

STATE OF HAWAII  
DEPARTMENT OF LAND AND NATURAL RESOURCES  
Division of Boating and Ocean Recreation  
Honolulu, Hawaii 96819

September 13, 2019

Chairperson and Members  
Board of Land and Natural Resources  
State of Hawaii  
Honolulu, Hawaii

Land Board Members:

SUBJECT: AMENDMENT OF PRIOR BOARD ACTION OF APRIL 26, 2019, (ITEM J-1) WHICH AMENDED THE BOARD'S ACTION OF FEBRUARY 22, 2019, (ITEM J-3) FOR ISSUANCE OF A REVOCABLE PERMIT ("RP") TO MAKANI CHARTERS, INC., FOR A COVERED AREA USED FOR STORAGE AND RECREATION AT HONOKOHAU SMALL BOAT HARBOR, KAILUA-KONA, HAWAII, IDENTIFIED BY TAX MAP KEY: (3) 7-4-008:003 (PORTION).

THE PURPOSE OF THE APRIL 26, 2019, AMENDMENT WAS TO CORRECT THE COMPANY NAME FROM "MAKANI CHARTERS, INC. TO MAKANI KAI CHARTERS, INC., AND THE AREA FROM 200 SQ FT TO 449 SQ. FT. WITH RENT FROM \$100.00 TO \$224.50.

THE PURPOSE OF THIS AMENDMENT IS TO REVISE THE REVOCABLE PERMIT AREA FROM 449 SQ. FT. TO 200 SQ. FT. AND THE RENT FROM \$224.50 TO \$100.00.

BACKGROUND:

On February 22, 2019, under agenda item J-3, the Board approved the issuance of revocable permits ("RP") for 34 covered areas used for storage and recreation use at Honokohau Small Boat Harbor and found the project to be exempt from the preparation of an Environmental Assessment according to the Department's exemption list approved by the Environmental Council on June 5, 2015. A copy of the approved Board submittal is attached as "**Exhibit B**".

On April 26, 2019, under agenda item J-1, the Board approved to Amend its prior Board action of February 22, 2019, agenda item J-3, by amending the company name from "Makani Charters,

Inc. to “Makani Kai Charters, Inc. and amending the size of the area from 200 square feet to 449 square feet. A copy of the approved Board submittal is attached as “**Exhibit A**”.

REMARKS:

Makani Kai Charters, Inc. is one of 34 permittees that have a pavilion in addition to their mooring permit at Honokohau Small Boat Harbor. In order to address the numerous permanent structures that were constructed on State lands adjacent to the vessel moorings in the harbor, the Board authorized the issuance of RP’s to the permittees who chose to keep the structures as part of their moorings at the February 22, 2019, Item J-3, Board meeting. Harbor staff was required to measure each one of the proposed areas in order to determine square footage. During this process, there was some confusion as to the actual size of this particular RP area.

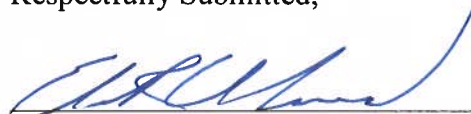

The Applicant indicated to staff that the size of the amended RP area was incorrect and should have not been changed. In order to ensure that the RP area was correct, staff remeasured the area and confirmed that the area is 200 square feet “**Exhibit C**”.

RECOMMENDATION:

That the Board of Land and Natural Resources:

1. Amend its prior Board action of April 26, 2019, agenda item J-1, by deleting “Area Used” at 449 sq. ft. and “\$224.50” under “Monthly Cost @ \$.50/sq. ft.” and replacing it with “Area Used” at 200 sq. ft. and “\$100.00” under “Monthly Cost @ \$.50/sq. ft.”
2. Except as amended hereby, all terms and conditions in Board approvals listed in its February 22, 2019, Item J-3 and April 26, 2019, Item J-1, to remain the same.

Respectfully Submitted,

EDWARD R. UNDERWOOD, Administrator  
Division of Boating & Ocean Recreation

APPROVED FOR SUBMITTAL:

SUZANNE D. CASE, Chairperson  
Board of Land and Natural Resources

Attachment:

- A. Prior Board action dated April 26, 2019, Item J-1
- B. Prior Board action dated February 22, 2019, Item J-3
- C. Makani Kai Charters, Inc. Area Map

# Exhibit A

Approved by the  
Board of Land and Natural Resources  
April 26, 2019

STATE OF HAWAII  
DEPARTMENT OF LAND AND NATURAL RESOURCES  
Division of Boating and Ocean Recreation  
Honolulu, Hawaii 96819

April 26, 2019

Chairperson and Members  
Board of Land and Natural Resources  
State of Hawaii  
Honolulu, Hawaii

Land Board Members:

REQUEST TO AMEND PRIOR BOARD ACTION OF FEBRUARY 22, 2019, (ITEM J-3) FOR ISSUANCE OF A REVOCABLE PERMIT (“RP”) TO MAKANI CHARTERS, INC., FOR A COVERED AREA USED FOR STORAGE AND RECREATION AT HONOKOHAU SMALL BOAT HARBOR, KAILUA-KONA, HAWAII, IDENTIFIED BY TAX MAP KEY: (3) 7-4-008:003 (PORTION). THE PURPOSE OF THIS AMENDMENT IS TO REVISE THE SLIP OWNER FROM MAKANI CHARTERS, INC. TO MAKANI KAI CHARTERS, INC., THE AREA FROM 200 SQ. FT. TO 449 SQ. FT. AND THE RENT FROM \$100.00 TO \$224.50.

## BACKGROUND:

On February 22, 2019, under agenda item J-3, the Board approved revocable permits (“RP”) for 34 covered areas used for storage and recreation at Honokohau Small Boat Harbor and found the project to be exempt from the requirement of Chapter 343, Hawaii Revised Statutes and Chapter 11-200 Hawaii Administrative Rules. A copy of the approved Board submittal is attached as “**Exhibit B**”. A proposed RP is incorrectly identified as Makani Charters, Inc., on an area of 200 sq. ft. and rent of \$100.00. The proposed RP should have been identified as Makani Kai Charters, Inc., on an area of 449 sq. ft. and rent of \$224.50.

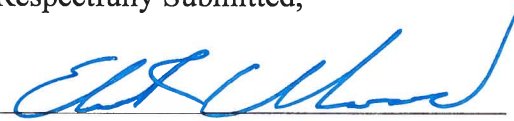

## RECOMMENDATION:

That the Board of Land and Natural Resources:

1. Amend its prior Board action of February 22, 2019, agenda item J-3, by deleting “Makani Charters, Inc.” under “Slip Owner”, “200.00” under “Area Used” and “\$100.00” under “Monthly Cost @ \$.50/sq. ft.” and replacing it with “Makani Kai Charters, Inc.” under “Slip Owner”, “449.00” under “Area Used” and “\$224.50” under “Monthly Cost @ \$.50/sq. ft.”
2. Except as amended hereby, all terms and conditions listed in its February 22, 2019 Item J-3, Board approval to remain the same.

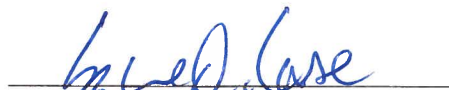

**Item J-1**

Respectfully Submitted,

EDWARD R. UNDERWOOD, Administrator  
Division of Boating & Ocean Recreation

Place of business registration confirmed:	YES <u>X</u>	NO
Registered business name confirmed:	YES <u>X</u>	NO
Applicant in good standing confirmed:	YES <u>X</u>	NO

CHAPTER 343 – ENVIRONMENTAL ASSESSMENT:

In accordance with the “Comprehensive Exemption List for the Division of Boating and Ocean Recreation, Department of Land and Natural Resources, State of Hawaii, as concurred in by the Environmental Council, State of Hawaii”, dated June 5, 2015, the subject request is exempt from the preparation of an environmental assessment pursuant to Exemption Class No. 1 that states in pertinent part, “Operations, repairs, or maintenance of existing structures, facilities, equipment or topographical features, involving negligible or no expansion or change of use beyond that previously existing.” This project is exempt from the preparation of an EA pursuant to the following exemption:

Item No. 51. Permits, licenses, registrations, and rights-of-entry issued by the Department that are routine in nature, involving negligible impacts beyond that previously existing.

In consultation with the Land Division (LD), regarding HRS Chapter 343, they concurred that this RP met our Chapter 343, HRS, and chapter 11-200, HAR, this project will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.

REMARKS:

Over the years, numerous mooring permit holders at the Honokohau SBH have built permanent structures on State lands adjacent to their slips. These structures, which range in size from 16 to 832 square feet, consist of enclosed wood-clad storage sheds and wood-framed open-sided pavilions.

For the most part, construction was done without the consent of the Division of Boating and Ocean Recreation (DOBOR), and the lands continue to be used without the proper dispositions or payment of rents.

Staff requests the Board approve the issuance of revocable permits to the applicants listed in Exhibit B for the use of state lands. Since the commercial-use permits associated with these structures have a term not to exceed one year, and must be renewed annually, staff believes that revocable permits are the appropriate disposition in this instance. Staff further believes that there is no need for the mooring permits and revocable permits to be coterminous, as each may be terminated within 30 days.

RECOMMENDATION:

That the Board of Land and Natural Resources:

1. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200, Hawaii Administrative Rules, this project will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.

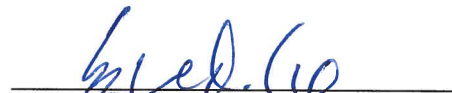

2. Authorize issuance of revocable permits at Honokohau SBH to applicants listed in Exhibit B, under the terms and conditions cited above, which are by this reference, incorporated herein and further subject to the following:
  - a. The standard terms and conditions of the most current Revocable Permit form, as may be amended from time to time; and
  - b. Review and approval by the Department of the Attorney General.
  - c. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.

Respectfully Submitted,

EDWARD R. UNDERWOOD, Administrator  
Division of Boating & Ocean Recreation

# AMENDMENT J-3

## February 22, 2019

---

**Cassidy, Jaimelynn M**

**From:** Howard, Richard T  
**Sent:** Wednesday, March 06, 2019 3:29 PM  
**To:** Cassidy, Jaimelynn M  
**Subject:** BLNR Meeting of 2-22, Item J-3

Jaime,

The subject agenda item from the BLNR's meeting on 2/22/19 was approved as amended:

J&M Fishing Inc., slip # A-6.5 was deleted from Exhibit B.

Mahalo, Richard

**EXEMPTION NOTIFICATION**

Regarding the preparation of an environmental assessment pursuant to Chapter 343, HRS and Chapter 11-200, HAR

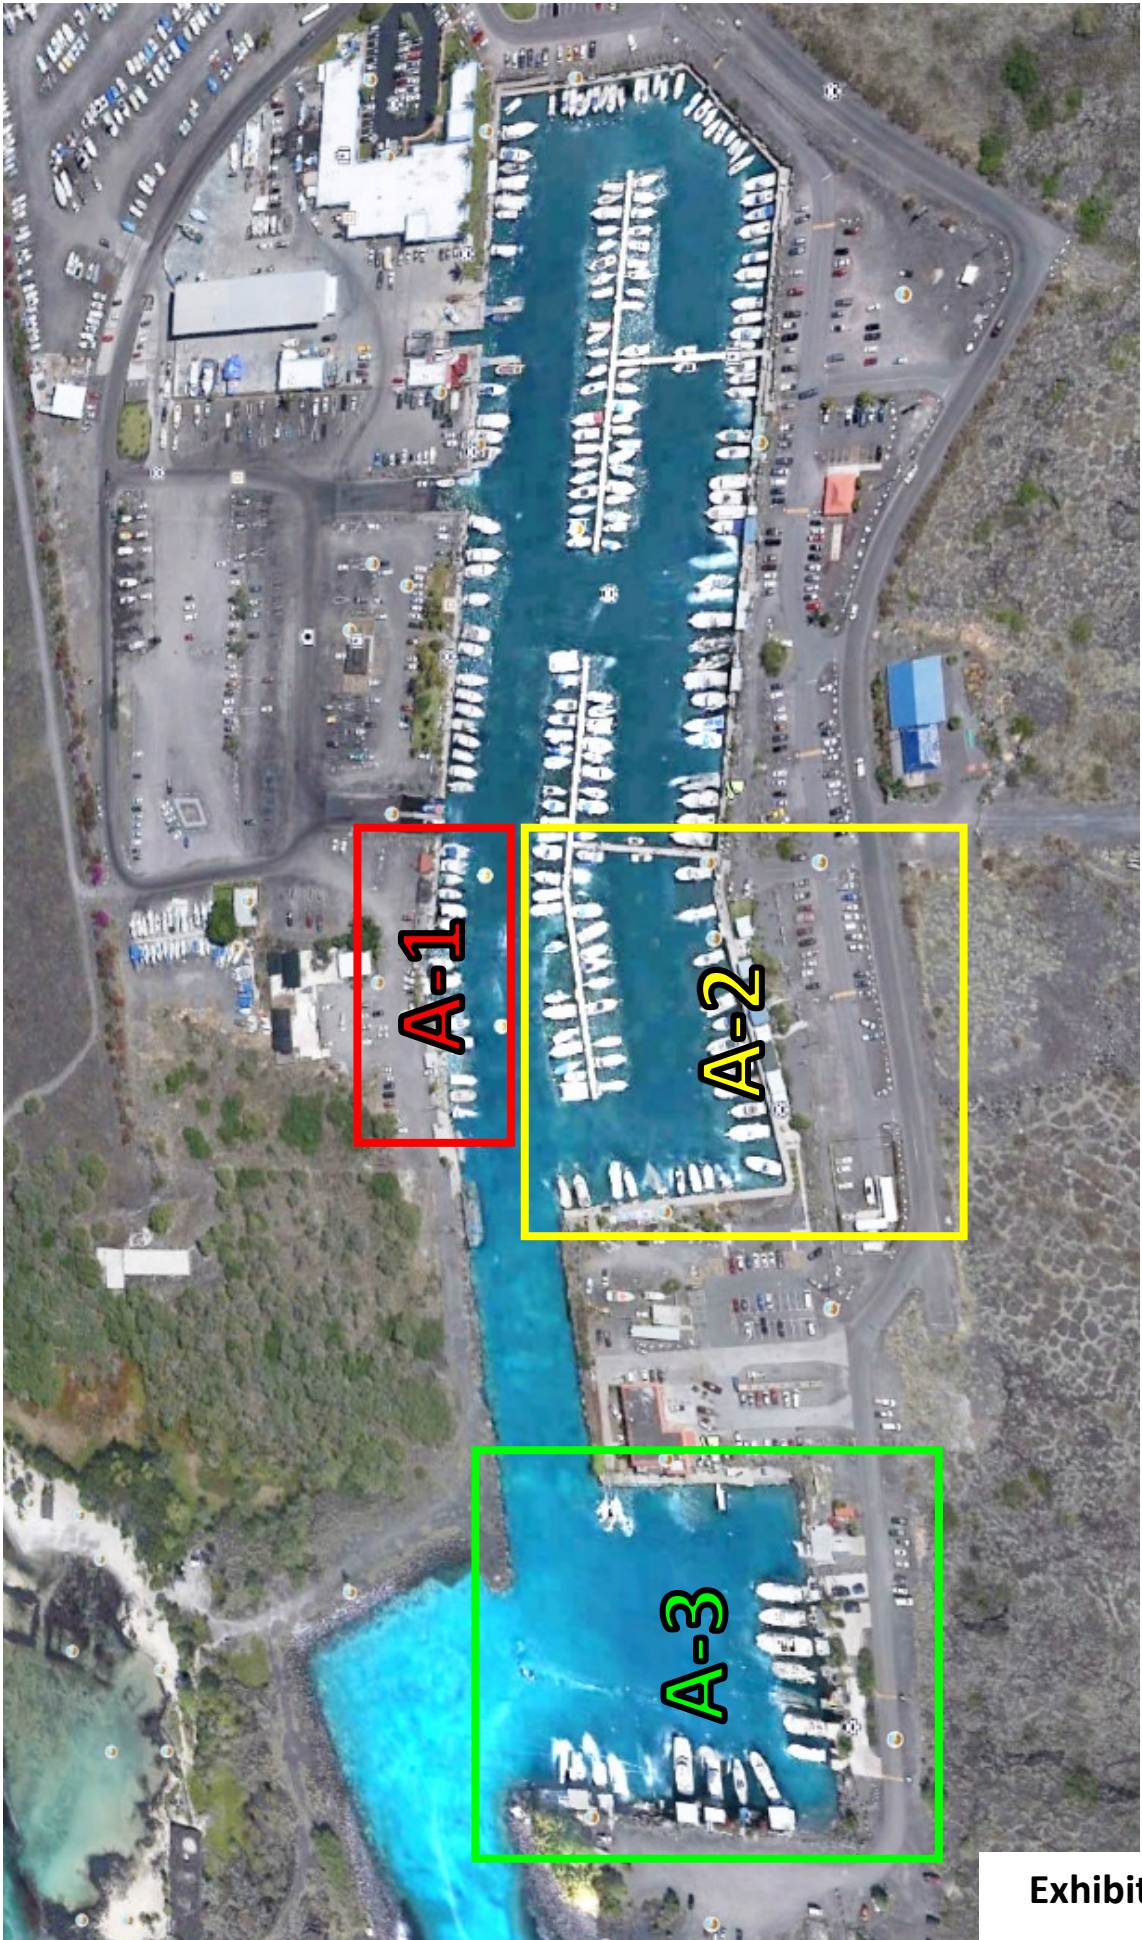

Project Title:	Issuance of revocable permits to various applicants located at Honokohau Small Boat Harbor
Project / Reference No.:	
Project Location:	Kealakehe, North Kona, Hawaii, Tax Map Key: (3) 7-4-008:003
Project Description:	Covered areas used for storage and recreation
Chap. 343 Trigger(s):	Use of State Land
Exemption Class No(s).:	No. 1, "Operations, repairs, or maintenance of existing structures, facilities, equipment or topographical features, involving negligible or no expansion or change of use beyond that previously existing," Item 51, "Permits, licenses, registrations, and rights-of-entry issued by the Department that are routine in nature, involving negligible impacts beyond that previously existing"
Cumulative Impact of Planned Successive Actions in Same Place Significant?	No, the requested location has been in the same use for many years with no known significant impact to the environment. Therefore, staff believes the issuance of revocable permits will have no significant effect on the environment.
Action May have Significant Impact on Particularly Sensitive Environment?	No, staff does not believe the issuance of revocable permits will have significant impact on particularly sensitive environment. The Honokohau SBH is a recreational boat harbor containing a fueling facility, vessel washdown, comfort stations, as well as numerous structures. The issuance of revocable permits for the existing pavilions, which have no water or sewer, will have no significant impact on the environment.
Analysis:	The request pertains to issuing revocable permits for the subject location. The area has been used for the same purpose over the years with no known significant impact to the environment. Staff believes that the request would involve negligible or no expansion or change in use of the subject location beyond that previously existing.
Consulted Parties:	Land Division - Hawaii District Land Office
Declaration	The Board finds that this project will probably have minimal or no significant effect on the environment and declares that this project is exempt from the preparation of an environmental assessment.

CHAPTER 343 – ENVIRONMENTAL ASSESSMENT:

In accordance with the “Comprehensive Exemption List for the Division of Boating and Ocean Recreation, Department of Land and Natural Resources, State of Hawaii, as concurred in by the Environmental Council, State of Hawaii”, dated June 5, 2015, the subject request is exempt from the preparation of an environmental assessment pursuant to Exemption Class No. 1 that states in pertinent part, “Operations, repairs, or maintenance of existing structures, facilities, equipment or topographical features, involving negligible or no expansion or change of use beyond that previously existing.” This project is exempt from the preparation of an EA pursuant to the following exemption:

Item No. 51. Permits, licenses, registrations, and rights-of-entry issued by the Department that are routine in nature, involving negligible impacts beyond that previously existing.

In consultation with the Land Division (LD), regarding HRS Chapter 343, they concurred that this RP met our Chapter 343, HRS, and chapter 11-200, HAR, this project will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.

REMARKS:

Over the years, numerous mooring permit holders at the Honokohau SBH have built permanent structures on State lands adjacent to their slips. These structures, which range in size from 16 to 832 square feet, consist of enclosed wood-clad storage sheds and wood-framed open-sided pavilions.

For the most part, construction was done without the consent of the Division of Boating and Ocean Recreation (DOBOR), and the lands continue to be used without the proper dispositions or payment of rents.

Staff requests the Board approve the issuance of revocable permits to the applicants listed in Exhibit B for the use of state lands. Since the commercial-use permits associated with these structures have a term not to exceed one year, and must be renewed annually, staff believes that revocable permits are the appropriate disposition in this instance. Staff further believes that there is no need for the mooring permits and revocable permits to be coterminous, as each may be terminated within 30 days.

RECOMMENDATION:

That the Board of Land and Natural Resources:

1. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200, Hawaii Administrative Rules, this project will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.

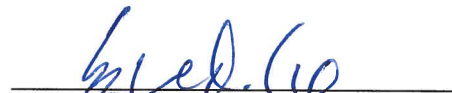

2. Authorize issuance of revocable permits at Honokohau SBH to applicants listed in Exhibit B, under the terms and conditions cited above, which are by this reference, incorporated herein and further subject to the following:
  - a. The standard terms and conditions of the most current Revocable Permit form, as may be amended from time to time; and

**To:** Cassidy, Jaimelynn M  
**Subject:** BLNR Meeting of 2-22, Item J-3

Jaime,

The subject agenda item from the BLNR's meeting on 2/22/19 was approved as amended:

J&M Fishing Inc., slip # A-6.5 was deleted from Exhibit B.

Mahalo, Richard

**EXEMPTION NOTIFICATION**

Regarding the preparation of an environmental assessment pursuant to Chapter 343, HRS and Chapter 11-200, HAR

Project Title:	Issuance of revocable permits to various applicants located at Honokohau Small Boat Harbor
Project / Reference No.:	
Project Location:	Kealakehe, North Kona, Hawaii, Tax Map Key: (3) 7-4-008:003
Project Description:	Covered areas used for storage and recreation
Chap. 343 Trigger(s):	Use of State Land
Exemption Class No(s).:	No. 1, "Operations, repairs, or maintenance of existing structures, facilities, equipment or topographical features, involving negligible or no expansion or change of use beyond that previously existing," Item 51, "Permits, licenses, registrations, and rights-of-entry issued by the Department that are routine in nature, involving negligible impacts beyond that previously existing"
Cumulative Impact of Planned Successive Actions in Same Place Significant?	No, the requested location has been in the same use for many years with no known significant impact to the environment. Therefore, staff believes the issuance of revocable permits will have no significant effect on the environment.
Action May have Significant Impact on Particularly Sensitive Environment?	No, staff does not believe the issuance of revocable permits will have significant impact on particularly sensitive environment. The Honokohau SBH is a recreational boat harbor containing a fueling facility, vessel washdown, comfort stations, as well as numerous structures. The issuance of revocable permits for the existing pavilions, which have no water or sewer, will have no significant impact on the environment.
Analysis:	The request pertains to issuing revocable permits for the subject location. The area has been used for the same purpose over the years with no known significant impact to the environment. Staff believes that the request would involve negligible or no expansion or change in use of the subject location beyond that previously existing.
Consulted Parties:	Land Division - Hawaii District Land Office
Declaration	The Board finds that this project will probably have minimal or no significant effect on the environment and declares that this project is exempt from the preparation of an environmental assessment.
