REMARKS:

In accordance with Section 171-55 HRS, relating to Permits, the Department of Transportation proposes to issue a month-to-month revocable permit to WAL for a T-hangar for the storage and maintenance of aircraft.

The DOTA is constructing new T-hangars at KOA under State Project No. AH2023-16, Furnish and Deliver New T-Hangars, KOA at Ellison Onizuka Kona International Airport at Keāhole, Kailua-Kona (Project). The Project is nearly completed, and DOTA has solicited for appraisal services to determine the fair market lease rental values and commercial use rental values for the new T-hangars at KOA. While DOTA waits for the appraisal report to determine the monthly rental, DOTA is requesting Land Board approval to issue a month-to-month revocable permit to WAL.

RECOMMENDATION:

That the Board authorize the Department of Transportation to issue a month-to-month revocable permit to WAL, subject to: (1) terms and conditions herein outlined, which are by reference incorporated herein; and (2) such additional terms and conditions as may be prescribed by the Director of Transportation to best serve the interests of the State.

Respectfully submitted,

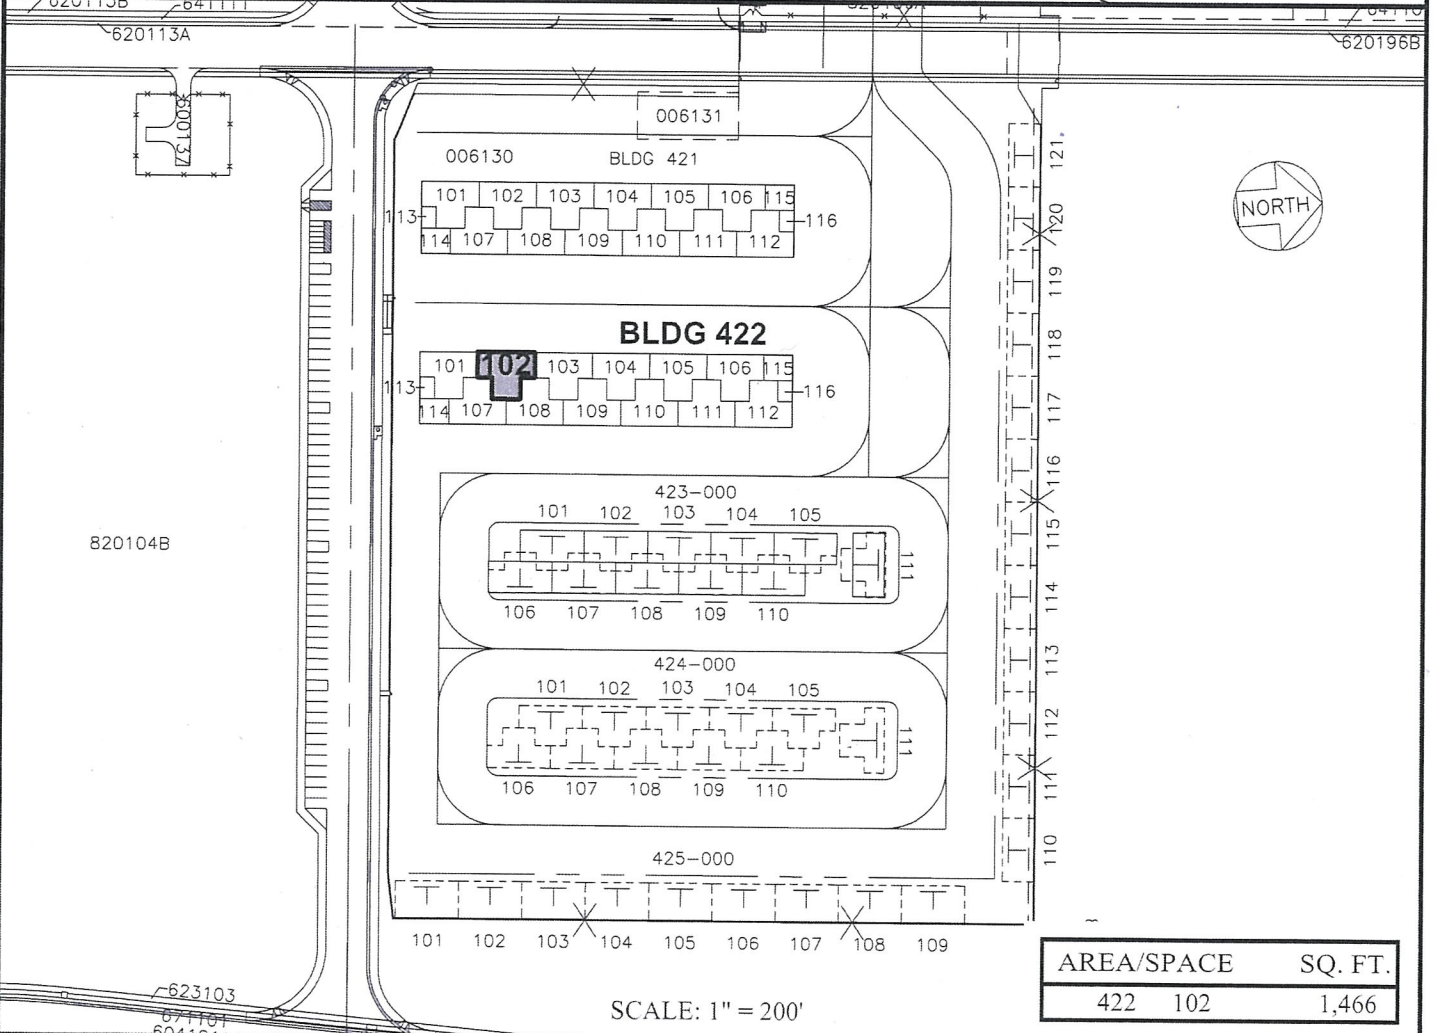

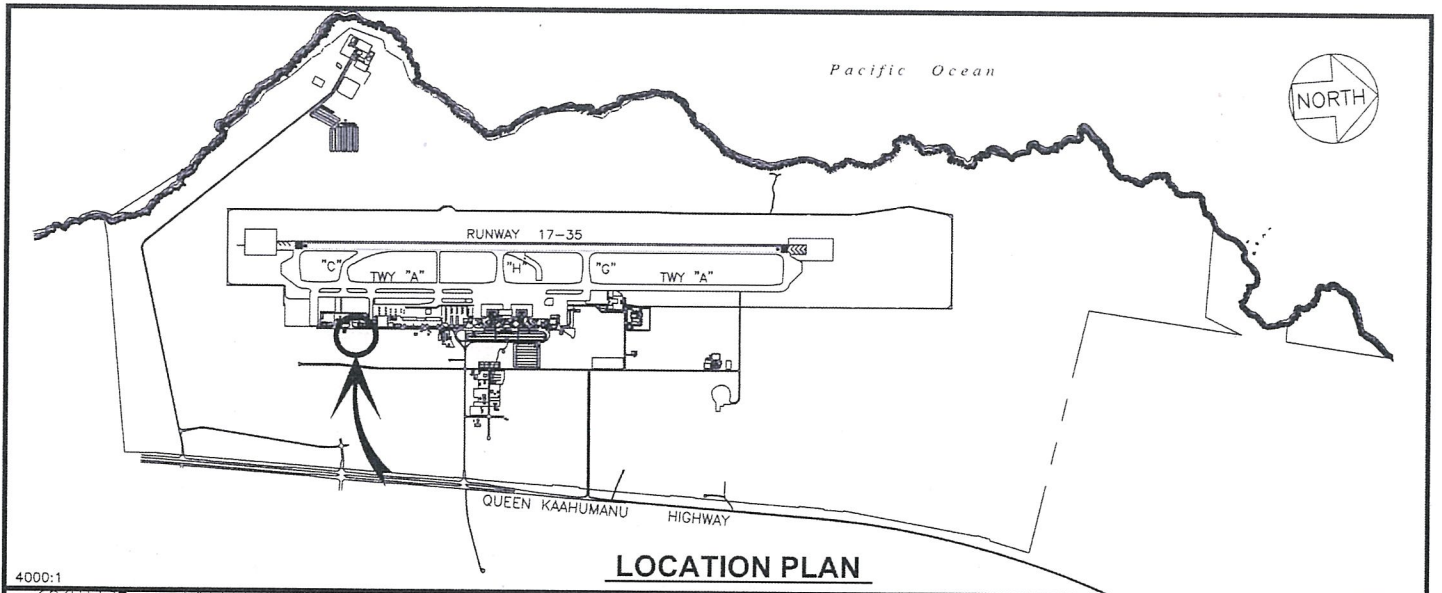

JADE T. BUTAY
Director of Transportation
