The EIS was accepted by the Governor on February 18, 1998. Accordingly, all relevant mitigation from the EIS and best management practices will be implemented to address the minimum impacts of this action.

REMARKS:

In accordance with Section 171-55, HRS, relating to Permits, the Department of Transportation proposes to issue a month-to-month Parking Permit to CAP for aircraft parking at no charge based on FAA Circular 5190.6B-17.19 Exception for Military Aeronautical Units.

FAA Circular 5190.6B-17.19 Exception for Military Aeronautical Units states in part, “The FAA acknowledges that many airports provide facilities to military units with aeronautical missions at nominal lease rates. The FAA does not consider this practice inconsistent with the requirement for a self-sustaining airport rate structure... The search and rescue (SAR) and disaster relief roles played by Coast Guard, the U.S. Air Force Auxiliary, and the Civil Air Patrol are also recognized as a prime aeronautical role. These units generally provide services that directly benefit airport operators and safety.”

RECOMMENDATION:

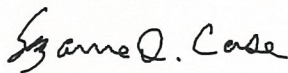

That the Board authorize the Department of Transportation to issue a month-to-month Parking Permit to CAP, subject to: (1) terms and conditions herein outlined, which are by reference incorporated herein; and (2) such additional terms and conditions as may be prescribed by the Director of Transportation to best serve the interests of the State.

Respectfully submitted,

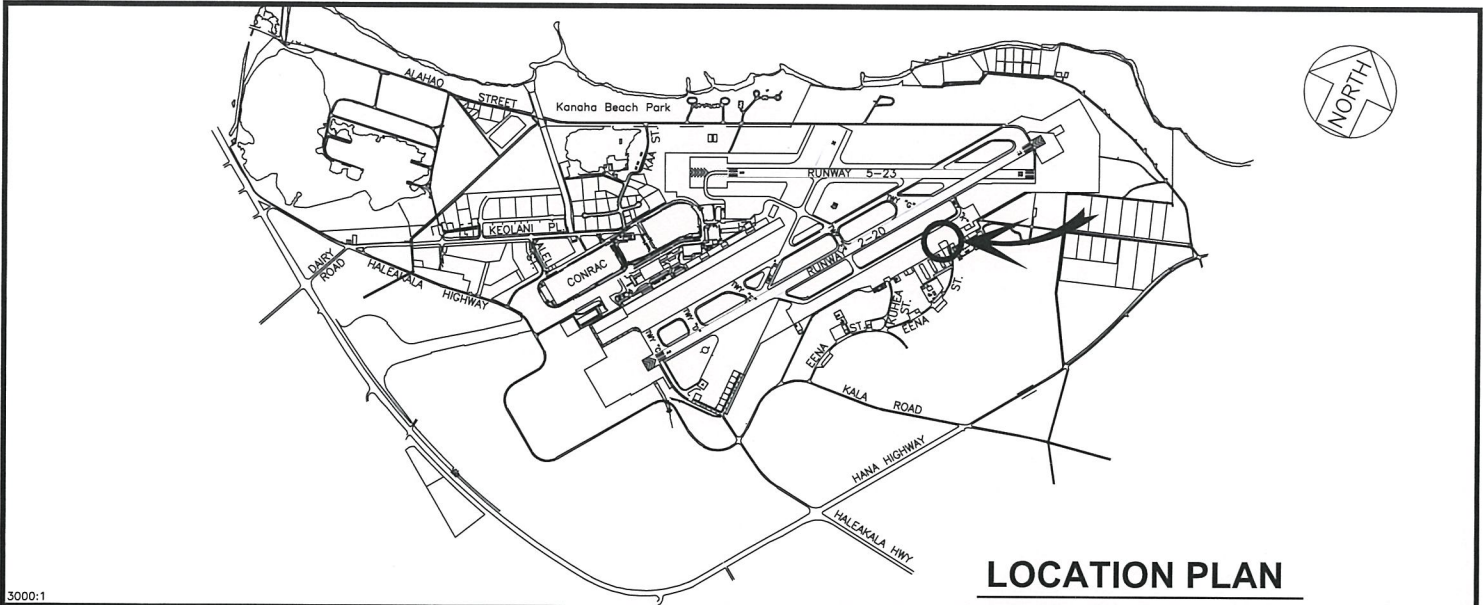

JADE T. BUTAY
Director of Transportation
