Diamond Parking Lahaina Exhibit B-4	Staff is currently working on a parking concession for the LSBH
50	Nawiliwili Yacht Club Exhibit D-1	Staff is working to convert this revocable permit to directly negotiated lease with Kauai Sailing Association

Medium Term (3-5 years)

RP#	Permittee	Remarks
6	Hawaii Big Game Fishing Club Exhibit C-1	Staff believes that a long-term lease is the appropriate disposition for this property and will begin work within the next few years to sell a lease at public auction
7	Hawaii Island Paddle Sports Assoc. Exhibit C-1	Staff believes that a long-term lease is the appropriate disposition for this property and will begin work within the next few years to sell a lease at public auction
8	Hawaii Petroleum Exhibit C-2, C-3 & C-4	Staff will work within the next few years to convert this revocable permit to a concession
12	Island Ice Company Exhibit B-2	Staff will look at the possibility of converting this revocable permit to a license
14	Keahole Point Fish, LLC Exhibit C-1	Staff believes that a long-term lease is the appropriate disposition for this property and will begin work within the next few years to sell a lease at public auction
15	The Kona Sailing Club Exhibit C-1	Staff believes that a long-term lease is the appropriate disposition for this property and will begin work within the next few years to sell a lease at public auction
25	Outfitters Kauai, Ltd. Exhibit D-1	Staff believes that a long-term lease is the appropriate disposition for this property and will begin work within the next few years to sell a lease at public auction
31	True Blue Exhibit D-1	Staff believes that a long-term lease is the appropriate disposition for this property and will begin work within the next few years to sell a lease at public auction
35	Horizons Pacific, Inc. Exhibit C-2	The permittee is using a small space within a building location on the Kailua-Kona Pier.

REMARKS:

The list of the 28 revocable permits staff recommends be renewed for fiscal year 2020 is attached as **Exhibit E**. Included in the exhibit are the revocable permit number, permittee names, tax map keys, land trust status, original commencement date of the permit, character of use, land area, annual rent, method by which staff set the rent and the rationale behind the issuance of the permit. Location maps of the revocable permits are attached as **Exhibits A, A-1 to 5, B, B-1 to 5, C, C-1 to 5, D, and D-1**.

The Division of Boating and Ocean Recreation procured a contract with Brian Goto and James Hallstrom of CBRE, Inc. (Appraiser) for appraisal services to assist in valuing the rent to charge for the use of State lands underlying 18 revocable permits statewide as of July 1, 2016.

The Appraiser recommends a 2-3% increase per annum in the revocable permit rents, depending on the desirability of the premises. Previous submittals for the renewal of revocable permits did not include an increase in rents. With the exception of those permits issued to non-profits, staff is therefore recommending that the annual rental for the permits it seeks to renew in this submittal be increased by nine percent (9%), or three percent (3%) per annum since the issuance of the permit.

The following State and County agencies were consulted on this action with the results indicated:

Agency:	Comment:
Division of Aquatic Resources	See Exhibit F - RP 17 has been contacted regarding potential illicit discharges and has been given notice to cure deficiencies.
Office of Conservation and Coastal Lands	See Exhibit G
Division of Conservation and Resources Enforcement	Did not respond by suspense date
DOBOR-Oahu District	No objections
DOBOR-Maui District	No objections
DOBOR-Hawaii District	No objections
DOBOR-Kauai District	No objections
Land Division-Oahu, Hawaii	No comments
Office of Hawaiian Affairs	Did not respond by suspense date
CCH Department of Planning and Permitting	No comments & no objections
COM Planning Department	Recommended minimal to no charge for the landscape easement
COH Planning Department	No comments
COK Planning Department	Did not respond by suspense date

RECOMMENDATION:

That the Board of Land and Natural Resources:

1. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200, Hawaii Administrative Rules, this project will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment; and
2. Approve the continuation of the revocable permits listed in **Exhibit E** on a month-to-month basis for another one-year period, from July 1, 2019, to June 30, 2020, except for permits that are in arrears of rental payment for more than 60 days and/or have been approved for forfeiture by a separate Board action. Permits in arrears of rental for 60 days or more and/or approved by the Board for forfeiture shall not be renewed; and

approved for forfeiture by a separate Board action. Permits in arrears of rental for 60 days or more and/or approved by the Board for forfeiture shall not be renewed; and

3. Delegate to the Chairperson the authority to adjust the rent for any revocable permit in accordance with the rents listed in **Exhibit E**.

Respectfully Submitted,

EDWARD R. UNDERWOOD, Administrator
Division of Boating & Ocean Recreation

EXEMPTION NOTIFICATION

Regarding the preparation of an environmental assessment pursuant to Chapter 343, HRS and Chapter 11-200, HAR

Project Title:	Renewal of 28 Revocable Permits (RPs) on the Islands of Oahu, Maui, Hawaii and Kauai, See Exhibit E for the list of RPs.
Project / Reference No.:	
Project Location:	See Exhibits A, B, C & D for locations and Exhibit E the list of 28 RPs.
Project Description:	See Exhibit E for the list of RPs descriptions.
Chap. 343 Trigger(s):	Use of State Land
Exemption Class No(s):	Exemption Class No. 1, Item No. 51 that states: "Permits, licenses, registrations, and rights-of-entry issued by the Department that are routine in nature, involving negligible impacts beyond that previously existing."
Cumulative Impact of Planned Successive Actions in Same Place Significant?	No, the requested locations have had the same use since the last renewal. Therefore, staff believes the use of the lands for the continuation of these revocable permits have no significant effect on the environment.
Action May have Significant Impact on Particularly Sensitive Environment?	No, staff does not believe the continuation of these RPs will have a significant impact on the respective environments.
Analysis:	The current permittees have used the locations for the same purposes since the last renewal. Staff believes that the requests would involve negligible or no expansion or change in use of the subject locations beyond that previously existing. DOBOR would also like to ensure there is a continuous uninterrupted presence on these sites in order to deter any unwanted activity that usually occurs on vacant lands.
Consulted Parties:	Agencies list in submittal
Declaration	The Board finds that these projects will probably have minimal or no significant effect on the environment and declares that these projects are exempt from the preparation of an environmental assessment.

Comments

Out of the 28 revocable permits listed DAR has some concerns about Maalaea boat and fishing club which is number 17 on the list. The concerns for that particular lease are listed below. The current haul out and boat dry dock operations is not being done with any real effort to mitigate environmental impacts. Bottom paint is often sanded and/or pressure washed off of the boats and flows directly into the harbor waters. Fiberglass work is conducted out in the open with fine fiberglass powder blowing off of boats and into the ocean. If a long term lease is provided to allow for this on-going dry dock use, it seems appropriate environmental controls should be put in place to prevent pollutants from entering the nearshore waters of the bay and harbor.

One other concern raised was that DAR is currently using this space as temporary office space until their office in Wailuku is completed. It is unclear if the proposed action would impact the current use or not.
