*request written testimony be submitted no later than 24 hours prior to the meeting to ensure time for Board Member review. Late written testimony will be retained as part of the record and distributed to Board Members as soon as practicable, but we cannot ensure that Board Members will receive it with sufficient time for review prior to decision-making.*

*The Board may go into Executive Session pursuant to Section 92-5(a)(4), Hawaii Revised Statutes, in order to consult with its attorney on questions and issues pertaining to the Board's powers, duties, privileges, immunities, and liabilities.*

*Individuals requiring special assistance or auxiliary aids or services (e.g., sign language interpreter), please contact staff at least 72 hours prior to the meeting at 808.587.0404 so that arrangements can be made. Although contacting 72 hours before the meeting is not strictly required, there is a greater likelihood of the request being fulfilled if a request for auxiliary aid/service or accommodation is done earlier.*

In some of the matters before the Board, a person may wish to request a contested case hearing. If such a request is made before the Board's decision, then the Board will consider the request first - before considering the merits of the item before it. A person who wants a contested case may also wait until the Board decides the issue, then request the contested case after the decision. It is up to you. Any request must be made in writing within ten days. If no request for contested case is made, the Board will make a decision. The Department will treat the decision as final and proceed accordingly.
