Aloha, my name is Zac. I am a harbor worker along with my wife. We each earn \$18.00 per hour and like many here in Maui, struggle to make ends meet. We each are in the harbor 10 hours per day but work different schedules so have two cars. We pay a total of \$22.00 per day to park. On our salary it is a significant burden. We would support a harbor worker pass for \$20 a \$30 per month if it were available. Thank you for reading my comment. Zac
