---

To Whom It May Concern:

I oppose banning the aquarium industry, and I support managing resources by science as provided by DAR.

Sincerely,  
Brian J. Makowski

I oppose banning the aquarium fishery and I support managing resources by science as provided by Dar.

I have been keeping fish in my home for over 50 years, it has been a big part of my life growing up, and now I have passed this great hobby to my son and Grandson. Don't take that experience away from our future generations.
