LEGAL AUTHORITY:

Paragraph (6) of Section 184-3, Hawai'i Revised Statutes (HRS), relating to the powers of the Department of Land and Natural Resources (DLNR), Division of State Parks (DSP), includes the power to charge and collect reasonable fees for the operation of public services, use of public facilities and conveniences on any land under DSP's jurisdiction and control where deemed to be in the public interest. Section 184-5, HRS, gives DLNR rulemaking authority to make, amend, and repeal rules governing the State Park System.

## BACKGROUND:

The Hawai‘i Department of Land and Natural Resources’ DSP is responsible for managing the use and protection of all lands, and historical and natural resources within the Hawai‘i State Park System, established under Chapter 13-146, Hawaii Administrative Rules (HAR). The purpose of this amendment is to modify the fee schedule in Chapter 13-146 to improve revenue-generating potential for the Division of State Parks (DSP) to better manage the Hawai‘i State Park System that is composed of some of the State’s most valuable, scenic, historic, culturally significant, and acclaimed natural and cultural resources.

During the current COVID-19 pandemic, it has become more important than ever that the State Park System be able to maintain the stewardship of the state’s most valuable, scenic, historic, culturally significant, and acclaimed natural and cultural resources.

The current fee schedule is based upon rates established over 20 years ago, with no maintenance expense increases to keep pace with the rate of inflation and burgeoning use by Hawai‘i’s tourism industry and kama‘āina alike. Due to legal and policy directives from the Attorney General’s office, the outdated fee rates, which require Board approval, were adopted into Chapter 13-146, HAR, in 2015.

DSP has been engaged for several years in efforts to increase its operating budget at the State Legislature with either increases in General funding allocation or funding allocation from the Transient Accommodations Tax revenue, but due to the competing demands for funds among state agencies, these efforts have not yielded the necessary funding increases.

Although new park units have been added to the Hawaii State Park System over the past several decades, and both general funds for the DSP budget and the number of employee positions on the DSP roster have been reduced over time.

In addition, the general fund allocation to DSP in 1992 was set at \$8 million, but is now at \$4.5 million, or roughly half of what was allocated 28 years ago. This has forced DSP to become more reliant upon special fund revenues. Special fund revenues currently account for about 50% of the DSP payroll budget.

The most critical element associated with the fee increase is the need to fund DSP independent of the current State budget. The Hawai‘i State Park System and the portfolio of stunning natural and cultural resources under DSP’s jurisdiction and management is a primary draw and heavily used in the State’s and private sector’s marketing strategies for enticing visitors to the State. There is now a compelling need to bring the fees up to a fairer market value as compared to other comparable destinations and services. These fees will be reinvested into the Hawai‘i State Park system to offset impact and improve the quality of the resources and the experience for both residents and visitors alike. Resident & Nonresident fee differentials are maintained to reflect partial resident support of park activities from the State tax base.

The proposed rules can be reviewed online at: <http://ltgov.hawaii.gov/the-office/administrative-rules>. The proposed rules can also be viewed online at: <http://dlnr.hawaii.gov/dsp/draft-rules>. Location and contact information for DSP offices is available online at: <http://dlnr.hawaii.gov/dsp/contact>.

#### PURPOSE:

The purpose of this amendment is to increase fee amounts in HAR Chapter 13-146 to improve revenue-generating potential in the Hawai'i State Park System and to reorganize the fee structure to better manage and maintain the stewardship of the Hawai'i state parks. The previous State Park System fee schedule in section 13-146-6, HAR, was updated and moved to Exhibit 2 (regarding camping and cabin rental fees) and Exhibit 3 (regarding entrance and parking fees) at the end of the chapter. This reorganization reflects the necessity of having flexibility when it comes to setting these fee amounts. Placing all provisions related to fees for full public viewership will allow the public to find information on fees and charges more quickly and easily.

On November 21, 2019, DSP went before the Small Business Regulatory Review Board (SBRRB) to discuss whether the proposed amendments would have an effect on Hawai'i's small businesses. DSP informed the SBRRB that there would be minimal impact to small businesses as commercial use parking and entrance fees would be increased. The SBRRB agreed and moved for the amendments to proceed to public hearing pending review by the Chair and the Attorney General's office.

The proposed rules amend the fee schedule to reflect fee setting at the type of state park versus each individual state park (see ATTACHED **EXHIBIT A**).

#### SUMMARY OF PROPOSED AMENDMENTS:

The primary changes to the administrative rules are the increase in fees to State Park Camping, Lodging, and Pavilion Rental Fees, and Parking and Entrance Fees for Designated State Park Areas. These changes can be examined on the rule changes on the Division of State Parks website:

<https://dlnr.hawaii.gov/dsp/files/2020/01/Parking-and-Entrance-Fees-Draft-5-Ramseyer-Format-vrs-SBRRB-January-2020-Exhibit-A.pdf>.

As proposed, parking and entrance fees will be increased for nonresidents, and residents will be exempt from this fee category for Designated State Park areas. This change is necessary as previously mentioned due to the essential need to generate additional revenue to steward the State Park System.

The Camping, Cabin and Day Use Pavilion Rental Fees are seeing a uniform minor increase and simplification to both residents and nonresidents due to their overall high usage and the high value of this exclusive use categories to all users. This increase is a minor bump from the previous rates and can be reviewed on the Division of State Parks website.

## SUMMARY OF PUBLIC HEARING PROCEEDINGS:

Approval to hold public hearings for the proposed administrative rules was obtained from the SBRRB on November 21, 2019 and the DLNR Board on February 28, 2020. Due to the ongoing pandemic, the Attorney General's Office approved a videoconference public hearing (via YouTube livestream) under the Governor's Eighth Supplementary Proclamation for COVID-19 then in effect. The notice for the public hearing on July 6, 2020 went in effect on May 29, 2020. The public hearing was conducted on July 6, 2020 at 10:02AM and concluded at 10:23AM. It was conducted by an online live stream through the DLNR's YouTube website and all testimony was submitted by email to the DSP's administrative rule email stated in the public notice published in all five island newspapers on May 29, 2020.

DSP had given a period for post public hearing submissions until COB of July 13, 2020, to which no further public hearing testimony was submitted.

The public hearing can be viewed at: <https://www.youtube.com/watch?v=II0L4L0rYTY>.

## SUMMARY OF PUBLIC COMMENTS:

There was a total of 5 written testimonies submitted from February 5, 2020 to the stated deadline of June 30, 2020 in the public notice. Below are the written testimonies with a response from the Administrator of DSP.

### 1. Dylan Ramos writes:

Aloha,

I am writing in favor, pending slight changes, of the proposed amendments to the Hawaii Administrative Rules, specifically the proposed addition to Chapter 13-146 of a new section titled "§ 13-146-6 Fees." This testimony calls for support with reservations/pending amendment of the fee numbers listed on Page 1 of the document

(<https://dlnr.hawaii.gov/dsp/files/2020/01/Parking-and-Entrance-Fees-Draft-5-Ramseyer-Format-vrs-SBRRB-January-2020-Exhibit-A.pdf>).

Under "State Park Camping Fees" and "Cabin Rental Fees," I believe no changes should be made that increase fees for "Residents." If unavoidable, those increases of \$8-\$10 for Hawaii residents should be limited to no more than \$5 increases.

Additionally, I am not so sure it is a good idea to remove the stipulations that read "[up to six people) \$2 per night for each additional person, with a Maximum of ten people total per camp site]," though I am open to hearing the rationale for that change.

Thank you for considering my testimony.

**Administrator Response:** The modest increases for Hawaii residents are necessary, as the campsites and cabins require maintenance for improved, expanded and continued use. This proposal results in no fee increase for a full capacity campsite use, and a fee increase of just \$10/night per family for any lodging use. Fees have not increased for these uses in over a decade.

Regarding removing the stipulations that read "[up to six people) \$2 per night for each additional person, with a Maximum of ten people total per camp site]. The following provide the rationale:

- The maximum fee for a campsite will remain the same. For example, a party of 10 residents will be charged \$20/night, no increase from existing. Smaller groups will pay higher rates than present, a maximum increase of \$8 per site. Generally, each site must be maintained to the same degree (emptying trash, post checkout cleanup, etc.) regardless of group size.

- With our low staffing and enforcement presence, group size was frequently under-reported by permittees so they could pay less, thereby abusing the system and underpaying for services received, resulting in immeasurable revenue loss. The simplification to a single site fee will counteract this and incentivize compliance.

- Because local residents typically have larger group sizes than out-of-state visitors, this increase will be disproportionately borne by smaller groups (i.e., non-residents).

2. Judy Howard from Kamuela, HI writes:

I do not believe your proposed rules go far enough in distinguishing between residents and tourists.

It's been decades since I have gone to Hapuna Beach because it is so crowded. I know many locals who feel the same way.

We have no obligation to provide cheap entertainment for tourists, especially since many of them are so disrespectful of the people and the environment.

The charge per nonresident for entry to a state parks should be increased significantly, with the intention of deterring enough of them so that locals actually can enjoy living here. I do not think that \$20 per head is at all unreasonable. Access should remain free for residents.

I believe the same applies with respect to the cabins and camping permits. Residents should be maintained at current levels; tourists should pay an amount approaching the average hotel room rate for the State. We really do not need any more discount tourism!

**Administrator Response:** While we understand the desire to increase fees for nonresidents, there are a few considerations regarding the proposed increase:

- A desire to raise our fees to levels commensurate with other jurisdictions and experiences— our proposed fees for non-residents will place Hawaii near the top of similar fees charged by other states, and generally higher for lodging. Similarly, while our resources are unique and often of the highest quality, the quality of our facilities and management, due to our historic lack of funding and staffing, typically lag far behind other states.

- Many of our parks were acquired in full or in part with Federal grant funds, which come with significant restrictions and covenants attached. One of those requires that if residents are not assessed a fee, non-resident fees for the same activity cannot be exorbitant.

3. Frank O. Hay from Kapa'a, Kaua'i writes:

Aloha,

I have been a resident of Hawaii for almost sixty years. Over those many years, my wife and I have had guests from all over the world, indeed from each of the continents except Antarctica. All have remarked on the great beauty of the islands, and especially our beaches, parks, and forests. Some, as I, have wondered what more can be done. This measure is one step in the right direction.

The Division of State Parks is charged to administer a large network of State Parks, waysides, and many other recreational areas. For many years, it has been woefully underfunded, in part due to fees set years ago, with little relation to the value we and our guests receive from the experience. These amendments help establish a reasonable and just fee system for camping, lodging and pavilion rental, as well as parking and entrance – wisely exempting or providing a substantial discount for Hawaii State residents. I strongly support increasing funding for State Parks to enable the Division to properly care for the lands under its jurisdiction. I particularly support this measure to increase those fees that accrue to the benefit of the very agency which cares for some of our most beautiful lands.

Very truly yours,

Hay

**Administrator Response:** Thank you Frank.

4. Chipper Wichman, from the National Tropical Botanical Garden writes:

Aloha mai e Chair Case a me members of the Board and Natural Resources:

I am writing today as both a resident of Hā'ena and as the President of the National Tropical Botanical Garden in strong support of the proposed amendment of Chapter 13-146 Hawaii Administrative Rules which will increase the fees associated with the entry and use of State Parks, Monuments, Piers, Shorelines, etc.

This increase in fees is long overdue and will begin to address the impact that people are having on these incredibly special places. While the increase from \$1 to \$5 for non-residents entering a State Park may seem like a huge jump (500%), it in fact is still far below what most visitors to Hawaii are expecting or willing to pay. Our Parks are some of the most unique and special locations in our pae 'āina and the experience that our visitors are getting when they come to these places is priceless yet this rule amendment still prices that experience at only \$5 which is only half of what most visitors pay for a hamburger in their hotel!

While I support the broad rule amendment being considered, I also encourage you to empower the Division of State Parks with the authority, and flexibility, to increase fees at certain Parks on a case-by-case basis and not to have to be part of a State-wide rule amendment package. Hā'ena State Park (HSP) is a great example of why DSP needs this flexibility.

As you know, the implementation of the visitor limits dictated by the Hā'ena State Park Master Plan (which was adopted by the BLNR in May 2018 following the devastating rain bomb) has created a model that many other parts of the State are now looking at implementing. However, this new system has now created a complex economic relationship between the cost of the shuttle from Hanalei (a key aspect that was included in Master Plan due to overwhelming community support) and the cost of walk-in entry (\$5) or parking (\$10). What we have found in the six

months the Park was open before the COVID shutdown eliminated tourists is that unless the shuttle and Park entry/parking costs are in balance it unintentionally incentivizes tourists to drive down to Hā'ena and find a way to walk or securing a parking spot rather than take the shuttle. Additionally, while residents were crowded out from Hā'ena for decades by the thousands of unregulated visitors that took over HSP every day before the 2018 flood, what has happened since HSP reopened in June 2019 is that residents have rediscovered HSP and are loving it. Over

the past month the parking lot in HSP has been filled with hundreds of local residents who are enjoying the Park once again.

I am part of a small group that is now working closely with DSP leadership as well as with the County and community leaders to find a way to integrate the parking in HSP and the shuttle operation so that when the COVID health issues are behind us in a year or so that we can create a system that 1) gets visitors cars off the road, 2) allows ample parking for residents how visit HSP, and 3) ensures the economic viability of the shuttle. A key factor in solving this puzzle is the cost of park entry for both walk-ins and cars. That is why I strongly encourage you to provide a provision that will allow DSP, in consultation with the Chair and the Board, the authority to adjust fees at specific parks on a case-by-case basis.

Mahalo a nui loa for your consideration of this testimony in support of the fee increase. It's a good first step but we really need to do even more!

Aloha, Chipper

5. Presley Wann from Ha'ena, Kaua'i writes:

Aloha Chair Case and whom ever this may concern, I am writing this letter to support increasing parking lot fee, especially, in Ha'ena State Park. We feel that the proposed increase, however, may still be too low. But, we still support this increase.

Mahalo Nui Loa,

Presley Wann (current President for the Hui Maka'ainana O Makana, Ha'ena, Kaua'i)

**Administrator Response:** Thank you Chipper and Presley for your testimonies - we agree that Hā'ena is one of the more unique situations and has quickly become a Statewide model for adaptive management. While State Parks recognizes the need for more uniquely targeted and malleable fee structures, this first universal step in fee increases will further State Parks efforts to address overall system fiscal constraints. We can run the notion of BLNR or Chair-approved increases by the Board, but our legal advice thus far has suggested that these fee categories be memorialized in Admin Rules. Due to the current situation, we believe it is imperative to get these changes through and by having staff familiar with the rule-making process, we can follow up more nimbly in the future if additional changes need to be implemented.

And a reminder that many of our parks, including Hā'ena were acquired in full or in part with Federal grant funds, which come with significant restrictions and covenants attached. One of those requires that if residents are not assessed a fee, non-resident fees for the same activity cannot be exorbitant.

ENVIRONMENTAL COMPLIANCE:

The amendment to the fee schedule does not trigger any HRS Chapter 343 actions, therefore there is no need for an environmental assessment or exemption.

RECOMMENDATIONS:

That the Board,

1. Approve the adoption and compilation of Hawai'i Administrative Rules (HAR) Chapter 13-146, and amendment to Section 13-146-6 (Fees), for Fee increases to State Park Camping, Lodging, and Pavilion Rental Fees, Parking and Entrance Fees for Designation State Park Areas.

Respectfully submitted,

Division of State Parks

SUBCHAPTER 5

## 'IOLANI PALACE STATE MONUMENT

**§13-146-69 Purpose.** The purpose of this subchapter is to provide rules specific to the 'Iolani Palace State Monument in order to recognize, protect, and preserve the historic and cultural significance of the Monument and to meet the Monument's educational mission to preserve the character of the era of Hawaii's monarchy.

'Iolani Palace State Monument ('Iolani Monument) consists of 'Iolani Palace, Barracks, Coronation Pavilion, Kanaina Building (Old Archives Building), Kekauluohi Building (State Archives Building) and Grounds consisting of 11 acres of land, including the perimeter wall and wrought iron fence bordered by King Street, Likelike Street, Hotel Street Mall and Richards Street.

'Iolani Monument is one of the most important historical and cultural resources in Hawaii. Before the arrival of the missionaries in the 1820's, a Hawaiian temple or heiau, known as "Kaahimaui," was sited in this area. Later, a small mausoleum was built on the grounds to house the remains of King Liholiho and Queen Kamamalu. While the remains of these Royalty were moved to their new resting place in 1865, accounts state that the bones of certain chiefs remain on the site. King Kalakaua, out of respect for this sacred and hallowed place, raised a mound over it. Hawaiian culture demands great respect and care for the location of ancient burial sites of Hawaiian chiefs.

In 1882, 'Iolani Palace was built and served to house Hawaii's last Monarchs, King Kalakaua and Queen Lili'uokalani. This is the only palace of official royal residence in the United States. It is listed in the National Register of Historic Places and designated a National Historic Landmark. The State designated the area a Monument in recognition of its historic importance, and to utilize these unique resources to educate and promote awareness of the

historic and cultural character of the era of the Hawaiian monarchy.

The Friends of 'Iolani Palace, a non-profit organization which acts as the State's steward of the Palace under a lease agreement, holds the official designation as the State of Hawaii Museum of Monarchy History. Their mission is, "To preserve, restore, interpret, share and celebrate the unique cultural, historic and spiritual qualities of 'Iolani Palace and its Grounds for the benefit of Native Hawaiians, the People of Hawaii and the world."

'Iolani Monument also includes the Kekauluohi Building, the Hawaii State Archives Building. The Archives houses thousands of priceless and irreplaceable records generated by the State and the former territorial government and monarchy.

'Iolani Monument is a public gathering site. People are welcome to gather on the Grounds and to have limited and managed access to the Palace, Archives, Barracks and Coronation Pavilion. However, the sacred cultural sites, the rare historic resources, and the mission of the entire 'Iolani Monument to maintain the historic character of the Monarchy era, requires specific rules dedicated to protect and preserve the character, buildings, cultural sites and grounds for future generations. These rules serve the significant government interest of protecting the Monument and the safety of the persons who visit it. The Monument and the valuable historic property and records it holds must be preserved for the use and enjoyment of all of the people of Hawaii and visitors to the islands for generations to come.
