Aloha STATE OF HAWAII,

DEPARTMENT OF LAND AND NATURAL RESOURCES,

Land Division,

I am writing on behalf of Kaua`i Bible Church for the purpose of establishing the services the Hawaii Foodbank Kaua`i (HFK) has had with us. We have been working with the HFK since 2009. They have helped us serve the community with food resources through Church on the Beach, which reached the communities from Kekaha to Kalaheo and our Church Food Pantry, located in Omao. Without their partnership, we would not have been able to help countless people during very difficult times in their lives by providing food resources when needed.

Mahalo for the opportunity to read our support letter for HFK. If you have any questions, I would welcome hearing from you.

Sincerely,

Mark Willman

Executive Administrator
