PUBLIC TRUST ANALYSIS:

Dispositions of ceded lands, including concessions must be consistent with the public trust. In order to make that determination, the Board must consider the following:

1. Presumption in favor of public use.
2. Consideration of practicable alternatives.
3. Clear articulation of the decision.

A presumption in favor of public use at Ala Wai Small Boat Harbor would require that the harbor’s lands and facilities remain primarily available for boating, recreation, and navigational purposes. The proposed concession must therefore be evaluated against whether it enhances or detracts from these public uses. In this case, a mobile food concession can support the boating public and recreational users by providing convenient food services within the harbor area. The use is compatible with existing harbor operations, does not obstruct boating access, and does not diminish recreational opportunities.

An alternative to allowing the concession would be to leave the parcel or designated concession space vacant. However, leaving the area unused would not provide any added public benefit, would forego potential revenue to the Boating Special Fund, and

would deny harbor users convenient amenities. Other alternatives, such as relocating the concession outside the harbor, would reduce accessibility for harbor tenants, boaters, and the public who frequent Ala Wai Harbor. The proposed disposition is more practicable than foregoing the concession.

The mobile food concession is not an exclusive use of a large parcel of land, it encompasses a total of 300 square feet. It does not restrict public access to harbor facilities, piers, or shoreline areas. It improves the harbor environment by offering legitimate, managed services in a space that might otherwise invite unauthorized vending or informal uses. Safety and sanitation are regulated under the Department of Health rules, minimizing potential risks.

Concessions for ceded lands also support the public trust purposes contained in Section 5(f) of the Admissions Act. Revenues from concessions on ceded lands paid to the Office of Hawaiian Affairs contribute to the betterment of the conditions of native Hawaiians. The revenues also support the Department's programs to provide lands for public use which is another public trust purpose.

DOBOR is responsible for managing the State's small boat harbors, including Ala Wai, which is the largest small boat harbor in the State and one of the most heavily used. The Department must balance its fiduciary duty to preserve public access with the practical need to generate revenue to sustain operations. Authorizing the mobile food concession allows DOBOR to allocate limited resources more effectively while ensuring that public trust obligations are met.

BACKGROUND:

At its meeting on May 11, 2012, under agenda Item J-1, the Board approved the Sale of Concession by Sealed Bid for a Mobile Concession located at AWSBH¹. The concession was awarded to Galley Foods LLC. Galley Foods LLC operated in the space for the initial five-year concession which commenced March 1, 2013, and ended on February 28, 2018, and extend the term of the concession for an additional five-years, from March 1, 2018, thru February 28, 2023.

Galley Foods LLC paid the greater of \$1,705 per month or 10% of gross receipts. Staff recommended an increase of the upset minimum monthly rent due to the Galley Foods LLC consistently hitting percentage rent, pre-pandemic.

At its meeting on December 10, 2021, under agenda Item J-1, the Board approved the Sale of Concession by Sealed Bid for a Three-Year Mobile Concession located at AWSBH². The concession was awarded to Blue Water Shrimp International LLC

("concessionaire"). The concessionaire is currently operating in the space under concession contract LO-23-001, for a period of three (3) years commencing on July 1, 2023, and ending on June 30, 2026. Blue Water Shrimp International LLC pays \$4,525 per month or 10% of gross receipts.

There continues to be strong interest in this concession space from other food truck operators. In anticipation of the contract's expiration on June 30, 2026, staff is submitting this request to allow sufficient time to prepare the necessary documentation and conduct the bidding process prior to the end of the existing concession term.

RECOMMENDATION:

That the Board of Land and Natural Resources:

1. Declare that, after considering the potential effects of the proposed disposition as provided by Chapter 343, HRS, and Chapter 11-200.1-15, HAR, this project will probably have minimal or no significant effect on the environment and is therefore exempt from the preparation of an environmental assessment.
2. Authorize the sale of concession by sealed bid for Mobile Food services under the terms and conditions cited above, which are by this reference incorporated herein and further subject to the following:
 - a. The standard terms and conditions of the most current concession contract form, as may be amended from time-to-time;
 - b. Review and approval by the Department of the Attorney General; and
 - c. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.

The Concessionaire agrees not to discriminate against disabled persons in the provision of services, benefits, or activities provided under this Mobile Food Truck Concession Contract and further agrees that any violation of the ADA on the part of the Concessionaire and Concessionaire's agents shall constitute a material breach of this Mobile Food Truck Concession Contract.

ARTICLE II. COMPLIANCE WITH ENVIRONMENTAL LAWS

A. Compliance with Environmental Laws.

1. **Compliance with Environmental Laws.** The Concessionaire agrees, at its sole expense and cost, to comply with all Environmental Laws, as herein defined, that apply to the Mobile Food Truck Concession Area during the term of this Mobile Food Truck Concession Contract, and the Concessionaire's use and occupancy of, and activities on, the Mobile Food Truck Concession Area. This duty shall survive the expiration or termination of this Mobile Food Truck Concession Contract which means that the Concessionaire's duty to comply with Environmental Laws shall include complying with all Environmental Laws, regulations, and orders that may apply, or be determined to apply, to the use, occupancy, and activities of the Concessionaire on the Mobile Food Truck Concession Area after the expiration or termination of this Mobile Food Truck Concession Contract. Failure of the Concessionaire to comply with any Environmental Laws shall constitute a breach of this Mobile Food Truck Concession Contract for which the STATE shall be entitled, in its discretion, to terminate this Mobile Food Truck Concession Contract and take any other action at law or in equity it deems appropriate.
2. **Hazardous Substances.** The Concessionaire shall not use, store, treat, dispose, discharge, release, generate, create, or otherwise handle any Hazardous Substances, or allow the same by any third person, on the Mobile Food Truck

Concession Area without first obtaining the written consent of the State and complying with all Environmental Laws, including giving all required notices, reporting to, and obtaining permits from, all appropriate authorities, and complying with all provisions of this Mobile Food Truck Concession Contract.

3. Notice to STATE. The Concessionaire shall always keep State fully informed regarding all matters relating or related to or covered by the Environmental Laws affecting the Concessionaire or the Mobile Food Truck Concession Area. This duty shall also include providing immediate written notice of any investigation, enforcement action, remediation, or other regulatory action, order of any type, or any legal action, initiated, issued, or any indication of an intent to do so, communicated in any way to the Concessionaire by any federal or State authority or individual which relates in any way to any Environmental Laws, or any Hazardous Substances, and the Concessionaire or the Mobile Food Truck Concession Area. This written notice to the State shall include the Concessionaire immediately providing the State with copies of all written communications from individuals or State and federal authorities, including copies of all correspondence, claims, complaints, warnings, reports, technical data, and any other documents received or obtained by the Concessionaire. At least thirty (30) days prior to termination of this Mobile Food Truck Concession Contract by the Concessionaire, the Concessionaire shall provide to the State written evidence satisfactory to the State that the Concessionaire has fully complied with all Environmental Laws, including any orders issued by any governmental authority to the Concessionaire that relate to the Mobile Food Truck Concession Area.
4. Notice to Authorities. The Concessionaire shall provide written notice to the federal Environmental Protection Agency ("EPA") and the State of Hawaii, Department of Health ("DOH"), at least sixty (60) days prior to the termination of this Mobile Food Truck Concession Contract that the Concessionaire intends to vacate the Mobile Food Truck Concession Area and terminate its operations on the Mobile Food Truck Concession Area. The Concessionaire shall allow the agents or representatives of said authorities access to the Mobile Food Truck Concession Area at any and all reasonable times for the purpose of inspecting or testing for compliance with any Environmental Laws. The Concessionaire shall provide copies of said written notices to State at the time said notices are provided by said authorities.

The Concessionaire shall direct said person or entity to provide the State or governmental authority, if so requested, with testable portions of all samples of any soils, water, ground water or other material that may be obtained for testing and provide to the State and the governmental authority written results of all tests on said samples upon completion of said testing.

These Environmental Laws include, but are not limited to, regulations and orders of the EPA and the DOH.
9. STATE's Right to Act. In the event the Concessionaire fails for any reason to comply with any of the duties under this Mobile Food Truck Concession Contract or under any Environmental Laws within the time set for doing so, the State shall have the right, but not obligation, in its sole discretion, to perform those duties, or cause them to be performed. The Concessionaire hereby grants access to the Premises at all

reasonable hours to the State, its agents and anyone designated by the State in order to perform said acts and duties. Any cost, expense, or liability of any type that may be incurred by the State in performing said acts or duties shall be the sole responsibility of the Concessionaire and the Concessionaire hereby agrees to pay for those costs and expenses and to indemnify, release, defend and hold harmless the State for any liability incurred. This obligation shall extend to any costs and expenses incident to enforcement of the State's right to act, including, without limitation, litigation costs, attorneys' fees, and the costs and fees for collection of said cost, expense, and liability.

B. Release and Indemnity. The Concessionaire hereby agrees to release the State, and the State's officers, agents, employees, successors, and assigns, from any liability of any kind, including, but not limited to, any liability for any damages, penalties, fines, judgments, or assessments that may be imposed or obtained by any person, agency, or governmental authority against the Concessionaire by reason of any Hazardous Substances that may be present by whatever means on, in, or under the Mobile Food Truck Concession Area. The Concessionaire hereby agrees to release, indemnify, defend with counsel suitable to the State, and hold harmless the State from any liability that may arise in connection with, or by reason of, any occurrence involving any Hazardous Substances that may be alleged to be connected or related in any way with the Mobile Food Truck Concession Area, the State's ownership of the premises, or this Mobile Food Truck Concession Contract, including, without limitation, the presence of any Hazardous Substance on, in, or under the premises.

ARTICLE III. CHANGES IN CONCESSIONAIRE

A. Changes in Concessionaire.

1. Controlling Interest. The merger of the Concessionaire with any other entity or the transfer of a fully controlling ownership interest in the Concessionaire, or the assignment or transfer of a substantial portion of the assets of the Concessionaire, whether or not located on the premises, shall constitute an assignment. Without limiting the generality of the foregoing, if the Concessionaire is a partnership, a withdrawal or change, voluntary, involuntary, or by operation of law, of the partner or partners owning fifty-one percent (51%) or more of the partnership, or the dissolution of the partnership, or the sale or transfer of at least fifty-one percent (51%) of the value of the assets of the Concessionaire, shall be deemed an assignment. If the Concessionaire is a corporation or limited liability company, any dissolution, merger, consolidation, or other reorganization of the Concessionaire or the sale or other transfer of a controlling percentage of the capital stock or membership interests of the Concessionaire or the sale or transfer of at least fifty-one percent (51%) of the value of the assets of the Concessionaire, shall be deemed an assignment. The phrase "controlling percentage" means the ownership of, and the right to vote, stock or interests possessing at least twenty percent (20%) (or a percentage less than twenty percent (20%) if such percentage represents a controlling interest in the Concessionaire) of the total combined voting power of all classes of the Concessionaire's capital stock or interests issued, outstanding and entitled to vote for the election of directors.

2. Sale of Assets. The sale of all or substantially all of the assets of the Concessionaire, or the transfer of Concessionaire's Concession business, shall be deemed to constitute an "assignment" for purposes of this Mobile Food Truck Concession Contract which requires the prior written approval of the STATE in accordance with the Mobile Food Truck Concession Agreement.
3. STATE Shall Approve Each Assignment. The consent of the State to any one assignment shall not constitute a waiver of the State's right to approve subsequent assignments, nor shall consent of the State to any one assignment relieve or release any party previously liable as the Concessionaire from any obligation under this Mobile Food Truck Concession Contract. The acceptance by the State of the payment of concession fees following an assignment shall not constitute consent to that assignment or any other assignment, and the State's consent shall be evidenced only in writing.

B. No Release. In no event shall the State's consent to an assignment or transfer be deemed to be a release of the Concessionaire as the primary obligor hereunder. Nor shall the acceptance of concession fees by the State constitute a release or waiver of the State's rights against the Concessionaire, or as a consent to any assignment or transfer, nor shall any other act of the State in accordance with this Article III. (Changes in Concessionaire).

C. Other Liens Prohibited. The Concessionaire shall not commit or suffer any act or neglect whereby the premises or any portion thereof, including any portion of the Mobile Food Truck Concession Area thereupon or therein, or the estate or interest of the Concessionaire in the same, at any time during the term of this Mobile Food Truck Concession Contract shall become subject to any attachment, lien, charge, or encumbrance whatsoever. The Concessionaire shall release, indemnify, defend, save and hold the State harmless, and if or when appropriate or necessary, insure the State and the State's officers, employees' and agents from and against any and all attachments, liens, charges, and encumbrances, and any and all actions, suits, judgments, and orders relating thereto and any and all costs, fees, charges, expenses, and attorneys' fees resulting therefrom, it being expressly understood that the Concessionaire shall have no authority, express or implied, to create any attachment, lien, charge, or encumbrance upon or affecting the premises, or any portion thereof, except as otherwise authorized in writing by the State under this Mobile Food Truck Concession Contract.

ARTICLE IV. NO PARTNERSHIP

It is expressly understood and agreed by and between the State and the Concessionaire, that the State shall in no way be nor for any purpose become or be construed to become a partner of the Concessionaire in the conduct of its Concession business, or otherwise, or a joint venture or a member of a joint enterprise with the Concessionaire and the State does not assume responsibility for the Concessionaire's conduct or performance under this Mobile Food Truck Concession Contract. The State and the Concessionaire acknowledge and agree that there are no third-party beneficiaries to this Mobile Food Truck Concession Contract.

ARTICLE V. FORCE MAJEURE

A. **STATE's Obligations.** The State shall not be liable for any failure, delay, or interruption in performing its obligations hereunder due to causes or conditions beyond its control, including (but without limitation thereto) strikes, boycotts, picketing, slow-downs, work stoppages, or labor troubles of any other type, whether affecting the State or State's employees and agents.

B. **STATE not Obligated to Supply Services.** The State shall not be obligated to supply any service or services, if and to the extent, and during any period, that the supplying of any such service or services, or the use of any component necessary therefor, shall be prohibited by any federal, state, or municipal law, rule, regulation, requirement, order, or direction, provided, however, that even if such prohibition does not expressly apply to the State, the State may choose to comply with such prohibition, in whole or in part, and in so choosing, the State shall not be obligated to supply any such service or services.

C. **Fees Remain Payable.** Unless and only to the extent otherwise specified in this Mobile Food Truck Concession Contract, no abatement, diminution, or reduction of the rents, fees, or other charges payable by the Concessionaire shall be claimed by or allowed to the Concessionaire for any inconvenience, interruption, cessation, or loss of business or other loss caused, directly or indirectly, by any present or future laws, rules, requirements, orders, directions, ordinances, or regulations of the United States of America, or of the State of Hawaii, or any county or municipal governments, or of any other municipal, governmental, or lawful authority whatsoever, or by priorities, rationing, curtailment, or shortage of labor or materials, nor shall this Mobile Food Truck Concession Contract be affected by any such causes.

ARTICLE VI. AUTHORITY

If the Concessionaire signs as a corporation, a limited liability company, or a partnership, each of the persons executing this Mobile Food Truck Concession Contract on behalf of the Concessionaire does hereby covenant and warrant that the Concessionaire is a duly authorized and existing entity, that the Concessionaire has and is duly qualified to do business in Hawaii, that the Concessionaire has full right and authority to enter into this Mobile Food Truck Concession Contract, and that each and all of the persons signing on behalf of the Concessionaire are authorized to do so. Upon the State's request, the Concessionaire shall provide the State evidence reasonably satisfactory to the State confirming the foregoing representations and warranties.

ARTICLE VII. CONSENTS

If the State is required to be reasonable in granting or withholding consent or approval, but fails to do so, the Concessionaire's sole and exclusive remedy is to seek specific performance, and in no event will the State be liable for any monetary damages. All approvals by the State shall be in writing.

ARTICLE VIII. COUNTERPARTS

This Agreement may be executed in counterparts, each of which shall be deemed an original, and said counterparts shall together constitute one and the same document, binding all of the parties hereto notwithstanding all of the parties are not signatory to the original or the same counterpart. For all purposes, including, without limitation, recordation, filing and delivery of this Agreement, duplicate unexecuted pages of the counterparts may be discarded and the remaining pages assembled as one document.

ARTICLE IX. GOVERNING LAW

This Mobile Food Truck Concession Contract shall be governed by, interpreted and construed in accordance with the laws of the State of Hawaii. Any action arising out of this Mobile Food Truck Concession Contract will be filed and maintained in the Circuit Court of the First Circuit of the State of Hawaii.

ARTICLE X. COMPLIANCE WITH LAWS

The Concessionaire shall comply with all federal, state, and county laws, ordinances, codes, rules, and regulations, as the same may be amended from time to time, that in any way affect the Concessionaire's performance of this Mobile Food Truck Concession Contract.

ARTICLE XI. SEVERABILITY

In the event that any provision of this Mobile Food Truck Concession Contract is declared invalid or unenforceable by a court, such invalidity or unenforceability shall not affect the validity or enforceability of the remaining terms of this Mobile Food Truck Concession Contract.

ARTICLE XII. WAIVER

The failure of the State to insist upon the strict compliance with any term, provision, or condition of this Mobile Food Truck Concession Contract shall not constitute or be deemed to constitute a waiver or relinquishment of the State's right to enforce the same in accordance with this Mobile Food Truck Concession Contract. The fact that the State specifically refers to one section of the Hawaii Revised Statutes, and does not include provisions or statutory sections in the Mobile Food Truck Concession Contract shall not constitute a waiver or relinquishment of the State's rights or the Concessionaire's obligations under the statutes.

ARTICLE XIII. ENTIRE CONTRACT

This Mobile Food Truck Concession Contract sets forth all of the agreements, conditions, understandings, promises, warranties, and representations between the State and the Concessionaire relative to this Mobile Food Truck Concession Contract. This Mobile Food Truck Concession Contract supersedes all prior agreements, conditions, understandings, promises, warranties, and representations, which shall have no further force or effect. There are no agreements, conditions, understandings, promises, warranties, or representations, oral or written, express or implied, between the State and the Concessionaire other than as set forth or as referred to herein.

ARTICLE XIV. CONFLICT OF INTEREST

The Concessionaire represents that neither the Concessionaire, nor any employee or agent of the Concessionaire, presently has any interest, and promises that no such interest, direct or indirect, shall be acquired, that would or might conflict in any manner or degree with the Concessionaire's performance under this Mobile Food Truck Concession Contract.

ARTICLE XV. TERMINATION FOR CAUSE

In addition to any other remedies provided for by this Mobile Food Truck Concession Contract, if the State learns of a material breach of any provision of the Mobile Food Truck Concession Contract by Concessionaire, the State may at its sole discretion:

(1) Provide an opportunity for the Concessionaire to cure the breach or end the violation;
or

(2) Immediately terminate this Mobile Food Truck Concession Contract.

ARTICLE XVI. POLLUTION CONTROL

If during the performance of this Mobile Food Truck Concession Contract, the Concessionaire encounters a "release" or a "threatened release" of a reportable quantity of a "hazardous substance," "pollutant," or "contaminant" as those terms are defined in section 128D-1, Hawaii Revised Statutes, the Concessionaire shall immediately notify the State and all other appropriate state, county, or federal agencies as required by law. The Concessionaire shall take all necessary actions, including stopping work, to avoid causing, contributing to, or making worse a release of a hazardous substance, pollutant, or contaminant, and shall promptly obey any orders the Environmental Protection Agency or the state Department of Health issues in response to the release. In the event there is an ensuing cease-work period, and the State determines that this Mobile Food Truck Concession Contract requires an adjustment of the time for performance, the Mobile Food Truck Concession Contract shall be modified in writing accordingly.
