BACKGROUND:

On February 9, 2001, the Board of Land and Natural Resources approved CDUP OA-2957 for improvements to Hanauma Bay Nature Preserve subject to nineteen terms and conditions. Condition #12 of CDUP OA-2957 states, "*The applicant will contract for the continuation of the carrying capacity study and submit a yearly update of the baseline data to the Board.*"

RECOMMENDATION

This informational briefing is a "non-action" item on the Board's Agenda. A representative from City Parks is here today to provide an update to the Board regarding the Carrying Capacity Studies prepared for the Hanauma Bay Nature Preserve. Past reports dating from 2018 to present are available on the City's DPR website at: <https://www.honolulu.gov/parks-Hbay/>

Respectfully submitted,

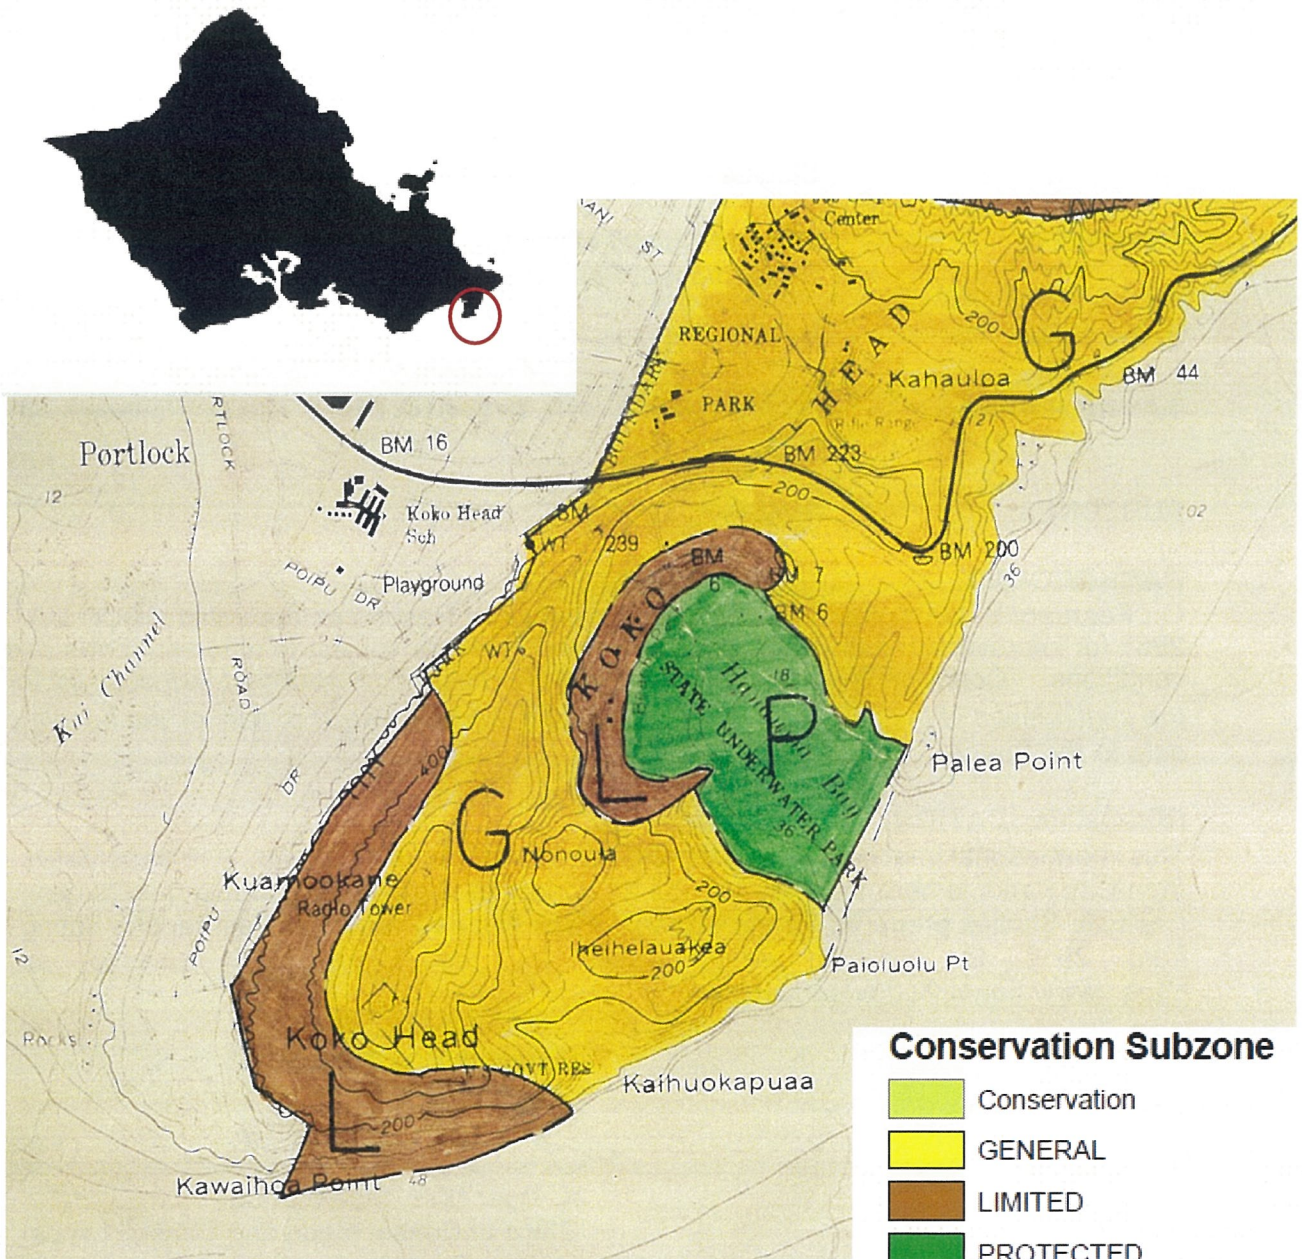

K. Tiger Mills, Staff Planner
