(b) The bidding requirements of subsection (a) shall not apply to concessions or space on public property set aside for the following purposes:

(1) For operation of ground transportation services and parking lot operations at airports and small boat harbors, except for motor vehicle rental operations under chapter 437D; . . .

BACKGROUND:

At its meeting on August 11, 2023, under agenda Item J-1, the Board of Land and Natural

Resources (“Board”) approved the issuance of a revocable permit (“RP”) to Secure Parking Hawaii LLC for management of vehicular parking at the Ala Wai small boat harbor for 90-days and instructed staff to complete the Request for Interest (“RFI”) process that would lead to the direct negotiation with a vendor for the parking concession. Because the RFI process took longer than anticipated, staff is asking the Board to continue Secure Parking Hawaii LLC’s revocable permit through the end of 2023 at its current rate of eighty percent (80%) of the monthly gross receipts to allow for the preparation and execution of the parking concession contract.

Staff published the RFI on August 31, 2023 in the *Honolulu Star-Advertiser* (see **Exhibit B**). In addition to the published legal notice, staff asked DLNR’s Communications Office to issue a press release announcing the RFI, as well as posting the RFI (see **Exhibit C**) on DOBOR’s website.

Two (2) vendors, Diamond Parking Services and Secure Parking Hawaii LLC, completed and submitted qualification questionnaires, which were evaluated by staff. Staff determined both to be qualified and invited each to submit a proposal for the parking concession.

Staff reviewed the two proposals, and unanimously selected Secure Parking Hawaii LLC’s. A summary of each proposal is shown below and the proposals themselves have been provided to the Board for review.

	Diamond Parking Services	Secure Parking Hawaii LLC
Concession Fee	85/15	83/17
Cancellation	If the contract is cancelled prior to 5/31/2024, Diamond shall be reimbursed for its out-of-pocket expenses.	None
Force Majeure	If during the term of the agreement or any renewal the U.S. experiences a natural disaster, epidemic, civil unrest or any other force majeure, the parties agree to an equitable adjustment of rent under the agreement. The dispute shall be resolved by binding arbitration, with each party paying one-half of the cost. No appeal of arbitration award. Pending arbitration award rent adjusted to 75/25 split.	None

Standby Letter of Credit	None	\$50,000.00
Community Engagement	None	<p>If DOBOR seeks to raise the hourly parking rate from \$1.00 to \$2.00 per hour, recognizing the importance of community engagement with such a change, Secure is committed to managing community outreach, at no cost to the State.</p> <p>If DOBOR seeks to optimize parking by converting all permit stalls to paid parking, Secure is committed to specialized outreach programs to impacted stakeholders such as harbor tenants.</p>
Recreational Free Parking	None	Suggest implementing a vehicle registration system upon arrival for those utilizing free parking.

RECOMMENDATION:

That the Board of Land and Natural Resources:

1. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200.1, HAR, this project will probably have minimal or no significant effect on the environment and is therefore

exempt from the preparation of an environmental assessment.

2. Approve the direct issuance of a parking concession to Secure Parking Hawaii LLC under the terms and conditions contained in Request for Interest with a concession fee payable monthly to the State of Hawaii in an amount equal to eighty three percent (83%) of gross receipts monthly.
3. Based on staff's testimony and facts presented, find that approving the revocable permit under conditions and rent set forth herein will serve the best interest of the State.
4. Approve the continuation of Revocable Permit No. 120 on a month-to-month basis effective November 10, 2023, through December 31, 2023, except if the permit is in arrears of rental payment for more than 60 days and/or has been approved for forfeiture by a separate Board action. If the permit is in arrears of rental for 60 days or more and/or approved by the Board for forfeiture it shall not be renewed.

Respectfully Submitted,

EDWARD R. UNDERWOOD, Administrator
Division of Boating and Ocean Recreation
