Annual Renewal of Revocable Permits for Oahu. See Exhibit 2 for list of Revocable Permits.

HRS CHAPTER 343 – ENVIRONMENTAL ASSESSMENT:

In accordance with the Exemption List for the Department of Land and Natural Resources (DLNR), approved by the Environmental Council on November 10, 2020, the subject action is exempt from the preparation of an environmental assessment pursuant to General Exemption Type 1, “Operations, repairs, or maintenance of existing structures, facilities, equipment, or topographical features, involving negligible or no expansion or change of use beyond that previously existing.” See **Exhibit 1** attached.

BACKGROUND:

At the end of each calendar year, Land Division reviews its list of current Revocable Permits (RPs) issued statewide and determines which ones to recommend to the Board of Land and Natural Resources (Board) for renewal for the upcoming year. Generally, those RPs in good standing will be recommended for renewal, unless the Board has approved a different disposition for the land covered by a particular permit.

In the past, staff brought all RPs to the Board for renewal in one submittal. At its meeting on December 11, 2015, under Agenda Item D-14, as amended, the Board directed staff to submit RP renewals by county over four meetings, with an explanation of why an RP is the appropriate disposition and how the rent was set. At its meeting on June 24, 2016, under Agenda Item D-7, the Board further approved the recommendations of the DLNR Revocable Permit Task Force, as amended, requesting all divisions notate any non-compliance issues and pending litigation in the renewal submittal. In accordance with these directives, staff is submitting the RPs on Oahu, including the additional information the Board requested.

REMARKS:

The list of RPs on Oahu that staff recommends be renewed for 2025 is attached as **Exhibit 2**. Included in the exhibit are the RP number, permittee names, tax map keys, land trust status, original commencement date of the permit, character of use, land area, annual rent, method by which staff set the rent and the rationale behind the issuance of an RP. Another version of this table is attached as **Exhibit 2A**, which orders the RPs by type (discussed below) instead of by the RP number Exhibit 2 uses. Yet Another version of this table is attached as **Exhibit 3** and highlights changes to the comments on the permits that have occurred since the last Board action on the approval of RPs for Oahu on August 25, 2023, under agenda Item D-6, as amended. A general location map of the RPs to be renewed is attached as **Exhibit 4**.

At its meeting on October 13, 2017, under agenda item D-4, as amended, the Board approved interim rents for the annual renewal of the RPs on Oahu for calendar year 2018. Staff procured a contract with James Hallstrom of The Hallstrom Group/CBRE, Inc. (Appraiser) for appraisal services to assist in valuing the rent to charge for the use of State lands underlying RPs statewide as of January 1, 2018, and ground rent discounts for tenancy and use restriction, if any, for 35 of the 70 RPs on Oahu active at the time. The Portfolio Appraisal Report (PAR) was completed on January 15, 2018. The Appraiser recommended increasing rents after 2018 by 2-3% for each year, depending upon demand for the properties.

Since receipt of the PAR, staff has recommended rental adjustments for the properties that were covered by the PAR each year except 2021 when no rent increases were made due to the impacts of COVID-19. At the present time, 26 of the RPs covered by the PAR are still active and 23 of those RPs have been or will be brought to 2018 PAR market rates in 2025 if the Board approves the rent increases in Exhibit 2. The three RPs covered by the PAR that have not been brought to market rents are as follows:

- RP7242 to Luluku Banana Growers Coop: This RP is for cultivation of banana. The PAR set the 2018 rent at \$28,500.00 per annum. Staff is recommending an annual rent of \$14,298.24 for 2025, which is a 10% increase over 2024 rents. As noted in Exhibit 2, staff planned on recommending this RP be set aside to DOA pursuant to Act 90, Session Laws of Hawaii 2003 (Act 90), but DOA has thus far rejected the parcel because it is landlocked.

- RP7517 to Olomana Golf Links, Inc.: This RP is located between Olomana Golf Course and Kalaniana'ole Highway. The PAR set the 2018 rent at \$23,460.00 per annum. Staff is recommending an annual rent of \$17,882.40 for 2025, which is a 10% increase over 2024 rent. As noted in Exhibit 2, at its meeting of May 26, 2023, under agenda Item D-6, as amended, the Board authorized staff to negotiate a development agreement for the extension of the associated golf course lease under General Lease No. S-4095 to Olomana Golf Links, Inc. This RP serves the golf course under that lease.
- RP7851 to Jacob Hines: This RP is being used for residence purposes on 0.8 acre. The PAR set the 2018 rent at \$10,303.00 per annum. Staff is recommending an annual rent of \$10,413.72 for 2025, which is a 10% increase over 2024 rents and brings it to 2018 market rent. As noted in Exhibit 2, the parcel under the RP has a substandard lot size.
- RP7883 to Roland & Daralynn Higgins: This RP is being used for residence purposes on 0.187 acre. At its meeting on June 22, 2018, under agenda item D-7, the Board instructed staff to maintain the rent at \$3,992.88 per annum until a long-term disposition can be determined, notwithstanding the indicated annual market rent (\$18,240.00 per annum). There is no access from a public road.
- RP7907 to Sugarland Farms, Inc.: This RP is being used for agriculture on 131.7 acres. The PAR set the 2018 rent at \$32,934.00 per annum. Staff is recommending an annual rent of \$34,521.84 for 2025, which is a 10% increase over 2024 rents and brings it to market rent. As noted in Exhibit 2, potential for future development makes property unsuitable for long-term agricultural lease.

Other RPs on Exhibit 2 were not covered by the 2018 PAR. A handful of these RPs are for agricultural uses on Oahu. With the change in administrations in 2022, there is a renewed push for the transfer of agricultural lands to DOA pursuant to Act 90. Land Division plans to work with DOA to see if DOA will accept the transfer of these agricultural RPs. To the extent DOA accepts transfer of the lands, DOA will then be responsible for setting appropriate rents under its statutes and rules, which are not required to be set at market rates. Land Division does not believe it is an efficient use of Land Division staff time to prepare agricultural parcels for lease at public auction (a time-consuming process) if DOA will assume management of the RPs. As far as auctions of State lands are concerned, Land Division intends to prioritize the sale of leases for commercial purposes.

To the extent DOA is not open to the transfer of any of the RPs on Exhibit 2, Land Division is not inclined to procure a further portfolio appraisal review of these types of permits because the cost of the appraisal review would likely not

At last year’s meeting on the renewal of Oahu RPs (August 25, 2023, under agenda Item D-6, as amended), the Board asked about the conversion of pier RPs to long-term dispositions. In short, the permittees for the remaining three (3) RPs for pier purposes have not shown any interest in conversion and have not responded to letters sent by the Oahu District Land Office (ODLO) requesting permittees to contact ODLO. ODLO is prepared to come back to the Board with a recommendation for long-term dispositions but needs the permittees’ cooperation to do so. Those RPs are:

- RP6331 for AOA Kauhale Beach Cove.
- RP7587 for Peter Kunstadter
- RP7590 Robert Sawinski

Similar to previous years, for 2024 the RP renewals are divided into four types with different rental adjustments, where applicable, as follows:

- Type 1: Where the RP was valued by PAR and the rent has since been brought to market rates, the 2025 rent will be increased by 3% over the 2024 rent.
- Type 2: Where the RP was valued by PAR, but the rent remains below market rates, the 2025 rent will be increased by 10% - 20% over the 2024 rents, with the anticipation that rents would continue to increase per annum, until market rents are achieved.
- Type 3: RPs issued to government agencies where the rent is gratis.
- Type 4: RPs in this category involved special circumstances and did not fit within Types 1-3 above. They are discussed individually in Exhibit 2 attached.

Since the last renewal of the RPs on Oahu on August 25, 2023, the following permits has either been cancelled or are in the process of cancellation before the end of calendar year re were no cancellations before the end of calendar year 2024.

Attention: Mr. Michael Ferreira, Land Agent

Dear Chairperson Chang:

Subject: Your Memorandum Dated July 9, 2024, Regarding Request for
Comments: 2024 for 2025 Annual Renewal of Revocable Permits for the
County of Honolulu, O'ahu, Reference No. Annual RP Renewal-O'ahu
2024 for 2025

Thank you for the opportunity to review the list of annual revocable permits (RP) to be renewed for 2025. The majority of the RP's do not affect any facilities or assets of the Board of Water Supply (BWS). But, on those that do, we offer the following comments:

1. RP No. 6331 to AOA Kauhale Beach Cove, Tax Map Key (TMK) 4-5-003:002. We reiterate our prior comment that the renewal of this RP be subject to BWS' easements for its 8-inch waterline.
2. RP No. 7520 to Robin T. Mizuta, TMK 4-1-010:049. We reiterate our prior comment that the renewal of this RP be subject to a future waterline easement to be granted to BWS for its existing 2-inch waterline. BWS will submit a separate request to your department for the granting of the easement.
3. RP Nos. 7602 and 7604 to Hawaiian Electric Company, Inc. (HECO), TMK 4-1-010 and 4-1-025. We understand that these RP's will be replaced by the issuance of perpetual, non-exclusive easements for utility purposes in favor of HECO and that your department is waiting for HECO to submit the maps and descriptions of said easements. We therefore reiterate our previous comments

Ms. Dawn Chang
July 25, 2024
Page 2

that the utility easements to be granted to HECO be subject to the easements that were set aside to BWS by Executive Order 1423. Until such time that the RP's are cancelled, we reiterate our prior comment that they be subject to the BWS easements.

4. RP No. 7898 to AOAO 1942/1946 Pauoa Road, Inc., and RP No. 7944 to Sandalwood Mountain Properties, TMK 2-2-010:021. We reiterate our prior comment that the renewal of these RP's be subject to a BWS water pipeline easement directly across from Bates Street and the utility and access easement for BWS' existing 16-inch waterline.

If you have any questions, please contact Michael Matsuo of our Land Division at (808) 748-5951.

Very truly yours,

ERNEST Y.W. LAU, P.E.
