CHAPTER 343 – ENVIRONMENTAL ASSESSMENT:

In accordance with Hawai'i Administrative Rules (HAR) § 11-200.1-15 and the Exemption List for the Department of Land and Natural Resources (DLNR) reviewed and concurred on by the Environmental Council on November 10, 2020, the subject request is exempt from the preparation of an environmental assessment pursuant to General Exemption Type 1, "Operations, repairs or maintenance of existing structures, facilities, equipment, or topographical features, involving minor expansion or minor change of use beyond that previously existing." Part 1, 40., "Leases of state land involving negligible or no expansion or change of use beyond that previously existing." The exemption notification is attached as **Exhibit B**.

REMARKS:

At its meeting on June 9, 2011, Agenda Item E-2, the Board approved the issuance of recreational leases to current permittees pursuant to Act 223 (2008) which is attached as **Exhibit C**.

Act 223 provided a framework for the Board to auction new leases:

(d) Any recreation-residences use lease for a cabin that is vacant and owned by the State on the effective date of this Act or that expires on December 31, 2008, pursuant to subsection (c), shall be auctioned by the board pursuant to section 171-14, Hawaii Revised Statutes; provide that the board of land and natural resources shall first provide bona fide full-time residents of a county in the state with a population of less than 100,000 with the opportunity to obtain any such lease by auction. If any leases remain after such an auction, the board may offer remaining available leases at auction to bidders who are bona fide full-time residents of the State of Hawaii, and then at auction to nonresidents of the State.

This requirement resulted in a three-tiered process depending on the result of auction open to residents of a county in the state with a population of less than 100,000 and to all state residents.

The highest and best use of the properties is a recreation residence use as determined by a January 1, 2022, appraisal.

Staff believes the subject areas are not suitable for hunting, nor will they become so during the term of the leases pursuant to HRS 171-26 and that the leases do not interfere with any existing hunting rights of way.

Staff believes the properties will be successfully sold at auction and had fielded numerous calls and inquiries regarding the availability of cabins in both Waimea Canyon and Kōke'e State Parks.

RECOMMENDATION: That the Board:

1. Declare that in accordance with Chapter 343, HRS, and Chapter 11-200.1, Hawai'i Administrative Rules, this sale of leases will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.
2. Authorize the sale of seven (7) recreational residence leases at public auction pursuant to Act 223 (2008) by way of a three-tiered public auction under the terms and conditions cited above, which are by this reference incorporated herein and further subject to the following:
 - a. That the terms of the lease and the lease form as may be amended from time-to-time;
 - b. That the minimum upset rent shall be the market property rents determined in the January 1, 2022, appraisals.

3. That the Chairperson be authorized to enter into the new leases
4. Review and approval by the Department of the Attorney General; and
5. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.

Respectfully submitted,

ACT 223

HOUSE OF REPRESENTATIVES
TWENTY-FOURTH LEGISLATURE, 2008
STATE OF HAWAII

H.B. NO. 2872
S.D. 2
C.D. 2

A BILL FOR AN ACT

RELATING TO PUBLIC LANDS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. For many decades, the State has granted permits
2 or leases for recreation-residence use on public lands such as
3 state parks and forest reserves for a term not to exceed 20
4 years. Some of these permits and leases have recently expired
5 in state parks at Koke'e and Waimea canyon, Kaua'i, and have
6 caused uncertainty in the process of leasing these sites.

7 The purpose of this Act is to establish a one-time process
8 for the leasing of public lands for recreation-residence use
9 leases in locations at state parks or state forest reserves in
10 counties with a population of less than 100,000.

11 SECTION 2. (a) The board of land and natural resources
12 shall negotiate directly with all existing lessees or permittees
13 of recreation-residence use leases in locations at state parks
14 or state forest reserves in counties with a population of less
15 than 100,000, for lease renewals; provided that the renegotiated
16 lease:

17 (1) Shall be for a period not less than twenty years on
18 such terms and conditions as may be prescribed by the

2008-2645 HB2872 CD2 SMA-1.doc

1 board, pursuant to section 171-44, Hawaii Revised
2 Statutes;

3 (2) Shall be based on market rates for land and buildings,
4 pursuant to section 171-17(b), Hawaii Revised
5 Statutes; and

6 (3) Is a "one time only" negotiation and does not ensure
7 that there will be direct negotiations at the
8 expiration of the renegotiated lease.

9 (b) Existing lessees or permittees may provide a counter-
10 offer based upon their own certified appraisal and the board of
11 land and natural resources shall negotiate in good faith based
12 upon the two appraisals.

13 (c) The board of land and natural resources shall provide
14 each lessee or permittee with proposed new lease terms and rates
15 within three months of the effective date of this Act and shall
16 negotiate final terms of each lease within four months of the
17 effective date of this Act. The lessee or permittee shall have
18 thirty days following the final notification to the lessee or
19 permittee by the board of new lease terms, to agree to and sign
20 the renegotiated lease, or the lease or permit shall expire on
21 December 31, 2008, and the recreation-residence use lease shall
22 be auctioned by the board.

1 (d) Any recreation-residence use lease for a cabin that is
2 vacant and owned by the State on the effective date of this Act
3 or that expires on December 31, 2008, pursuant to subsection
4 (c), shall be auctioned by the board pursuant to section 171-14,
5 Hawaii Revised Statutes; provided that the board of land and
6 natural resources shall first provide bona fide full-time
7 residents of a county in the state with a population of less
8 than 100,000 with the opportunity to obtain any such lease by
9 auction. If any leases remain after such an auction, the board
10 may offer remaining available leases at auction to bidders who
11 are bona fide full-time residents of the State of Hawaii, and
12 then at auction to nonresidents of the State.

13 SECTION 3. (a) There is established a Koke'e state park
14 advisory council, to be placed within the department of land and
15 natural resources for administrative purposes only. The
16 advisory council shall consist of nine voting members appointed
17 in equal numbers by the governor, the speaker of the house of
18 representatives and the president of the senate in accordance
19 with section 26-34, Hawaii Revised Statutes, and four ex-officio
20 nonvoting members.

1 (b) The voting members of the advisory council shall be
2 Kaua'i residents and shall possess general knowledge of at least
3 one of the four strategic areas listed below:

- 4 (1) Education;

16 resources state parks division, as designated by the
17 chairperson of the board of land and natural
18 resources; and
- 19 (4) A representative of the county of Kauai, as designated
20 by the Kauai county council.

21 (d) The voting members of the advisory council shall serve
22 not more than two consecutive three-year terms, with each term

1 beginning on July 1; provided that the initial terms of the
2 appointed members that commence after June 30, 2008, shall be
3 staggered as follows:

- 4 (1) Three members to serve three-year terms;
- 5 (2) Three members to serve two-year terms; and
- 6 (3) Three members to serve a one-year term.

7 For the initial appointments, the governor, the president
8 of the senate, and the speaker of the house of representatives
9 shall designate each of their appointees to serve a one, two, or
10 three-year term.

11 (e) The members of the advisory council shall not receive
12 compensation for their services but shall be reimbursed for
13 expenses, including travel expenses, incurred in their duties
14 relating to the council.

15 (f) A chairperson shall be elected annually by the
16 advisory council from among the council's voting members;
17 provided that no member may serve as chairperson for more than
18 two consecutive years.

19 (g) Five voting members of the advisory council shall
20 constitute a quorum to do business and any action taken by the
21 advisory council shall be validated by a simple majority of the

- 9 Koke'e state park's natural and cultural resources; and
- 10 (5) Advising and assisting in the overall implementation
- 11 of the Koke'e state park master plan.

12 SECTION 4. The department of land and natural resources

13 shall enforce all provisions of recreation-residential use lease

14 agreements and shall establish a schedule of penalties and fines

15 for any breach of the provisions of a recreation-residential use

16 lease agreement unless penalties and fines are specified in the

17 lease agreement.

18 SECTION 5. If any provision of this Act, or the

19 application thereof to any person or circumstance is held

20 invalid, the invalidity does not affect other provisions or

21 applications of the Act, which can be given effect without the

1 invalid provision or application, and to this end the provisions
2 of this Act are severable.

3 SECTION 6. This Act shall take effect on July 1, 2008.
