APPLICANT REQUIREMENTS:

Lessees shall be required to:

- 1) comply with the requirements of Act 149 Sessions Laws of Hawaii 2018, negotiate a development agreement with department staff, execute the development agreement and lease extension document, which shall contain the current lease terms and conditions necessary to implement and conform to the requirements of Act 149 SLH 2018 and current law, including but not limited to substantive provisions relating to lease assignments, sublease rents and ownership improvements, as discussed and recommended below; and
- 2) reimburse the Department for the cost of procuring an appraiser to review Lessee's appraiser's report regarding the value of the existing improvements on the property.²

CHAPTER 343 - ENVIRONMENTAL ASSESSMENT:

In accordance with Hawaii Administrative Rules (HAR) § 11-200.1-16 and the Exemption List for the Department of Land and Natural Resources reviewed and concurred on by the Environmental Council on November 10, 2020, the subject request is exempt from the preparation of an environmental assessment pursuant to General Exemption Type 1 that states, "Operations, repairs or maintenance of existing structures, facilities, equipment, or topographical features, involving negligible or no expansion or change of use beyond that previously existing," Part 1, Item 40 that states, "Leases of state land involving negligible or no expansion or change of use beyond that previously existing." The proposed extension of a long-term lease is a de minimis action that will probably have minimal or no significant effect on the environment and should be declared exempt from the preparation of an environmental assessment and the requirements of § 11-200.1-17, HAR.

PROPOSED IMPROVEMENTS

Lessees' current improvement proposal consists of the following:

Item No.	Description	Estimated Cost
1.	Paint (2 coats) of Dev Flex 4020PF direct to metal paint on all exposed metal purlins on South facing overhang.	\$21,000
2.	Cold plane existing asphalt pavement, regrade and compact existing subgrade approximately 93,240 square feet and repave with 2 ½ inch asphalt #4 mix. Restripe as per existing. Cold plane existing asphalt pavement at 2 entrances, regrade	\$420,347

² Pursuant to Section 171-192(f), HRS, "The applicant for a lease extension shall pay all costs and expenses incurred by the department in connection with processing, analyzing, or negotiating any lease extension request and document and of the development agreement under subsections (a) and (b)."

	and compact existing subgrade and repave with 3-inch asphalt #4 mix. Haul all existing material off site.	
3.	Replace large halogen flood lights on overhang with RAB FXLED300T LED's. Replace existing fluorescent strip lighting on overhang with Lithonia 405090 4-inch dual mode LED T8, frosted glass, 12WX20-277V volts, 82 CRL 1800 Lumens, 5000K, 50,000 life. Total length 8 feet long.	\$14,300
4.	Remove existing metal roofing, ridge vents and gable flashings. Install Pattern 7, 24 ga. roofing at 2 ½ laps, 80 pieces of translucent Sunsky skylights, 41-inch ridge caps fastened with 2-inch self-tapping Ultra Grip stainless steel screws.	\$408,550
5.	Replace 240 linear feet of 8-inch galvanized, 14 ga. C purlins fastened with galvanized bolts and nuts at roof edge on overhang. Replace all exposed rusted 8-inch galvanized 14 ga. Z purlins on the exterior of the first and last bay. Fasten with galvanized bolts and nuts.	\$25,100
	Total:	\$899,297

The total cost of the proposed improvements is \$899,297 and the estimates detailing them are included as **Exhibit B**.

BACKGROUND:

General Lease No. S-4323 (GL S-4323) was sold at public auction to C. Brewer & Company on November 10, 1970 for a term of sixty-five (65) years, expiring November 9, 2035. The parcel is approximately 3.706 acres in an industrial zoned area in close proximity to the Hilo Harbor.

At its meeting of November 15, 2002, under agenda item D-25, the Board consented to the assignment of lease from C. Brewer & Company, Ltd. as Assignor, to Tri-K Investments, LLC, as Assignee, consent to mortgage and consent to sublease a portion of the warehouse back to C. Brewer & Company, Ltd.

On September 23, 2005, Tri-K Investments, LLC filed bankruptcy under Chapter 11 of the Bankruptcy Code. On October 3, 2005, an auction occurred pursuant to a Motion to Authorize Sale. The high bidder was 888 Kalaniana'ole, LLC or its nominee. Accordingly, the Bankruptcy Court ordered Debtor Tri-K Investments, LLC to sell and transfer its leasehold and any associated interests in GLS-4323, as more specified in the Order, to 888 Kalaniana'ole, LLC or its nominee.

The Board, at its meeting of October 14, 2005 under agenda item D-2, consented to the assignment of GLS-4323 to 888 Kalaniana'ole, LLC or its nominee. On or about November 4, 2005, Tri-K Investments, LLC assigned GLS-4323 to nominees Kalaniana'ole Real Estate Investments, LLC, a Hawaii limited liability company and FMM, LLC, a Hawaii limited liability company.

As indicated above, the original term of this lease was for 65 years, commencing on November 10, 1970 and expiring on November 9, 2035. Lessees have requested extension of 30 years commencing on November 10, 2035 and expiring on November 9, 2065.

LEASE EXTENSION:

With the Lessees' current lease set to expire on November 9, 2035, the Lessees are requesting an additional 30-year extension pursuant to Act 149, Session Laws of Hawaii 2018 (Act 149) in order to amortize the cost of additional improvements to the property. Act 149 allows up to a 40-year extension of leases located in the Hilo Community Economic District (HCED) based on "substantial improvements" to the lease premises:

"Substantial improvements" means any renovation, rehabilitation, reconstruction, or construction of the existing improvements, including minimum requirements for off-site and on-site improvements, the cost of which equals or exceeds thirty per cent of the market value of the existing improvements that the lessee or the lessee and developer install, construct, and complete by the date of completion of the total development.

The subject lease is located within the HCED as defined in Act 149. Lessees' proposed general improvements include painting, replacing lighting, re-roofing, and replacing purlins of the warehouse structure as well as to remove and replace asphalt pavement on the property along with other renovations to the premises at a cost of \$889,297.³ An appraisal evaluation performed by a certified appraiser retained by the Lessees has determined that the economic life of the proposed improvements will exceed the thirty-five-plus-year period necessary to amortize the improvements. The appraiser, contracted by the Lessees, determined the market value of the current improvements to be \$1,450,000. Lessees' proposed expenditure of \$889,297 represents approximately 61.3% of the value of the existing improvements (\$1,450,000), and Lessees are only seeking a 30-year extension of the lease. Accordingly, Lessees' proposed expenditure appears to justify the requested 30-year extension under Act 149.

Land Division procured the services of an independent appraiser to review the appraisal report submitted by the Lessees/applicants relating to the value of the existing improvements expressly referenced in Act 149 to assure the Lessees' appraisal report and valuation is consistent with the Uniform Standards of Professional Practice (USPAP) or otherwise in line with industry standards. The aforesaid Land Division appraisal review

³ Staff has confirmed that the property is connected to the county sewer system and there are no large capacity cesspool concerns with the property. Once the requested lease extension is granted, Lessee will seek a consent to mortgage from the Board or Chairperson, as appropriate, in order to finance improvements to the property. The Lessee has prequalified for a loan from First Hawaiian Bank of up to \$800,000.00. As a condition of the loan, the bank is requesting the Lessee obtain an extension of the current lease including the known fixed rent for a minimum of 10 years beyond the established amortization period (minimum of 30 years).

report concluded that the Lessee’s appraisal was compliant with USPAP and that the report’s conclusions appear to be generally supported and credible.

Act 149 stipulates that prior to entering into a development agreement, the lessee shall submit to the Board the plans and specifications for the total development being proposed. The Board shall review the plans and specifications and determine: 1) Whether the development proposed is of sufficient worth and value to justify the extension; 2) The estimated time to complete the improvements and expected date of completion; 3) The minimum revised annual rent based on the fair market value of the lands to be developed, as determined by an appraiser for the Board, and the percentage rent where gross receipts exceed a specified amount.

The Lessees has submitted plans and specifications for the total development and a proposed development agreement outlining the terms and conditions required in compliance with Act 149 and Section 171-192(a), HRS, as amended, and the Lessees have accepted the minimum revised annual rent based on the fair market value of the lands as determined by the Board's appraiser as follows:

<u>Effective Date</u>	<u>Annual Lease Rent</u>
11/10/2035	\$147,568.00
11/10/2045	\$179,885.00
11/10/2055	\$307,151.00

Paragraph 10 of the Lease, states:

10. Repairs to improvements. That the Lessee shall, at its own expense, keep, repair and maintain all buildings and improvements now existing or hereafter constructed or installed on the demised premises in good order, condition and repair, reasonable wear and tear excepted.

As part of its due diligence and review process, staff notes that the Internal Revenue Service (IRS) has provided criteria to determine what would qualify as a capital improvement, which is an improvement that adds to the value of a property, extends its useful life, or adjusts it to new uses. The property is improved whenever it experiences a betterment, adaption or restoration. An expenditure is for betterment if it facilitates a material condition or defect in the property that existed before it was acquired or when it was produced - it makes no difference whether or not you were cognizant of the defect when you received the unit of property; results in a material addition to the property - for instance, physically broadens, grows, or extends it, or results in a material increase in the property's capacity, productivity, power, or quality.

An expenditure is for a restoration if it returns a property that has plunged into disrepair to its ordinarily efficient operating condition; rebuilds the property to a like-new condition after the end of its useful economic life; replaces a significant part or important structural component of the property; replaces a piece of a property for which the owner has taken a loss, or repairs damage to a property for which the owner has taken a basis adjustment for

a casualty loss.⁴ Generally, repairs are one-time expenditures to keep the property as currently existing in a usable and operating condition.⁵

Based on the foregoing and upon review of Lessees' improvement plan, staff believes that the proposed expenditures exceed simple repairs and qualify as substantial improvements under Act 149.

Staff notes that GL S-4323 states:

24. Surrender. That the Lessee shall and will at the expiration or sooner termination of this lease, peaceably and quietly surrender and deliver possession of the demised premises to the Lessor, together with all buildings and improvements of whatever name or nature, now on or hereafter erected or placed upon the same, in good order and condition, reasonable wear and tear excepted.

GL S-4323 expires on November 8, 2035. If the Board denies the extension request, ownership of the improvements will revert to the Department, including the costs to secure, repair and maintain the improvements. Furthermore, if the lease extension is not granted, there is no incentive for the Lessees to maintain the improvement in an optimal condition at the end of the lease term.

⁴ Information can be found at this link: <https://www.irs.gov/businesses/small-businesses-self-employed/tangible-property-final-regulations#Whatisthefactsandcircumstancesanalysis>.

⁵ The United States Supreme Court has recognized the highly factual nature of determining whether expenditures are for capital improvements or for ordinary repairs. See Welch v. Helvering, 290 U.S. 111, 114 (1933) (“[T]he decisive distinctions [between capital and ordinary expenditures] are those of degree and not of kind”); Deputy v. du Pont, 308 U.S. 488, 496 (1940) (observing that each case “turns on its special facts”). Because of the factual nature of the issue, the courts have articulated a number of ways to distinguish between deductible repairs and non-deductible capital improvements. For example:

Illinois Merchants Trust Co. v. Commissioner, 4 B.T.A. 103, 106 (1926), the court explained that repair and maintenance expenses are incurred for the purpose of keeping property in an ordinarily efficient operating condition over its probable useful life for the uses for which the property was acquired. Capital expenditures, in contrast, are for replacements, alterations, improvements, or additions that appreciably prolong the life of the property, materially increase its value, or make it adaptable to a different use.

Estate of Walling v. Commissioner, 373 F.2d 190, 192-193 (3rd Cir. 1967), the court explained that the relevant distinction between capital improvements and repairs is whether the expenditures are to “put” or “keep” property in efficient operating condition.

Plainfield-Union Water Co. v. Commissioner, 39 T.C. 333, 338 (1962), the court stated that if the expenditure merely restores the property to the state it was in before the situation prompting the expenditure arose and does not make the property more valuable, more useful, or longer-lived, then such an expenditure is usually considered a deductible repair. In contrast, a capital expenditure is generally considered to be a more permanent increment in the longevity, utility, or worth of the property.

Based on the foregoing, staff recommends that the Board approve the proposed development agreement, a copy of which is attached hereto as **Exhibit C** and authorize the Chairperson to execute the development agreement as well as the lease extension document. The development agreement and the lease extension document will incorporate the following specific current lease terms and conditions for the 30-year extension in order to implement Act 149 and conform the terms of the extension period to current law. Below is a summary of the three substantive provisions that need to be updated in this lease originally issued in 1970:

- **Lease Assignments.** The current lease form includes an assignment of lease premium analysis that allows the State to share in the consideration paid for an assignment of a lease under some circumstances. This term is consistent with Section 171-36, HRS. GL S-4323 is silent on this provision, and the lease extension period should include this standard assignment of lease premium term.
- **Sublease Rents.** The current lease form includes language allowing the State to adjust the lease rent based on the sublease rent charged to the sublessee, which is also consistent with Section 171-36, HRS. GL S-4323 contains a sublease rent participation clause, but it is different from the provision currently used for new leases. The lease extension document should include the updated standard sublease rent participation language.
- **Ownership of Improvements.** The current lease form includes a provision on ownership of improvements at lease expiration giving the State the option of assuming ownership or requiring the lessee to remove them at lessee's expense. GL S-4323 simply provides that at the expiration of the lease, lessee delivers possession of the demised premises to the lessor, together with all buildings and improvements in good order, reasonable wear and tear excepted, leaving open the question whether the State is responsible for removing improvements that have outlived their useful lives. The lease extension document and the development agreement should include the current standard terms clarifying the State's options relating to ownership of improvements.

At this time, staff is recommending that these updated lease terms and other current standard lease terms and conditions be limited to the 30-year extension period that the Board, at its discretion, may approve under Act 149. Incorporating these substantive terms for the extension period is consistent with the legislative intent of Chapter 171, HRS, which allows the State to be paid its fair share of ancillary income arising from the tenant's leasehold interest.

The cost proposal stipulated the improvements to be completed within six (6) months of notice to proceed. However, staff is recommending twenty-four (24) months for Lessee to complete the improvements required under the development agreement. Staff is recommending additional time for Lessees to complete the improvements required under the development agreement in order to provide Lessees' the opportunity to address any

labor or supply chain issues that may arise over the construction period without defaulting on the development agreement. Additionally, the twenty-four month period is consistent the time period granted to other lessees seeking extensions to complete their improvements.

Upon the Board's approval of the terms and conditions of the development agreement as set forth above, staff is recommending that the Chairperson be authorized to approve and execute the development agreement once it is finalized and thereafter to execute the lease extension document.

There are no outstanding rental reopening issues. The Lessees are current with rent, insurance and performance bond. No agency comments were solicited on the request because it involves a lease extension and not a new disposition.

RECOMMENDATION:

That the Board, subject to the Lessees fulfilling the Applicant Requirements listed above:

1. Declare that, after considering the potential effects of the proposed dispositions as provided by Chapter 343, HRS, and Chapter 11-200.1, HAR, the lease extension and the substantial improvements to the lease premises are expected to have minimal or no significant effect on the environment and are therefore exempt from the preparation of an environmental assessment as a de minimis activity.
2. Determine that: 1) the development proposed is of sufficient worth and value to justify the extension of the lease; 2) the estimated time to complete the improvements is approximately 24 months from the date the development agreement is signed; and 3) the minimum revised annual rent for the extension based on the fair market value of the lands to be developed shall be as follows:

<u>Effective Date</u>	<u>Annual Lease Rent</u>
11/10/2035	\$147,568.00
11/10/2045	\$179,885.00
11/10/2055	\$307,151.00

3. Authorize the Chairperson to approve and execute a development agreement with Lessees Kalaniana'ole Real Estate Investments, LLC and FMM, LLC, for a 30-year extension of General Lease No. S-4323, covering the State-owned parcel identified by Tax Map Key: (3) 2-1-010:033 pursuant to Act 149, Session Laws of Hawaii 2018, under the terms and conditions cited above, which by this reference are incorporated herein, and further subject to the following terms and conditions:
 - A. Incorporation of the current standard terms and conditions, regarding, and including but not limited to lease assignment, sublease rent participation, and ownership of improvements used by the Department of the Attorney General with respect to leasing of public lands;

- B. Review and approval by the Department of the Attorney General; and
 - C. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.
4. Approve a 30-year extension of lease term of General Lease No. S-4323, Kalaniana'ole Real Estate Investments, LLC and FMM, LLC, covering the State-owned parcel identified by Tax Map Key: (3) 2-1-010:033, pursuant to Act 149, Session Laws of Hawaii 2018, under the terms and conditions cited above, which by this reference are incorporated herein, and further subject to the following terms and conditions:
- A. Incorporation of the current standard terms and conditions, regarding, and including but not limited to lease assignment, sublease rent participation, and ownership of improvements used by the Department of the Attorney General with respect to leasing of public lands.
 - B. Review and approval by the Department of the Attorney General; and
 - C. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.

DEVELOPMENT AGREEMENT

THIS DEVELOPMENT AGREEMENT (the “**Agreement**”) is made and dated effective as of this _____ day of _____, 2024 (“**Effective Date**”), by and between the **STATE OF HAWAII**, by its Chairperson of the Board of Land and Natural Resources (“**Chairperson**”) by the authority granted by the Board of Land and Natural Resources (“**Board**”) at its meeting held on May 10, 2024, under agenda Item D-___, for the Department of Land and Natural Resources, Land Division, whose principal place of business and post office address is 1151 Punchbowl Street, Room 220, Honolulu, Hawaii 96813 (“**State**”), and **Kalaniana'ole Real Estate Investments, LLC** and **FMM, LLC**, whose business address is _____ (“**Lessee**”).

RECITALS:

- A. The State owns in fee simple that certain parcel of land, a portion of government lands, situated at Waiakea, South Hilo, Hawaii, shown on **Exhibit A** attached hereto, incorporated herein and made a part hereof. The parcel consists of approximately 3.706 acres and is identified by Tax Map Key: (3) 2-1-010:033 (“**Subject Property**”).
- B. The parcel is currently leased to Lessee under General Lease No. S-4323 for an original term of sixty-five (65) years, commencing on November 10, 1970 and expiring on November 9, 2035 (“**Lease**”).
- C. Act 149 Session Laws of Hawaii 2018 ("**Act 149**"), codified at Sections 171-191 and 171-192, Hawaii Revised Statutes ("**HRS**"), as amended, created the Hilo community economic district which includes the Subject Property. The purpose for creating the district was to allow the State to “facilitate efficient and effective improvement, and economic opportunity, in the area for lessees who commit to making substantial improvements to the existing improvements or constructing new substantial improvements.”
- D. Act 149 authorizes the Board to extend the term of leases for public lands within the Hilo community economic district for lessees who commit to substantial improvements to the existing improvements or to new substantial improvements so long as the length of the extension granted does not extend the original lease term by more than forty (40) years, and/or to extend the terms of such leases to the extent needed to qualify the lessee for loans or to amortize the cost of substantial improvements to the premises paid for by the lessee without institutional financing.
- E. Act 149 defines "substantial improvements" to mean “any renovation, rehabilitation, reconstruction, or construction of existing improvements, including minimum requirements for off-site and on-site improvements, the cost of which equals or exceeds thirty per cent of the market value of the existing improvements, that the lessee or the lessee and developer install, construct, and complete by the date of completion of the total development.”

- F. An Appraisal Report prepared for the Lessee determined the market value of the leasehold improvements on the Subject Property to be \$1,450,000 as of March 23, 2022. Thirty percent of this amount is \$435,000.
- G. Lessee applied for a 30-year extension, which is lower than the maximum of 40 years allowed under Act 149, and is planning to make substantial improvements to the Subject Property in an amount exceeding the minimum required to be eligible for a lease extension under Act 149, as the total cost of Lessee's substantial improvements will be approximately \$889,297.
- H. Lessee's plans and specifications for its substantial improvements to the Subject Property were presented to the Board at its meeting of May 10, 2024, under agenda Item D-__, together with the State staff recommendation that the Board approve a 30-year extension of the Lease to amortize the cost of the substantial improvements. The Board reviewed the plans and specifications and statutory requirements for a lease extension Act 149 and approved the extension of the Lease.
- I. This Agreement sets forth the terms and conditions that Lessee must satisfy and successfully perform in order for the requested extension of the Lease to be issued, and for Lessee to retain the benefit of the requested extension of the term of the Lease for the Subject Property pursuant to Act 149.

AGREEMENT:

In consideration of the recitals and the mutual covenants, obligations and conditions set forth in this Agreement, the State and Lessee hereby mutually agree as follows:

1. Term. The term of this Agreement shall commence on the Effective Date and terminate on the Completion Date as defined in Paragraph 8 herein, unless terminated sooner pursuant to the terms of this Agreement.

2. Continuation of the Payment of Lease Rental. Lessee shall continue to pay to the State, throughout the term of this Agreement, all rent and other charges due by Lessee under the Lease, or the extension of the Lease provided for under this Agreement (the "**Extended Lease**"), pursuant to the terms and conditions of the Lease or the Extended Lease, as applicable, including the Revised Annual Rent as defined in Paragraph 3.A.(iii) herein, and all other rent and other charges due by Lessee under the Lease or Extended Lease pursuant to their terms and conditions.

3. Development Plan.

A. Pursuant to Act 149, prior to entering into this Agreement, Lessee prepared and submitted to the Board the plans and specifications of its proposed development plan for the substantial improvements to the Subject Property dated April 23, 2024, a copy of which is attached hereto as **Exhibit B** incorporated herein and made a

part hereof (such plans and specifications are collectively referred to as the “**Development Plan**”). All such plans and specifications of the Development Plan shall meet the requirements of and be in full compliance with this Agreement and all applicable municipal, county, state and federal regulations, rules, codes and ordinances. The Board reviewed the Development Plan at its meeting held on May 10, 2024, under agenda Item D-___, and determined that:

(i) The Development Plan proposed in this Agreement is of sufficient worth and value to justify the extension of the term of the Lease to November 9, 2065;

(ii) The estimated period of time to complete the Development Plan shall be twenty-four (24) months from the Effective Date of this Agreement, which is reasonable; and

(iii) The minimum revised annual rent to be paid by Lessee shall be based on the fair market value of the lands comprising the Subject Property to be developed, as determined by independent appraisal in accordance with Section 171-17, HRS (“**Revised Annual Rent**”).

B. The Board granted final approval of the Development Plan and this Agreement at its meeting held on May 10, 2024, Item D-___.

C. Lessee shall have submitted evidence reasonably satisfactory to the Chairperson that Lessee has adequate funding and/or financing to fully develop the Subject Property in accordance with the approved Development Plan.

D. Notwithstanding anything contained in this Agreement to the contrary, no such final approval of the Development Plan by the State shall be deemed a warranty or other representation on its part that (1) Lessee will be able to obtain all necessary federal, state and county entitlements, permits or other approvals required to enable Lessee to develop the Subject Property in accordance with the approved Development Plan; or (2) such approved Development Plan by the State and the plans and specifications of substantial improvements to the to the Subject Property described therein are legal or structurally safe or sound.

4. Condition of the Subject Property. The State makes no representations regarding the condition or suitability of the Subject Property and of the existing structures and improvements at the Subject Property for the approved Development Plan. Lessee shall, at its sole cost and expense, be responsible for conducting its own investigations and due diligence regarding the Subject Property and the existing structures and improvements at the Subject Property, and any site work necessary to implement the approved Development Agreement, including but not limited to the removal of hazardous materials, if any. Lessee acknowledges and agrees that it assumes all risks of development at the Subject Property.

5. Construction Period. Lessee shall have twenty-four (24) months from the Effective Date to complete the substantial upgrades to the existing improvements on the Subject Property in accordance with the approved Development Plan (“**Construction Period**”).

Lessee shall, at Lessee's sole cost and expense, expeditiously and diligently seek to obtain all necessary and appropriate permits and/or other regulatory approvals from the Federal Government, State of Hawaii (including the State Legislature if applicable), and/or County of Hawaii ("**County**") so as to enable Lessee to complete the substantial improvements to the to the Subject Property in accordance with the approved Development Plan. Lessee shall use diligent and all commercially reasonable efforts to obtain all required permits and/or other regulatory approvals from the Federal Government, State of Hawaii and/or County.

6. Hazardous Materials. Lessee shall not cause or permit the escape, disposal or release of any hazardous material in completing the approved Development Plan at the Subject Property, except as permitted by law. Lessee shall not allow the storage or use of such materials in any manner not sanctioned by law or by the highest standards prevailing in the industry for the storage and use of such materials, nor allow to be brought onto the Subject Property any such materials except to use in the ordinary course of Lessee's business, and then only after written notice is given to the State of the identity of such materials and upon the State's consent, which consent may be withheld at the State's sole and absolute discretion. If any lender or governmental agency shall ever require testing to ascertain whether or not there has been any release of hazardous materials by the Lessee, then the Lessee shall be responsible for the reasonable costs thereof. In addition, Lessee shall execute affidavits, representations and the like from time to time at the State's request concerning Lessee's best knowledge and belief regarding the presence of hazardous materials on the Subject Property placed or released by Lessee.

Lessee agrees to indemnify, defend, and hold the State harmless, from any damages and claims resulting from the release of hazardous materials on the Subject Property occurring while Lessee is in possession, or elsewhere if caused by the Lessee or persons acting under the Lessee. These covenants shall survive the expiration or earlier termination of this Agreement.

For the purpose of this Agreement, "hazardous material" shall mean any pollutant, toxic substance, hazardous waste, hazardous material, hazardous substance, or oil as defined in or pursuant to the Resource Conservation and Recovery Act, as amended, the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, the Federal Clean Water Act, or any other federal, state, or local environmental law, regulation, ordinance, rule, or by-law, whether existing as of the date ordinance, rule, or by-law, whether existing as of the date hereof, previously enforced, or subsequently enacted.

7. Bonds. Lessee shall not commence construction of the improvements until Lessee has filed with the State sufficient bonds conditioned upon the full and faithful performance of all the terms and conditions of this Agreement, including a completion bond for the full, faithful and timely completion of this Agreement, free from all liens and claims, including the completion of the substantial improvements described in this Agreement, and a labor and materialmen's bond in the amount of \$889,297, in such form and upon such terms and conditions as may be approved by the State. The Lessee shall, at its own cost and expense, within fifteen (15) days from the Effective Date of this Agreement, procure and deposit with the State and thereafter keep in full force and effect during the term of this Agreement, such bonds acceptable to the State in the amount of \$889,297 as aforesaid, which bonds shall name the State

as obligee, conditioned upon the full and faithful observance and performance by Lessee of all the terms, conditions and covenants of this Agreement, including, but not limited to, the completion of the substantial improvements requirement in accordance with the approved Development Plan at the Subject Property on or before the date of completion, free from all liens and claims, pursuant to the approved Development Plan. Lessee shall indemnify, defend, and hold the State harmless from all liens, suits, actions or damages arising out of, caused from or attributable to the work performed pursuant to the substantial improvements requirement in accordance with the approved Development Plan at the Subject Property incorporated herein this Agreement. These bonds shall provide that in case of a breach or default of any of the terms of this Agreement, covenants, conditions and agreements of such bonds, the full amounts payable pursuant to the terms and conditions of such bonds shall be paid to the State as liquidated and ascertained damages and not as a penalty.

8. Completion of Construction; Inspection. Upon Lessee's completion of the substantial improvements on the Subject Property in accordance with the approved Development Plan, Lessee shall provide written notice to the State acknowledging and confirming the same. Representatives of the State and Lessee shall then conduct a final inspection and walk through of the Subject Property within fourteen (14) days of such written notice, and a "punch list" shall be mutually prepared and agreed upon by representatives of the State and Lessee within seven (7) days of such inspection and walk through of the Subject Property. Such punch list shall itemize any areas of construction that were not in accordance with the approved Development Plan, or any unauthorized construction or work not acceptable to the State or any other governmental agency having jurisdiction over such work. Lessee, at Lessee's sole cost and expense, shall immediately repair all deficiencies identified as potential safety hazards on the punch list, and all other deficiencies on the punch list shall be remedied, or the work to remedy has commenced if a remedy may not reasonably be completed within the timeframe specified herein, within fourteen (14) days of the preparation of the same.

If the State is satisfied that completion of the substantial improvements to the Subject Property has been performed in accordance with the approved Development Plan by Lessee, including any and all punch list items, and forty-five (45) days have elapsed after the filing and publication of the Notice of Final or Substantial Completion by Lessee without any applications for mechanic's or materialmen's liens, or other suits or claims relating to such substantial improvements, being filed against the Subject Property, then the State shall confirm and notify Lessee of the same in writing ("**Completion Date**"), at which time Lessee shall have the right to terminate the bonds posted by Lessee pursuant to Paragraph 7 hereof.

9. Justification of Sureties. Any bonds required by this Agreement shall be supported by the obligation of a corporate surety organized for the purpose of being a surety and qualified to do business in the State of Hawaii, or by not less than two (2) personal sureties, corporate or individual, for which justifications shall be filed as provided in Section 78-20, HRS; provided, however, the Lessee may furnish a bond in like amount, conditioned as aforesaid, executed by it alone as obligor, if, in lieu of any surety or sureties, it shall also furnish and at all times thereafter keep and maintain on deposit with the State security in certified checks, certificates of deposit (payable on demand or after a period the State may stipulate), bonds, stocks or other negotiable securities properly endorsed, or execute and deliver to the State a deed or deeds of trust of real property, all of a character which is satisfactory to State and valued

in the aggregate at not less than the principal amount of the bond. It is agreed that the value of any securities which may be accepted and at any time thereafter held by the State shall be determined by the State, and that the Lessee may, with the approval of the State, exchange other securities or money for any of the deposited securities if in the judgment of the State the substitute securities or money shall be at least equal in value to those withdrawn. It is further agreed that substitution of sureties or the substitution of a deposit of security for the obligation of a surety or sureties may be made by the Lessee, but only upon the written consent of the State and that until this consent is granted, which shall be discretionary with the State, no surety shall be released or relieved from any obligation, except for any bonds terminated by Lessee after the Completion Date pursuant to the terms of Paragraph 8 hereinabove.

10. Waiver, Modification, Reimposition of Bond and Liability Insurance Provisions. Upon substantial completion of the improvements contemplated herein and after forty-five (45) days after the filing and publication of the Notice of Final or Substantial Completion by Lessee without any applications for mechanic's or materialmen's liens, or other suits or claims relating to such substantial improvements, being filed against the Subject Property, and upon substantial compliance by the Lessee with the terms, covenants, and conditions contained in this Agreement on its part to be observed or performed, the State at its discretion may in writing, waive or suspend the performance bond or improvement bond requirements or both or may, in writing, modify the particular bond(s) or liability insurance requirements by reducing its amount; provided, however, that except for any bonds terminated by Lessee after the Completion Date pursuant to the terms of Paragraph 8 hereinabove, the State reserves the right to reactivate the bonds or reimpose the bond(s) or liability insurance in and to their original tenor and form at any time throughout the term of this Agreement.

11. Modifications to the Development Plan. Lessee shall be entitled to make changes or modifications to the approved Development Plan as may be required to address and satisfy any comments made or issues raised by the appropriate agencies of the Federal Government, State of Hawaii and/or County without the further consent or approval by the State, provided that: (a) Lessee provides advance written notice to the State of such changes or modifications, including a reasonably specific explanation as to why such changes or modifications are being undertaken and their anticipated effect; and (b) such changes or modifications: (i) do not materially alter or change the Development Plan as approved by the State; (ii) do not reduce the rents and all other charges to be paid by Lessee under the Lease or the Extended Lease; (iii) do not provide for uses that are not permitted by applicable laws or ordinances; or (iv) do not adversely affect or delay the Construction Period for more than one hundred and eighty (180) days.

In addition, the State recognizes that from time to time the approved Development Plan may require changes or modifications initiated by Lessee. Lessee may make any such changes or modifications to said approved Development Plan with the prior written consent of the State, which consent shall not be unreasonably withheld, provided that such changes or modifications: (a) do not materially alter or change the Development Plan as approved by the State; (b) do not reduce the rents and all other charges to be paid by Lessee under the Lease or Extended Lease; (c) do not provide for uses that are not permitted by applicable laws or ordinances; or (d) do not adversely affect or delay the Construction Period for more than one hundred and eighty (180) days.

12. Agreement to Issue Extension of Term of Lease. Upon execution of this Agreement, the State will request the Department of the Attorney General to prepare the Extended Lease document. Pursuant to Act 149, the Extended Lease document (heretofore and hereinafter sometimes also simply referred to as the “Extended Lease”) shall reflect an extension term of thirty (30) years and shall contain the Department’s and the Department of the Attorney General’s most current lease terms and conditions for leasing of public lands to for-profit entities, including but not limited to Lease Assignment, Sublease Rent Participation, and Ownership of Improvements. The Extended Lease document will cover the aggregate extended term between November 10, 2035 and expiring on November 9, 2065, and will provide that in the event that the Lessee fails to successfully perform, timely satisfy or fully comply with any of the terms and conditions of this Agreement and/or approved Development Plan, the Extended Lease term will be rescinded and the Lease, together with its current termination date of November 10, 2035, will be reinstated. The State and Lessee will promptly sign the Extended Lease document when the form thereof is approved by the Department of the Attorney General.

13. Default; State’s Right to Terminate Agreement and/or Rescind Lease Extension. The State may, at its option and in its sole and absolute discretion, upon written notice to Lessee without prejudice to any other remedy or right of action, terminate this Agreement and/or rescind the Extended Lease at any time for any one of the following reasons:

A. If Lessee fails to pay rent or any part thereof or any other charge, payment or amount it is obligated to pay or that is due by Lessee under the Lease or the Extended Lease, and this failure continues for a period of more than thirty (30) days after delivery by the State of a written notice of such breach or default and demand for cure, by personal service, registered mail or certified mail to Lessee that the same is past due;

B. If Lessee fails to observe or perform any of the material covenants, terms and conditions contained in this Agreement, including but not limited to, those listed in subparagraphs (i) through (iv) herein, the Lease or the Extended Lease on the Lessee’s part to be observed and performed, and such breach or default continues for a period of more than sixty (60) days after delivery by the State of a written notice of such breach or default and demand for cure, by personal service, registered mail or certified mail to Lessee of such breach or default, or if such breach or default in observance and performance of such other covenants cannot reasonably be cured within said sixty (60)-day period, then such longer time as may be required, provided that Lessee shall within said period commence such cure and thereafter diligently prosecute the same to completion within sixty (60) days thereafter;

(i) If Lessee fails to obtain any and all Federal Government, State of Hawaii (including the State Legislature if applicable), and County permits and approvals required and necessary for the completion of the approved Development Plan;

(ii) If Lessee becomes bankrupt or insolvent, or seeks protection under any provision of any bankruptcy or insolvency law or any similar law providing for the relief of debtors, or abandons the project contemplated under the approved Development Plan, or if any assignment is made of Lessee’s rights hereunder for the benefit of creditors;

(iii) If the Subject Property or any part of the Subject Property, appurtenances or improvements are used, or intended to be used in any manner to commit or to facilitate the commission of a crime; or

(iv) If the Lessee is not in compliance with Sections 171-191 and -192, HRS.

Any default under this Agreement, the Lease, or Extended Lease by the Lessee shall be cause by the State to terminate this Agreement and rescind the Extended Lease, and the State shall have all other rights and remedies provided herein, in the Lease or the Extended Lease, as applicable, or as otherwise provided by law with respect to a default by the Lessee under this Agreement, the Lease or Extended Lease. Provided further, a default under this Agreement shall cause the Extended Lease to be void ab initio.

Upon any early termination by the State under this Agreement, this Agreement shall terminate on the date as provided for in the State's written notice and shall become null and void except as to any provisions which expressly survive termination in this Agreement. The Extended Lease shall be rescinded and Lessee shall not be entitled to an extension of the term of the Lease for the Subject Property pursuant to Act 149. Upon the effective date of termination and without waiving any other remedies to which it may be entitled, the State shall be entitled to: (1) prosecute any claim against Lessee for fees, costs or other payments or charges that accrued prior to the effective date of termination, including the interest thereon; and (2) assert any claim that it may have against Lessee for any damages, costs, or expenses, suffered or incurred by the State, which obligations shall survive termination of this Agreement, the Lease and/or Extended Lease.

14. Non-Waiver. The waiver by the State of any breach by the Lessee of any term, covenant, or condition of this Agreement or the Lease, nor of the State's right of re-entry for breach of covenant, nor of the State's right to declare and enforce a forfeiture for any breach, nor of the failure of the State to insist upon strict performance of any term, covenant, or condition, or to exercise any option conferred, in any one or more instances, shall not be construed as a waiver or relinquishment of any such term, covenant, condition or option.

15. Liens. Lessee will not commit or suffer any act or neglect whereby the Subject Property or any improvements thereon or the estate or interest of the State therein shall at any time during the term of this Agreement become subject to any attachment, judgment, lien, charge or encumbrance whatsoever, and will indemnify, defend and hold the State harmless from and against all loss, cost or expense with respect thereto (including reasonable attorney's fees). If any lien for work, labor, services or materials done for or supplied to the Subject Property by, on behalf of, or through Lessee is filed against the Subject Property, Lessee shall have sixty (60) days from the date of filing in which to cause such lien to be discharged of record by payment, deposit, bond or other reasonably satisfactory alternative approved by the State, as the case may be. The foregoing covenants of Lessee shall survive expiration or any early termination of this Agreement.

16. Expenses to be Paid by Lessee. Pursuant to Act 149, Lessee shall pay all costs and expenses incurred by the State in connection with the processing, analyzing and negotiating of any request for a lease term extension and document, and this Agreement.

17. Observance of Laws, Ordinances and Regulations. Each party hereto, and their respective officers, agents, assigns, employees, consultants and/or contractors, or persons acting for or on its behalf, shall at all times observe and comply with all applicable laws, ordinances, rules and regulations of the federal, state, county and municipal governments, now in force or which may be in force.

18. Archaeology; Historic Preservation. Lessee, including any agent or contractor, upon encountering any previously unidentified archaeological resources such as artifacts, shell, bone or charcoal deposits, human remains, or any historic properties or burials, on the Subject Property, will immediately stop all work and contact the State DLNR Historic Preservation Division in compliance with Chapter 6E, HRS.

19. Recordation. This Agreement shall not be recorded. However, upon request by either the State or Lessee, a short form memorandum of this Agreement shall be prepared by the State and shall be duly executed and acknowledged in proper form and may be placed of record so as to give public notice as to the existence of this Agreement.

20. Notices. Any notice or demand to the State or Lessee provided for or permitted by this Agreement shall be given in writing and: (a) mailed as registered or certified U.S. mail, return receipt requested, postage prepaid, addressed to such party at its post office address herein specified or the last such address designated by such party in writing to the other; or (b) delivered personally within the respective County as applicable, the State or to any officer of Lessee, or (c) sent by facsimile transmission (herein "Fax") to the Fax number, if any, of such party as specified herein or such other Fax number designated by such party in writing to the other. Any such written notice shall be deemed conclusively to have been received at the time of such personal delivery, or receipt of Fax, or at 4:00 p.m. on the third business day after being deposited with the United States mail as aforesaid, as follows:

21. Status Reports; Lessee Cooperation. Lessee acknowledges that the State's staff may be required to periodically report to the Board during the term of this Agreement on the status of Lessee's progress of the approved Development Plan incorporated in this Agreement. Lessee agrees to reasonably assist and meet with the State's staff in making such reports, including without limitation, upon commercially reasonable advance written notice, having a representative available to answer questions at any meetings of the Board at which such reports are given, providing information that State's staff reasonably requests for the purposes of making such reports, and being available to meet with the State's staff prior to the time such reports are made.

22. Costs and Attorney's Fees. Lessee shall pay all costs, including reasonable attorney's fees, and expenses which may be incurred by or paid by the State in enforcing the covenants, terms and conditions of this Agreement, including, but not limited to, recovering possession of the Subject Property, or in the collection of delinquent fees, taxes, assessments, and any and all other amounts or charges. In case the State shall, without any fault on its part, be made a party to any litigation commenced by or against the State, the Lessee shall pay all costs, including reasonable attorney's fees, and expenses incurred by or imposed on the State.

23. Construction and Amendment. This Agreement has been negotiated extensively by Lessee and the State with and upon the advice of their respective counsel, all of whom have participated in the drafting hereof. Consequently, the usual rule of construction shall not be applicable, which provides that the document is to be interpreted against the interests of the party who has primarily drafted the language in an agreement. No amendment or modification of this Agreement or any Exhibit attached hereto shall be effective unless incorporated in a written instrument executed by and between the State and Lessee; provided however, this Agreement may only be amended or modified with the approval of the Chairperson. The State and Lessee agree to execute such other documents and instruments as may be reasonably requested by the other party and as may be necessary to effectuate the terms and conditions of this Agreement.

24. Governing Law. This Agreement shall be construed, interpreted, and governed by the laws of the State of Hawaii.

25. Ratification. To the extent of any conflict or inconsistency between the terms of this Agreement and the terms of the Lease, the terms of this Agreement shall govern and control

to the extent only where there is any conflict or inconsistency with regard to the terms and conditions that Lessee must satisfy and successfully perform in order for it to be issued an extension of the term of the Lease by the State for the Subject Property pursuant to Act 149.

26. Headings. The article and paragraph headings herein are inserted only for convenience and reference and shall in no way define, describe or limit the scope or intent of any provision of this Agreement.

27. Partial Invalidity. In case any one or more of the provisions contained herein shall, for any reason, be held to be invalid, illegal or unenforceable in any respect which is not material to the transactions contemplated hereunder, such invalidity, illegality or unenforceability shall not affect any other provisions of this Agreement, but this Agreement shall be construed as if such invalid, illegal or unenforceable provision or provisions had never been contained herein.

28. Assignment. Any and all rights under this Agreement granted to Lessee may not be sold, assigned, conveyed or transferred in any manner by Lessee to any other person or entity. Notwithstanding the foregoing, however, Lessee may assign this entire Agreement and the development rights provided for herein to an institutional lender or lenders providing financing for the development of all or any portion of the Subject Property as security for the repayment of such loan or loans, with the prior written consent of the State.

29. State's Right to Assign. It is specifically understood and agreed that the State (through the Board) may convey or otherwise transfer the Subject Property subject to the terms and conditions of this Agreement, and assign this entire Agreement (including, but not limited to the assignment of any lease issued or to be issued under this Agreement) to any other department or agency of the State of Hawaii, subject to such department or agency affirmatively agreeing to accept such Subject Property subject to the terms and conditions of this Agreement and assuming all undertakings and obligations under this Agreement and/or the extension of the term of the Lease or Extended Lease issued or to be issued under this Agreement. Upon any such assignment, Lessee agrees to attorn to the assignee on the terms and conditions of this Agreement, the lease, or any other lease that is part of this Agreement.

30. Development Rights. Upon the expiration or any early termination of this Agreement by the State for whatever reason, all development rights, permits, approvals, plans, specifications, etc. prepared by or for Lessee in connection with Lessee's efforts relating to the proposed development and improvements to be constructed at the Subject Property or under this Agreement shall, to the extent owned by and/or assignable by Lessee, vest with and become a part of the Subject Property of the State. At the request of the State, Lessee shall do all things reasonably necessary to assign to the State, all such development rights, permits, approvals, plans, specifications, etc.

31. DLNR. Notwithstanding anything herein to the contrary, it is specifically understood and agreed by the parties that: (a) the "State" as used herein means the Department of Land and Natural Resources, State of Hawaii, and the "Chairperson" as used herein means the Chairperson of the Board of Land and Natural Resources; (b) whenever action is taken, or required to be taken by the "State" under this Agreement (e.g., approve, disapprove, consent or

otherwise), it shall be deemed to be an act of only the Board of Land and Natural Resources, and shall not be construed to be the act of any other department or agency of the State of Hawaii. Lessee acknowledges and accepts the responsibility for obtaining all entitlements and governmental approvals from the other applicable governing boards, agencies and departments of the State, County and Federal Government.

32. No Third-Party Beneficiaries. No third-party beneficiaries are intended by this Agreement, and the terms and provisions of this Agreement shall not give rise to any right in third parties to enforce the provisions of this Agreement.

33. Nondiscrimination. The use of the Subject Property shall not be in support of any policy which discriminates against anyone based upon race, creed, color, national origin or a physical handicap.

34. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which taken together shall constitute one and the same instrument.

35. Time is of the Essence. Time is of the essence in all provisions of this Agreement.

36. Exhibits. The following exhibits are attached to this Agreement and deemed incorporated herein this Agreement by reference:
