TESTIMONY:

Interested persons can submit written testimony in advance of each meeting that will be distributed to Board Members prior to the meeting. Written testimony must be submitted no later than 24 hours prior to the meeting to ensure time for Board Members to review it. Late written testimony will be retained as part of the record, but we cannot assure Board Members will receive it with sufficient time for review prior to decision-making. Submit written testimony to blnr.testimony@hawaii.gov.

To provide live oral/video testimony during the online meeting, email your request to blnr.testimony@hawaii.gov at least 24 hours in advance, with your name, phone number, email address, computer identification name (check your device settings), and the agenda item on which you would like to testify. Once your request has been received, you will receive an email with the Zoom link via which to testify. You will need a computer with internet access, video camera and microphone to participate. If you require access by phone only, please indicate that in your email request. Testimony will be limited to a maximum of three (3) minutes per person per agenda item.

The Board may go into Executive Session pursuant to Section 92-5(a)(4), Hawaii Revised Statutes, in order to consult with its attorney on questions and issues pertaining to the Board's powers, duties, privileges, immunities, and liabilities.

Individuals requiring special assistance or auxiliary aids or services (e.g., sign language interpreter), please contact staff at least 72 hours prior to the meeting at 808.587.0404 so that arrangements can be made.

In some of the matters before the Board, a person may wish to request a contested case hearing. If such a request is made before the Board's decision, then the Board will consider the request first – before considering the merits of the item before it. A person who wants a contested case may also wait until the Board decides the issue, then request the contested case after the decision. It is up to you. Any request must be made in writing within ten days. If no request for contested case is made, the Board will make a decision. The Department will treat the decision as final and proceed accordingly.
