Amend Prior Board Action of April 9, 2020, Item D-2, Amend Prior Board Action of June 8, 2018, Item D-1, Issuance of Direct Lease to the Roman Catholic Church in the State of Hawaii, Saint Theresa School, for Parking Purposes, Kekaha House Lots, Kekaha, Waimea, Kauai, Tax Map Keys: (4) 1-3-004:054 and (4) 1-3-011:001.

The purpose of the prior amendment was to expand the character of use to include temporary storage and school events.

The purpose of the current amendment is to include an immediate management and construction right-of-entry permit to allow the Roman Catholic Church in the State of Hawaii, Saint Theresa School, to conduct maintenance activities and erect a security fence to restrict the unauthorized dumping of abandoned vehicles and trash upon the premises.

BACKGROUND:

At its meeting of June 8, 2018, Item D-1, the Board of Land and Natural Resources (Board) authorized the issuance of a direct lease of the subject land to the Roman Catholic Church in the State of Hawaii, Saint Theresa School, for parking purposes. At its meeting of April 9, 2020, Item D-2, the Board amended its prior action of June 8, 2018, Item D-1, to expand the character of use to include temporary storage and school events. (Exhibit I) Over the past years, St. Theresa School has been granted a right-of-entry permit to utilize the subject property for parking for its annual school carnival. The Board's prior approval of a direct lease to St. Theresa School did not include an interim management and construction right-of-entry.

REMARKS:

The delay experienced in the processing of the lease document is due to irregularities discovered by the Department of Accounting and General Services (DAGS), Survey Division in the survey map and description provided by St. Theresa School's surveyor, Honua Engineering. Once the survey is corrected/revised, DAGS Survey can finalize the official State survey map and staff can proceed with a request to the Department of the

Attorney General to prepare the lease document.

The unforeseen delay in allowing St. Theresa School to enter the property under a lease has resulted in the unauthorized dumping and discarding of derelict/abandoned vehicles and trash onto the property. Out of care and concern for the property, St. Theresa School is requesting permission to enter the State property to conduct maintenance activities and to install a temporary security fence to restrict the unauthorized dumping of vehicles and trash onto the premises, prior to executing the lease document.

On December 10, 2020, various governmental agencies and interest groups were solicited for comments relating to the issuance of a right-of-entry permit. No responses were received by the December 24, 2020 suspense date.

In accordance with Hawaii Administrative Rules (HAR) § 11-200.1-15 and the Exemption List for the Department of Land and Natural Resources reviewed and concurred by the Environmental Council on November 10, 2020, the subject request is exempt from the preparation of an environmental assessment pursuant to Exemption Type 1, Part 1, Item 44, that states, "Permits, licenses, registrations and rights-of-entry issued by the Department that are routine in nature, involving negligible impacts beyond that previously existed, and Exemption Type 3, Part 1, Item 2 that states, "Construction of security features, including fencing, gates, cameras, and other similar items." (Exhibit II)

Staff is recommending that the Board amend its prior actions to include an immediate management and construction right-of-entry to allow St. Theresa School to conduct maintenance activities and to erect security fencing on the premises to restrict the unauthorized dumping of vehicles and trash.

RECOMMENDATION: That the Board:

1. Amend its prior Board action of June 8, 2018, Item D-1, as amended by its action of April 9, 2020, Item D-2, by adding an immediate management and construction right-of-entry for maintenance activities and erecting a security fence.
2. Except as amended hereby, all terms and conditions as approved on June 8, 2018 and as amended on April 9, 2020 shall remain the same.

Respectfully Submitted,

Amend Prior Board Action of June 8, 2018, Item D-1, Issuance of Direct Lease to the Roman Catholic Church in the State of Hawaii, Saint Theresa School, for Parking Purposes, Kekaha House Lots, Kekaha, Waimea, Kauai, Tax Map Keys: (4) 1-3-004:054 and (4) 1-3-011:001.

The purpose of the amendment is to expand the character of use to include temporary storage and school events in addition to parking.

BACKGROUND:

At its meeting of June 8, 2018, item D-1, the Land Board approved the issuance of a direct lease to the Roman Catholic Church in the State of Hawaii, Saint Theresa School, for parking purposes, Kekaha House Lots, Kekaha, Waimea, Kauai, Tax Map Keys: (4) 1-3-004:054 and (4) 1-3-011:001. (Exhibit 1)

CHAPTER 343 - ENVIRONMENTAL ASSESSMENT:

In accordance with Hawaii Administrative Rules (HAR) § 11-200.1-15 and the Exemption List for the Department of Land and Natural Resources reviewed and concurred on by the Environmental Council on March 3, 2020, the subject request is exempt from the preparation of an environmental assessment pursuant to Exemption Class No. 1 that states, "Operations, repairs or maintenance of existing structures, facilities, equipment, or topographical features, involving negligible or no expansion or change of use beyond that previously existing," and Item 40 that states, "Leases of state land involving negligible or no expansion or change of use beyond that previously existing." (Exhibit 2)

REMARKS:

In the processing of the direct lease, the school inquired if it was possible to also utilize the subject area for temporary storage of school equipment and supplies, should the need arise, as well as for school events. The storage space would consist of a portable shed or shipping container. Over the past several years, the school has obtained a right-of-entry

permit through the Kauai District Land Office to utilize the State parcel for public parking for its annual school carnival.

On February 5, 2020, staff circulated a request for comments on the expanded use to the County's Department of Planning, Public Works, DLNR Historic Preservation, OCCL, and Office of Hawaiian Affairs. There were no responses to the request for comments.

Staff does not foresee any problems with the additional proposed uses and therefore is recommending that the Land Board amend its prior action to expand the character of use to include temporary storage and school events.

Saint Theresa School further made inquiry and staff did confirm that the Saint Theresa School will not be responsible to maintain the stream traversing the subject property as it will be maintained by the County of Kauai and/or the Kauai Agricultural Association.

RECOMMENDATION: That the Board:

1. Amend its prior Board Actions of June 8, 2018, item D-1, to expand the Character of Use to include temporary storage and school events purposes;
2. Except as amended hereby, all terms and conditions listed in its June 8, 2018 approval to remain the same.

APPLICANT REQUIREMENTS:

Applicant shall be required to:

1. Pay for the costs of public notice pursuant to section 171-16 HRS; and
2. Provide survey maps and descriptions according to State DAGS standards and at Applicant's own cost.

REMARKS:

The Board of Land and Natural Resources (Board) typically issues leases to private individuals and entities via public auction. The new rent at reopening is established at fair market rental value by an appraiser. If the tenant or prospective tenant is an eleemosynary (charitable) organization, the Board may issue the lease, at a nominal consideration, by direct negotiation. The statute providing the Board this authority is as follows:

§171-43.1 Lease to eleemosynary organizations. The Board may lease, at a nominal consideration, by direct negotiation and without recourse to public auction, public lands to an eleemosynary organization which has been certified to be tax exempt under sections 501(c)(1) or 501(c)(3) of the Internal Revenue Code of 1986, as amended. The lands shall be used by such eleemosynary organizations for the purposes for which their charter was issued and for which they were certified by the Internal Revenue Service. [L1970, c 83, §5; am L 1971, c 100, §1; am L 1982, c202, §1; am l 1991, c 212, §3]

It is noted that the 501(c)(1) organization must be both organized by an Act of Congress and be an instrumentality of the United States, while the 501(c)(3) organization is a privately organized charitable organization.

When considering lease dispositions to eleemosynary organizations or religious organizations, the Board may issue the lease by public auction at fair market rent, or by direct negotiation at an amount below fair market rental (i.e., nominal consideration). On May 13, 2005, the land Board established a Minimum Rent Policy that stated, among other things, that the Minimum Rent for lease be no less than \$480 per year. Land Division generally issues leases at fair market rental value as determined by an appraiser or via public auction. Staff believes "nominal consideration" under section 171-43.1, HRS ought to be anywhere between fair market rent, or lower, but not lower than the minimum rent of \$480.

The Roman Catholic Church in the State of Hawaii's, Saint Theresa School, a non-profit has operated as a school for over fifty (50) years and qualifies for a direct lease. The St. Theresa School campus has very limited parking space available; therefore, the school is requesting a direct lease for parking purposes. In the past several years, the school has been approved a right-of-entry for parking for its Annual St. Theresa School Carnival. The subject area is basically a field of lawn grass.

Staff is recommending issuance of a direct lease with a term of ten years at minimum rent, as the Roman Catholic Church in the State of Hawaii, St. Theresa School, was confirmed a domestic non-profit corporation by letter dated June 2, 2017 from the IRS, Department of the Treasury. St. Theresa Church/School is currently exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code. (Exhibit C)

St. Theresa School's reported budget for Fiscal Year 2016-17 has generated about \$705,385.00 in income, with expenses of \$708,125.00. The school was left with a negative cash flow of \$2,740.00 for the year. The shortfall is paid-off by donations from the church congregation. (Exhibit D)

Through the years, the prior uses of the State-owned parcel, as a parking area, have resulted in no known significant impacts, whether immediate or cumulative, to the natural, environmental and/or cultural resources. As such staff believes that the proposed use would involve negligible or no expansion or change in use of the subject area beyond that previously existing. St. Theresa intends to utilize the State properties as an "as is" condition. It has no plans to improve the property by paving or constructing any structures on the demised premises.

St. Theresa School will not be required to maintain the drainage ditch. The County of Kauai and the Kekaha Agriculture Association have a Waimea River Agreement, to share the responsibility to clear the river and adjacent ditches during times of potential flooding.

St. Theresa School has not had a lease, permit, easement or other disposition of State lands terminated within the past five years due to non-compliance with such terms and conditions.

To date, no other parties have expressed interest to utilize/lease the subject area.

Although there are possible higher or better uses for the subject area, no one other than St. Theresa School has expressed interest for a disposition. The subject State parcel is in close proximity to Kekaha Beach, and as a result, might not be a suitable location for constructing any type of improvements.

The mission statement of St. Theresa School is to provide dedicated guidance to its students in their religious upbringing. St. Theresa School believes faith, Ohana (family)

and quality education are the pillars upon which they build tomorrow's leaders. The school's motto is to "Soar toward success: spiritually, academically, physically and in Service to the Community."

St. Theresa School plays a critical role in helping the West side community by supporting area organizations such as the Kekaha Pop Warner Association, Kekaha Youth Baseball Organization, E Ola Mau Community, Kilohana Paddling Club, Ke Kula O Niihau and Waimea High School, and many others, by offering use of the St. Theresa School Dinning Hall and kitchen facilities. The school also loans its carnival supplies to the Committees for the Annual Westside Fourth of July Celebration and the Annual Waimea Town Celebration. The St. Theresa School/Church and the Kekaha community is a very close knit community. The Church is always willing to support the needs of the keiki (children) and Kupuna (elderly), in efforts to give back to the community.

There are no plans to improve the parking area (e.g.: dropping gravel or paving). St. Theresa School intends to utilize the subject area in an "as is" condition.

On August 4, 2017, various government agencies and interest groups were solicited for comments.

The County Public Works provided comments relating to: 1) an existing ditch on the subject property, 2) access points onto the adjacent government roadway, and 3) compliance of the County's Sediment and Erosion Control Ordinance No. 808. (Exhibit E)

RECOMMENDATION: That the Board:

1. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200, HAR, this project will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.

2. Subject to the Applicant fulfilling all of the Applicant requirements listed above, authorize the issuance of a direct lease to Saint Theresa School covering the subject area under the terms and conditions cited above, which are by this reference incorporated herein and further subject to the following:
 - A. The standard terms and conditions of the most current (non-profit) lease document form, as may be amended from time to time;
 - B. Should Applicant propose any future improvements upon the leasehold property that triggers Hawaii Revised Statutes (HRS) Chapter 343 review, Applicant shall be responsible for compliance with HRS Chapter 343, as amended;
 - C. Lessee shall be made aware that vehicular ingress and egress is limited to a single access point for each property. That the County Public Works Engineering Division shall be consulted to developing a conceptual parking/traffic circulation plan for the subject properties;
 - D. All grubbing and grading work, if any, shall be in compliance with the County's Sediment and Erosion Control Ordinance No. 808;
 - E. Review and approval by the Department of the Attorney General; and

Dear Sir/Madam:

This responds to your June 2, 2017, request for information regarding the status of your group tax exemption.

Our records indicate that you were issued a determination letter in March 1946, that you are currently exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code, and are not a private foundation within the meaning of section 509(a) of the Code because you are described in sections 509(a)(1) and 170(b)(1)(A)(i).

With your request, you provided a copy of the *Official Catholic Directory for 2017*, which includes the names and addresses of the agencies and instrumentalities and the educational, charitable, and religious institutions operated by the Roman Catholic Church in the United States, its territories, and possessions that are subordinate organizations under your group tax exemption. Your request indicated that each subordinate organization is a non-profit organization, that no part of the net earnings thereof inures to the benefit of any individual, and that no substantial part of their activities is for promotion of legislation. You have further represented that none of your subordinate organizations is a private foundation under section 509(a), although all subordinates do not all share the same sub-classification under section 509(a). Based on your representations, the subordinate organizations in the *Official Catholic Directory for 2017* are recognized as exempt under section 501(c)(3) of the Code under GEN 0928.

Donors may deduct contributions to you and your subordinate organizations as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to them or for their use are deductible for federal estate and gifts tax purposes if they meet the applicable provisions of section 2055, 2106, and 2522 of the Code.

Subordinate organizations under a group exemption do not receive individual exemption letters. Most subordinate organizations are not separately listed in Publication 78 or the EO Business Master File. Donors may verify that a subordinate organization is included

in your group exemption by consulting the *Official Catholic Directory*, the official subordinate listing approved by you, or by contacting you directly. IRS does not verify the inclusion of subordinate organizations under your group exemption. See IRS Publication 4573, *Group Exemption*, for additional information about group exemptions.

Each subordinate organization covered in a group exemption should have its own EIN. Each subordinate organization must use its own EIN, not the EIN of the central organization, in all filings with IRS.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

SUBJECT: DIRECT LEASE TO THE ROMAN CATHOLIC CHURCH IN THE STATE OF

TMK: (4) 1-3-004: 054 AND 1-3-011: 001
KEKAHA, WAIMEA, KAUA'I

PW 08.17.046

Dear Mr. Matsunaga,

We reviewed the subject request from the Roman Catholic Church for the issuance of a 30-year lease for TMK: (4) 1-3-004: 054 and TMK: (4) 1-3-011:001 in Kekaha. St. Theresa's Church is requesting the issuance of a direct lease to use the property for additional parking.

We offer the following comments:

1. An existing ditch traverses across Parcel 1. The ditch is part of the "Mill Drain" system which serves as a drainage way and outlet for parts of the Kekaha Town watershed. The ditch needs to be maintained to minimize the flood risks to adjacent and upstream low lying areas. We recommend that the State retain the maintenance responsibilities for the ditch when approving any lease of Parcel 1.
2. A conceptual parking/traffic circulation plan shall be developed. Vehicular ingress and egress shall be limited to a single access point for each parcel unless approval for a second access point is granted by the County Engineer. The access connections shall be situated away from roadway intersections for safety purposes and to mitigate traffic congestion.
3. All grading and grubbing work shall be in compliance with the County's Sediment and Erosion Control Ordinance No. 808.

Project Description: Issuance of Direct Lease to the Roman Catholic Church in the State of Hawaii, Saint Theresa School, for Additional Parking Purposes.

Chap. 343 Trigger(s): Use of State lands.

Exemption Class No. and Item No. : In accordance with Hawaii Administrative Rules (HAR) § 11-200.1-15 and the Exemption List for the Department of Land and Natural Resources reviewed and concurred on by the Environmental Council on March 3, 2020, the subject request is exempt from the preparation of an environmental assessment pursuant to Exemption Class No. 1, that states "Operations, repairs or maintenance of existing structures, facilities, equipment, or topographical features, involving negligible or no expansion or change of use beyond that previously existing, and Item 40, which states, "Leases of state land involving negligible or no expansion or change of use beyond that previously existed."

Cumulative Impact of Planned Successive Actions in Same Place Significant: No. The request is a single occurrence in the area.

EXHIBIT 2

Action May Have
Significant Impact on
Particularly Sensitive
Environment:

No. The action proposed will have no significant impact to the environment.

Analysis:

Over the past several years, the subject area has been used as a parking area by the Saint Theresa School for its Annual Saint Theresa School Carnival. As such, staff believes that the requests to use the area for temporary storage and school events, in addition to parking, would involve negligible or no expansion or change in use of the subject area beyond that previously existing.

Consulted Parties:

The County Planning Department, Public Works-Highways Division, and the Kekaha Agriculture Association.

Declaration:

It is recommended that the Board find this project will probably have minimal or no significant effect on the environment and is presumed to be exempt from the preparation of an environmental assessment.

EXEMPTION NOTIFICATION

Regarding the preparation of an environmental assessment pursuant to Chapter 343, Hawaii Revised Statutes (HRS), and Chapter 11-200.1, Hawaii Administrative Rules (HAR):

Project Title:	Amend Prior Board Action of June 8, 2018, Item D-1, and April 9, 2020, Item D-2, Issuance of Direct Lease to the Roman Catholic Church in the State of Hawaii, Saint Theresa School, for parking, temporary storage and school events purposes on State lands, Kekaha, Waimea, Kauai, identified by Tax Map Keys: (4) 1-3-004:054 and (4) 1-3-011:001.
Project / Reference No.:	PSF No. 17KD-103
Project Location:	Kekaha, Waimea, Kauai, identified by Tax Map Keys: (4) 1-3-004:054 and (4) 1-3-011:001.
Project Description:	Amend Prior Actions of June 8, 2018, and April 9, 2020 to include management and construction right-of-entry permit for conducting maintenance activities and construction of security fencing at Kekaha, Waimea, Kauai.
Chap. 343 Trigger(s):	Use of State Land
Exemption Class No. and Description:	In accordance with Hawaii Administrative Rules (HAR) § 11-200.1-15 and the Exemption List for the Department of Land and Natural Resources reviewed and concurred by the Environmental Council on November 10, 2020, the subject request is exempt from the preparation of an environmental assessment pursuant to Exemption Type 1, Part 1, Item 44, that states, "Permits, licenses, registrations and rights-of-entry issued by the Department that are routine in nature, involving negligible impacts beyond that previously existed, and Exemption Type 3, Part 1, Item 2 that states, "Construction of security

features, including fencing, gates, cameras, and other similar items.”

**Cumulative Impact of
Planned Successive
Actions in Same Place
Significant?:**

No, the request is a single occurrence in the area.

**Action May Have
Significant Impact on
Particularly Sensitive
Environment?:**

No. There are no particularly sensitive environmental issues involved with the proposed use of the property.

Analysis:

The proposed use will help in deterring the unauthorized dumping of derelict vehicles and trash onto the State parcel, to assist in the mitigation of potential hazardous condition that might present imminent danger to protect public health, safety, welfare, involving negligible or no expansion or change of use beyond that previously existing.

Consulted Parties:

County of Kauai, Planning Department and Public Works.

Recommendation:

That the Board find this project will probably have minimal or no significant effect on the environment and is presumed to be exempt from the preparation of an environmental assessment.
