I have in the past filed many complaints in the past against HMA and I Appreciate DOFAW's attention to my complaints . The past year new people have been now in Charge and overseeing HMA ; Terry Galpin , Hossanna Folk and Nani Galeng . The atmosphere at the park is a 180 degree turn for the better and is more welcoming . Before it had the atmosphere of a prison yard and there is more organization with the new lady's who are managing the park . I support the renewal of the RP and hope the lady's continuing success in managing the park . Li Cobian
