CHAPTER 343 - ENVIRONMENTAL ASSESSMENT:

This action is exempt from Office of Environmental Quality Control (OEQC) requirements pursuant to Sub-Chapter 11-200.1, Hawaii Administrative Rules, that exempts the following:

“Exemption Class 1: Operations, repairs, or maintenance of existing structures, facilities, equipment, or topographical features, involving minor expansion or minor change of use beyond that previously existing.”

The DOT Harbors will submit its publication request of this Exemption Notice to the OEQC for publication on the 8th of each month.

REMARKS:

The Applicant is a not-for-profit company designated as a Federal Oil Spill Response Organization, and is the largest, dedicated oil spill and emergency response organization in the United States. The Applicant provides their services nationwide in the form of trained personnel, equipment and resources to respond to oil spills and mitigate damage to the environment.

The Applicant has been operating in the Hawaiian Islands since 1993, providing spill response, training and regulatory compliance services statewide. The Applicant's personnel are continuously participating in oil spill response preparation, safety drills, and other training throughout the State.

RECOMMENDATION:

That the Board authorize the DOT Harbors to issue the Applicant a month-to-month revocable permit for the above-stated purposes, subject to the terms and conditions outlined above and incorporated herein by reference, and such terms and conditions as may be prescribed by the Director of Transportation to best serve the interests of the State.

Respectfully submitted,

JADE T. BUTAY
Director of Transportation
