This request would qualify under the above exemption because the Applicant would be using an existing paved parking space for parking of aircraft, which does not require any changes beyond what is currently existing.

The DOTA consulted with the U.S. Federal Aviation Administration (FAA) as to the appropriateness of the citation of the Environmental Exemption from Chapter 11-200.1-15 (General types of actions eligible for exemption) dated December 18, 2018. The FAA concurred on the appropriateness.
