Gina

Thank you for sending me the information regarding the very long list of items for the upcoming board meeting and the possibility that we might be deferred until the January meeting.

Based on this, I will not plan to fly to Oahu for the meeting, but like every other homeowner in Waiakalua Reservoir, we are in support of the extension. As you know, I have been working on this issue for the last 17 years and look forward to a completion of this project as quickly as it as possible to get all the engineers and construction to assist us.
