Aloha,

My name is Veronica Simao and I've been a Hawai'i resident for 65 years in different areas of the island. I am writing to SUPPORT the continued gathering of Waikiki Beach Chaplaincy at Duke Kahanamoku Beach.

I've personally experienced and have been able to share our Hawai'i values of caring and the spirit of aloha with locals and visitors alike. I think it would be a great loss to the people of Hawai'i as well as to those visiting our island, if we no longer are able to continue the gathering of Waikiki Beach Chaplaincy at Duke Kahanamoku Beach. Please allow this gathering to continue.
Mahalo for your time and consideration.

To Whom it may concern,

My name is Brian Jahnke. I am the longest serving volunteer at the Waikiki Beach Chaplaincy. I have been serving there for over 50 years. I have worked in the food service industry in Hawaii, have owned businesses in Hawaii over this time, but the one thing that is the ray of sunshine and consistency in my life is the Waikiki Beach Chaplaincy and all the people it serves, and all the people that volunteer their time.

I obviously can't tell you all the marvelous things I've seen and witnessed over these past 50 years, but I can tell you this, it doesn't matter who was running it, or what year it was, it has always blessed the locals who attend and volunteer and it truly blessed the visitors. I have made lifetime friendships with people from all over the world who make sure they come back and visit us whenever they come back. Words cannot describe what this ministry means to these people who have grown up with this Ministry, as I have.

The benefit, to have a ministry each Sunday, filled with Aloha, Joy and compassion is just what Waikiki needs now. I have only seen this ministry get better, more organized and have a deeper impact in our community. I'm not the young man I was when I first started volunteering here, but now I see the younger generation, children coming up and starting to take over. These younger men and women have a deep respect for the area, the environment, and the continued legacy of this ministry. I feel so comforted to know that this ministry will be passed on to these amazing people one day. I love the hope Waikiki Beach Chaplaincy brings, and more than anything, Hawaii, our visitors need hope!

Sincerely,

Brian Jahnke

"Aloha,

My name is Cindy Tipton and I've been a Hawaii resident for 29 years, 8 on Molokai and 21 on Oahu. I am writing to SUPPORT the continued gathering of Waikiki Beach Chaplaincy at Duke Kahanamoku Beach. My family and I were first blessed to attend a service while staying at the Hilton when I graduated from High School way back in 1983. And now that my husband and I live together on Oahu, we have been so blessed by its presence still being there. We bring all of our visitors there when they come to visit. And we love that they get to mingle with all of the locals who serve the community in this way. Please let this valuable ministry and community service continue for many more years.

Aloha DLNR committee,

I am grateful to strongly support the Waikiki Beach Chaplaincy and their continued presence on the beach behind the Hilton.

The WBC has been an inspiration and vital part of the Honolulu community for more the fifty years.

I have attended and supported these services since 1981. Over these years I can testify of countless times when these services have promoted peace, love and aloha to the people of Hawaii and the thousands of tourists visiting the state.

I also can state over all these years, I have never experienced a single incident or activity that harmed or impeded any person or access to the beach.

In this time where there is so much discord in the public square, having the beach service continues to be a place of refuge and hope.

For the expression of aloha and hope in the city, please embrace and support the ongoing mission of love from the Waikiki Beach Chaplaincy.

Mahalo,

Aloha,

My name is Calonai Jahier and I've been a Hawaii resident for over 25 years in the Kaimuki area. I am writing to SUPPORT the continued gathering of Waikiki Beach Chaplaincy at Duke Kahanamoku Beach.

Back in 2020 after the pandemic my father passed away and left me disheveled. I just graduated a rehab program at the time recovering from alcohol and drug abuse. One day I found myself wondering Waikiki and came across the Waikiki Beach Chaplaincy presenting their Easter Day celebration. I remember sitting in the crowd thinking I could be walking around the streets looking for a fix but this crowd was so inviting and really made me think about my life decisions. The chaplaincy inspired me to search for answers within myself about spirituality and life. 5 years have passed and I can say I'm a proud member of a church and have been able to better my life through the love and support of people who truly care about our community and loving others. To me it makes no sense to not allow Waikiki Beach Chaplaincy to continue to gather and celebrate considering the positive impact they had on me and continue to have in our community. Please consider my testimony as a reason to continue to allow and support Waikiki Beach Chaplaincy in hopes of building up our community.

Sincerely,
Calonai Jahier

To Whom it May Concern,

The impact that this chaplaincy has had to bring peace and security into the hearts of people who might otherwise be lost and drifting is invaluable. Not all who are lost know how to even begin to get their lives back on track, whether from addictions, depression, mental illness and/or homelessness.

Coming to meet and build relationships with Christians would not happen if not for worship services held at the beach venue. It is non-threatening and open to all who want to know Jesus.

Please allow this chaplaincy to continue. There is no footprint from our worship services after they are over, we are mindful to leave the venue just the way we found it if not better.

Mahalo for protecting our right to worship.

Aloha*

My name is Colleen Nomura and I've been a part of the chaplaincy in bringing Christian dance art to the beach.

I was the cast captain/lead dancer for the Jim Nabors show and choreographer/lead dancer for the DON HO SHOW at Hilton Dome for many years.

I brought dancers to bless the tourist community and provide service to the Chaplaincy with Christian worship and praise hula & sign dancing.

Waikiki Beach Chaplaincy prayed with our Lead singer Debbie Takushi for the Don Ho cast and revival came to our show! I was a nightclubbing fanatic with only selfish interests and GOD transformed me to a life of service to the world, state and communities! My team and I built dance studios to house at risk youth needing positive activities to challenge & build self esteem and identity through performances for hospitals, nursing homes, etc. Our professional arts have done Gov Ball, Hawaii Prayer Breakfast, Bruno Mars preshow at NBC, many Christian natl dove award recording artist events at Hawaii Theater.

We have been doing outreach to strippers, drug addicts, child molester, gangsters & drug dealers!

My life was changed by this ministry! That's why I still take my dancers back to the beach to give back & thank God in praise and worship for HIS AWESOME TRANSFORMING POWER, MERCY & GRACE+!

PLEASE PLEASE allow this ministry to stay and help people out of pits, doldrum non productive lives, addictions, to HOPE & a FRUITFUL LIFE GIVING FUTURE*!

My name is Patty Takahashi, born and raised on Oahu residing in Palolo. I frequently visited the Hilton Hawaiian Village Resort and beach and Hale Koa Hotel and beach since I was a child to adult life.

Waikiki Beach Chaplaincy has been there 55 years keeping a positive impact on the community. We are continuing a heritage that was cultivated even before I was born and you were born.

Even before the well respected Kahanamoku Family, over 132 years ago.

Since, the ancients of old have cultivated that land and sea with so much aloha, we are now responsible to continue that ALOHA spirit upon the Kahanamoku's Estate for everyone's enjoyment. We continue Duke Kahanamoku's name, "Ambassador of Aloha" with the time we spend engaging in family time, in a safe environment with a positive hope for people.

We are happy to host our community with aloha to families from around the world and bring positive values to our society. We talk with all people, local and tourist, we honor our military and honor our Church families. And hope you will join us someday soon and engage in the joy we experience now and forever more.

Patty

I have participated in many services put on by WBC and have been blessed by their message of hope and peace. Each service invites participants to enjoy the beauty of our Islands and reminds them that Hawaii is one of America's Gems when it comes to a spirit of Aloha. Each message encourages the audience to believe that Jesus Christ is still a very real influence in each of our lives and that His Word, Will, & Way helps us live better lives as citizens of this great state and nation.

Please consider the positive influence this WBC has had over the last 55 years in Waikiki. Each visitors smile and "thank you" is a vote for returning to enjoy what Hawaii offers each visitor to our great state.

Respectfully,

Aloha, My name is Michael Skedelecki.

I have been volunteering and attending the Waikiki Beach Chaplaincy with my wife and two young children for over three years. I have also worked in Waikiki for more than 16 years, managing and operating several businesses. During my time with the chaplaincy, I have witnessed its incredible impact on the local community, visitors from around the world, and the beach and ocean itself. Every Sunday, we connect with people from across the United States and other countries who feel blessed to have a church service here—a safe place for families to gather and interact with both locals and visitors.

I have personally seen volunteers and members support and care for the unhoused, and clean up the area before and after services. I've also been involved in defusing highly escalated confrontations, thanks to the efforts of local volunteers, preventing situations from turning violent. I have witnessed on 2 occasions the volunteers of this ministry step in and educate visitors as they approached Honu or monk seals on the beach. I know everyone who helps with this ministry has a deep love and respect for the aina and the people who visit.

Knowing the chaplaincy's 55-year legacy and hearing testimonies from people who have visited for generations—some since childhood—underscores its significance. Over these three years, I've heard countless stories of gratitude for this landmark, which serves as a constant presence during vacations or work trips.

I hope the DLNR considers the legacy, duration, and especially the positive impact this ministry has on Waikiki, which truly benefits from this beacon of light and Aloha. It would be a great tragedy if this 55-year tradition ended just as I am beginning to fully appreciate its eternal value.

Sincerely,

My name is Vlad Sosa and I've been a Hawaii resident for 5 years in the Hawaii Kai area. I am writing to **SUPPORT** the continued gathering of Waikiki Beach Chaplaincy (WBC) at Duke Kahanamoku Beach.

It was amazing to see how people were drawn to the love offered by WBC staff to the locals and visitors alike. And how the spirit of aloha was shared through hula and great music. I think the most important aspect is that WBC is a beacon of hope and light, people gather to hear the word of God and lives are transformed. People walk away uplifted, loved and reminded that the daily challenges of life can be overcome in Jesus name. And that following Jesus' teaching can lead to a more fulfilling and peaceful life. I have been impacted by WBC and Jesus's teachings to love my neighbors, love my fellow citizens and to love our visitors. Why not continue supporting WBC when it is having a positive impact in our local community, especially when so many other things are pushing negative and destructive messages?

Thank you for reading my testimony.

Love that they are out in the open worshipping God and sharing about His love since 1970. They are right on the beach by Hilton Hawaiian. You can wear flip flops and be barefoot. They flow the conch shells before singing. I love that they include a hula worship dance and sing God bless America at the end of the service. Today was my 3rd visit. Thank you for what you all do and may God continue to bless you!

It took us 5 min to walk to church on the beach. I thought it would be a sermon to bring more people to Christ, but I guess they already figured out that the vacationers attending church are the Christians that don't like skipping church.

They used 3 worship songs, a welcome speech, and 1 hula for everyone to settle in.

The pastor started with prayer, read through 2 Corinthians 4 NKJV and his sermon was about how current cultural Christianity is coming from (as our pastor back home would call them) Inside Outsiders. Now more than ever should we know the Truth and share the Truth.

With the rate our country is going, it was so nice to worship and hear God's Word with other believers while so many non-believers walked by. We're praying that those people see our peace and confidence in our identity, and will seek His Truth as well.

Over many years, my wife and I have attended the Waikiki Beach Chaplaincy services whenever we were in Hawaii and always enjoyed the services. We even used to receive a bulletin from the church but no more.

My daughter is planning a trip there and would like to get in touch with the current pastor. Over time, we've met all three of the past pastors and it was sad to read of the passing of Alex. So, who should my daughter contact now?

Super friendly Church! Very welcoming and pretty cool that it's on the beach. More of an outreach to the unsaved than a regular church and it seemed like most people were tourists

Aloha Tabitha, we are so glad that you enjoyed service on the beach. God is so good and continues to show His favor to our church on the beach, as He has been doing for the last 52 years.

We are truly blessed by your fellowship and review, we hope to see you again.

We do post videos of our service at facebook.com/waikikibeachchaplaincy and would love to stay in contact with you through our newsletter which you can sign up for by going to waikikibeachchaplaincy.org and click "stay informed."

Mahalo Tabitha, for your kind words, I will share them with the team. All glory to God. Amen. And may He continue to bless you. Aloha.
