APPLICANT REQUIREMENTS:

Olson, as Trustee of the William A. Olson and Jan N. Olson Trust, also known as William A. Olson, Assignor, to, Assignee, Olson Family Trust LLC, a Hawai‘i Limited Liability Company, and amendment to correct the termination date of the General Lease to December 31, 2028.

Parks is requesting that the Board approve the interim 2016 assignment, attached as EXHIBIT 2. The Assignment of Lease dated July 22, 2016 between William Olson, Assignor and William A. Olson, and Jan N. Olson, Trustees, has been recorded by the Bureau of Conveyances on August 12, 2016, Document No. A – 60680640.

We previously took this to the Board on February 4, 2022, Item E-1 (see staff submittal attached as EXHIBIT 3), but inadvertently excluded that the assignment is to William A. Olson and Jan N. Olson, as Trustees under that certain William A. Olson and Jan N. Olson Trust dated July 22, 2016. This submittal corrects that omission.

Assignee has not had a lease, permit, easement, or other disposition of State lands terminated within the last five years due to non-compliance with such terms and conditions.

No comments have been solicited or received from any agency or the community. Staff requests the approval.
RECOMMENDATION:

CHARACTER OF USE:
Recreation — residence.

TERM OF LEASE:
Twenty (20) years, commencing January 1, 2009, and expiring on December 31, 2028. There was one rental reopening scheduled after ten years, General Lease No. SP0131.

CURRENT ANNUAL RENTAL:
Five thousand five hundred dollars ($5,500.00) annually due on the first of every January.

CONSIDERATION:
Ten dollars ($10.00) and other valuable consideration.

APPLICANT REQUIREMENTS:
Applicant/Assignee shall prepare and submit fully executed assignment of lease and meet other requirements as described herein.

BACKGROUND:
William Olson entered into a lease under General Lease No. SP0131 effective January 6, 2009 as a result of direct negotiations with the Department of Land and Natural Resources (DLNR) pursuant to Act 223 SLH 2008. William Olson held the previous lease covering the property and a revocable permit immediately prior to the new lease being issued.

By way of a letter dated July 16, 2021, Jan Olson, as Trustee of the William A. Olson and Jan N. Olson Trust, also known as William Olson, as Assignor, had informed State Parks that due to William Olson’s medical condition, letter attached as EXHIBIT B, they wish to transfer the lease over to the Olson Family Trust LLC, a Hawai‘i Limited Liability Company.

Jan Olson and her husband William Olson has a long history connection with Koke‘e camp site Lot 72. They both currently live on the island of Oahu and would visit and stay at the cabin whenever possible. Their daughter grew up staying at the cabin often. Here Jan shares a brief memory:

"The first time I saw our cabin I fell in love. There is a magic there that is hard to describe. It’s like you are in a little bit of a dream. We had a tradition of spending the Thanksgiving 4-day holiday there. (I was a teacher at a public school, Sunset
Beach Elementary School, for over 35 years.) We'd fly over to Kauai Wednesday night and shop at the Big Save Market in Waimea. (I would bring over a frozen turkey in my luggage.) Then we would drive up the "long and winding road" to our cabin. Thursday the windows would fog up with all the steam from the cooking and preparations for the feast. Friday and Saturday, we'd feast on the leftovers and Sunday return home. I never wanted to leave the cabin, every single time. We loved it so.”

With Mr. Olson's medical condition, he can no longer travel there. However, Olson's daughter and her 'ohana would love to keep the cabin in the family and continue using it. As part of their estate planning, they wish to transfer the lease over to the Olson Family Trust LLC.

REMARKS:

Lessee is in compliance with the rent as well as the liability insurance required pursuant to the terms of the lease.

Staff notes that the term of the lease is for a period of 20 years commencing January 1, 2009. On the first page of the lease, however, the termination date is listed as December 31, 2029 in error. This would indicate a 21-year lease and is inconsistent with Act 223. Upon consultation with the Department of the Attorney General, a simple amendment can be made to the lease correcting the termination date to read December 31, 2028. Staff recommends this be completed simultaneously with the other documents necessary for the assignment.

The Assignee has not had a lease, permit, easement, or other disposition of State lands terminated within the last five years due to non-compliance with such terms and conditions.

No comments have been solicited or received from any agency or the community. Staff has no objections to this request.

RECOMMENDATION:

That the Board consent to the assignment of General Lease No. SP0131, Jan N. Olson, as Trustee of William A. Olson and Jan N. Olson Trust, also known as William A. Olson, as Assignor, to Assignee, the Olson Family Trust LLC, a Hawai‘i Limited Liability Company, subject to the terms above which are hereby incorporated by reference and further subject to the following:

a. That the lease be amended to correct the termination date to read December 31, 2028;
b. The standard terms and conditions of the most current consent and/or amendment to lease forms, as may be amended from time to time;
d. Review and approval by the Department of the Attorney General; and,
e. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.

RE: Assignment of Lease SP-0131

Aloha Ms. Kipapa,

You and I have spoken on the phone and exchanged emails about the enclosed lease assignment. My firm represents Ms. Jan Olson as Trustee of the William A. Olson and Jan N. Olson Trust. William and Jan greatly enjoyed their Kokee cabin but in recent years have not been able to travel to Kauai as often. Jan, as the Trustee, wishes now to assign the lease to the Olson Family LLC so that her family may continue to enjoy the property.

The trust is receiving no compensation for the assignment. Enclosed with this letter you will also find the signed assignment which includes a consent to the assignment in the same document. Finally, a copy of the lease, Jan's power of attorney for William, and a letter establishing Jan's authority as sole trustee are also enclosed. An original and 2 copies of all documents are enclosed.

Please feel free to contact me anytime at 808-452-1393 or by email at mike@eandhlegal.com. I would be happy to provide any additional documents or information in order to expedite the approval of this assignment.

Sincerely,

To whom this may concern:

I have been asked to write a letter stating my medical opinion regarding the condition of William A Olson. I am a physician licensed to practice in the State of Hawaii. I am a fellowship trained specialist in geriatrics (with expertise in the area of dementia). Based on history, diagnostic evaluation and examination on 2/23/2021, William A Olson has a diagnosis of Alzheimer's Disease that is moderate in severity. William A Olson is now impaired to the degree that he is not able to remember factual information. He is unable to weigh risks and benefits to be able to make health care decisions. He lacks the cognitive ability to take medication, or keep medical appointments. He has no insight regarding his impairments.

It is my professional opinion that William A Olson is mentally impaired to the degree that he is unable to make health care decisions in his own best self interest.

He is unable to receive & evaluate information or make or communicate decisions to such an extent that he lacks the ability to meet the essential requirements for physical health, safety, and self care, even with the appropriate & reasonable available technological assistance & that therefore, William A Olson is in need of full guardianship. His condition is permanent and further decline is likely.

The information in this letter is privileged and confidential and dissemination beyond its intended purpose is prohibited.

Information About Health Care Decisional Capacity Assessments

Decisional Capacity Assessments in General

We're often asked to have our doctors make assessments about a Kaiser Permanente member's ability to make decisions about their health care and also whether they can make other decisions about their life -- including decisions about where they want to live, who should manage their assets, how to use their assets and how those assets should be distributed after death. This will provide guidance on the types of assessments we can do, what we are not able to do, and alternatives.

What We Can Do

As necessary, our physicians will provide a medical decisional capacity assessment if there is question of whether a member has the capacity to make health care decisions, or for other medically-related reasons, including placement in an appropriate care setting. If you feel this is needed, please discuss it with your physician or your family member's physician. Keep in mind that this is only done when there seems to be a legitimate issue of whether or not a person has the ability to make decisions about their own health care.

What We Can Not Do

We will not provide assessments of a member's decision making on other non-medically related matters, such as where they prefer to live (other than for purposes of safe discharge to a medically appropriate care setting), who should manage their assets, how to use their assets and how these assets should be distributed after death. This type of non-medically related assessment is not a covered benefit under any Kaiser Permanente plan. Additionally, we find that doing these kinds of assessments often ends up getting our physicians into the middle of family issues that may interfere with their primary objective of providing great care to our members, while also developing and maintaining good relationships with the families of our members.

Where Else Can We Get a Decisional Capacity Assessment Done?

If you or a family member needs a decisional capacity assessment (sometimes called a "competency evaluation") that goes beyond medical decision-making, there are other physicians and medical professionals in the community who provide these types of evaluations. The following is a list of those who we understand to be willing to provide these types of competency evaluations for a fee (and there may also be others in the community willing to do such an evaluation). The list is in alphabetical order and we make no representations about who might be better than others at doing this. Again, this is not a covered benefit and you will need to make arrangements to pay for such services on your own.

CURRENT ANNUAL RENTAL:

Five thousand five hundred dollars ($5,500.00) annually due on the first of every January.

CONSIDERATION:

Ten dollars ($10.00) and other valuable consideration.

APPLICANT REQUIREMENTS:

Applicant/Assignee shall prepare and submit fully executed assignment of lease and meet other requirements as described herein.

BACKGROUND:

William Olson entered into a lease under General Lease No. SP0131 effective January 6, 2009 as a result of direct negotiations with the Department of Land and Natural Resources (DLNR) pursuant to Act 223 SLH 2008. William Olson held the previous lease covering the property and a revocable permit immediately prior to the new lease being issued.

By way of a letter dated July 16, 2021, Jan Olson, as Trustee of the William A. Olson and Jan N. Olson Trust, also known as William Olson, as Assignor, had informed State Parks that due to William Olson’s medical condition, letter attached as EXHIBIT B, they wish to transfer the lease over to the Olson Family Trust LLC, a Hawai‘i Limited Liability Company.

Jan Olson and her husband William Olson has a long history connection with Koke‘e camp site Lot 72. They both currently live on the island of Oahu and would visit and stay at the cabin whenever possible. Their daughter grew up staying at the cabin often. Here Jan shares a brief memory:

"The first time I saw our cabin I fell in love. There is a magic there that is hard to describe. It’s like you are in a little bit of a dream. We had a tradition of spending the Thanksgiving 4-day holiday there. (I was a teacher at a public school, Sunset
Beach Elementary School, for over 35 years.) We'd fly over to Kauai Wednesday night and shop at the Big Save Market in Waimea. (I would bring over a frozen turkey in my luggage.) Then we would drive up the "long and winding road" to our cabin. Thursday the windows would fog up with all the steam from the cooking and preparations for the feast. Friday and Saturday, we'd feast on the leftovers and Sunday return home. I never wanted to leave the cabin, every single time. We loved it so."

With Mr. Olson's medical condition, he can no longer travel there. However, Olson's daughter and her 'ohana would love to keep the cabin in the family and continue using it. As part of their estate planning, they wish to transfer the lease over to the Olson Family Trust LLC.

REMARKS:

Lessee is in compliance with the rent as well as the liability insurance required pursuant to the terms of the lease.

Staff notes that the term of the lease is for a period of 20 years commencing January 1, 2009. On the first page of the lease, however, the termination date is listed as December 31, 2029 in error. This would indicate a 21-year lease and is inconsistent with Act 223. Upon consultation with the Department of the Attorney General, a simple amendment can be made to the lease correcting the termination date to read December 31, 2028. Staff recommends this be completed simultaneously with the other documents necessary for the assignment.

The Assignee has not had a lease, permit, easement, or other disposition of State lands terminated within the last five years due to non-compliance with such terms and conditions.

No comments have been solicited or received from any agency or the community. Staff has no objections to this request.

RECOMMENDATION:

That the Board consent to the assignment of General Lease No. SP0131, Jan N. Olson, as Trustee of William A. Olson and Jan N. Olson Trust, also known as William A. Olson, as Assignor, to Assignee, the Olson Family Trust LLC, a Hawai‘i Limited Liability Company, subject to the terms above which are hereby incorporated by reference and further subject to the following:

a. That the lease be amended to correct the termination date to read December 31, 2028;

b. The standard terms and conditions of the most current consent and/or amendment to lease forms, as may be amended from time to time;

c. Review and approval by the Department of the Attorney General; and,
e. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.

The trust is receiving no compensation for the assignment. Enclosed with this letter you will also find the signed assignment which includes a consent to the assignment in the same document. Finally, a copy of the lease, Jan’s power of attorney for William, and a letter establishing Jan’s authority as sole trustee are also enclosed. An original and 2 copies of all documents are enclosed.  

Please feel free to contact me anytime at 808-452-1393 or by email at mikesandhlegal.com. I would be happy to provide any additional documents or information in order to expedite the approval of this assignment.

To whom this may concern:

I have been asked to write a letter stating my medical opinion regarding the condition of William A Olson. I am a physician licensed to practice in the State of Hawaii. I am a fellowship trained specialist in geriatrics (with expertise in the area of dementia). Based on history, diagnostic evaluation and examination on 2/23/2021, William A Olson has a diagnosis of Alzheimer's Disease that is moderate in severity. William A Olson is now impaired to the degree that he is not able to remember factual information. He is unable to weigh risks and benefits to be able to make health care decisions. He lacks the cognitive ability to take medication, or keep medical appointments. He has no insight regarding his impairments.

It is my professional opinion that William A Olson is mentally impaired to the degree that he is unable to make health care decisions in his own best self interest.

He is unable to receive & evaluate information or make or communicate decisions to such an extent that he lacks the ability to meet the essential requirements for physical health, safety, and self care, even with the appropriate & reasonable available technological assistance & that therefore, William A Olson is in need of full guardianship. His condition is permanent and further decline is likely.

The information in this letter is privileged and confidential and dissemination beyond its intended purpose is prohibited.

Sincerely,

Information About Health Care Decisional Capacity Assessments

Decisional Capacity Assessments in General

We're often asked to have our doctors make decisions about a Kaiser Permanente member's ability to make decisions about their health care and also whether they can make other decisions about their life— including decisions about where they want to live, who should manage their assets, how to use their assets and how those assets should be distributed after death. This will provide guidance on the types of assessments we can do, what we are not able to do, and alternatives.

What We Can Do

As necessary, our physicians will provide a medical decisional capacity assessment if there is question of whether a member has the capacity to make health care decisions, or for other medically-related reasons, including placement in an appropriate care setting. If you feel this is needed, please discuss it with your physician or your family member's physician. Keep in mind that this is only done when there seems to be a legitimate issue of whether or not a person has the ability to make decisions about their own health care.

What We Can Not Do

We will not provide assessments of a member's decision making on other non-medically related matters, such as where they prefer to live (other than for purposes of safe discharge to a medically appropriate care setting), who should manage their assets, how to use their assets and how those assets should be distributed after death. This type of non-medically related assessment is not a covered benefit under any Kaiser Permanente plan. Additionally, we find that doing these kinds of assessments often ends up getting our physicians into the middle of family issues that may interfere with their primary objective of providing great care to our members, while also developing and maintaining good relationships with the families of our members.

Where Else Can We Get a Decisional Capacity Assessment Done?

If you or a family member needs a decisional capacity assessment (sometimes called a "competency evaluation") that goes beyond medical decision-making, there are other physicians and medical professionals in the community who provide these types of evaluations. The following is a list of those who understand and are willing to provide these types of competency evaluations for a fee (and there may also be others in the community willing to do such an evaluation). This list is in alphabetical order and we make no representations about who might be better than others at doing this. Again, this is not a covered benefit and you will need to make arrangements to pay for such services on your own.
