Aloha members of the Board of Land and Natural Resources,

I am writing on behalf of Calvary Chapel Pearl Harbor in support of Hawaii Foodbank and its request to lease the Mill Town Center lots for a new warehouse, Agenda Item No. D-8 for the BLNR meeting to be held on 9/22/23.

We are a Hawai'i Foodbank agency partner who regularly distributes food to those who need it in our community. We have 2 food distributions each month serving up to 270 households per distribution. Our clients greatly depend on us to supplement their daily grocery needs.

Mahalo for your consideration.

Aloha,

To whom it may concern:

Aloha members of the Board of Land and Natural Resources,
I am writing on behalf of Lighthouse Outreach Center in support of Hawaii Foodbank and its request to lease the Mill Town Center lots for a new warehouse, Agenda Item No. D-8 for the BLNR meeting to be held on 9/20/23. We are a Hawai'i Foodbank agency partner who regularly distributes food to those who need it in our community. We have served 800+ families of Oahu since the pandemic started in 2020. It has been a blessing to partner with Hawaii Foodbank and our partnership is very important to our organization. Without Hawaii Foodbank we will not have the ability to serve our community. We do outreach during School breaks, Thanksgiving and Christmas. Having to wait for organizations such as Ko Olina 'Ohana, the Waipahu Town Center and especially other Community Groups who also helps us meet the needs of the community is very hard in which we appreciate but knowing that Hawaii Foodbank is always there to meet the need when we desperately need it is very comforting. Please lease the Mill Town Center lots for a new warehouse for the Hawaii Foodbank. Mahalo for your consideration.

Aloha,

Aloha members of the Board of Land and Natural Resources,

I am writing on behalf of Pearlside Church in support of Hawai'i Foodbank and its request to lease the Mill Town Center lots for a new warehouse, Agenda Item No. D-8 for the BLNR meeting to be held on 9/22/23.

We are a Hawai'i Foodbank agency partner who regularly distributes food to those who need it in our community. Over the past three years, we have seen lives changed. The monthly distributions have provided opportunity for our church to provide comfort and healing to those going through hardships, have friendly conversations that bring hope, and bring smiles to people's faces. We have received many thank yous from those we serve. The Hawai'i Foodbank food distribution has been such a great way to bring unity to our community too.

Mahalo for your consideration. Please consider this request to lease the Mill Town Center.

Mahalo nui loa,
